## Non-profit organizations opening 'thrift shop'

by Janice Pinke  
 "We basically want to get it away," says Gail Cole of the Centre Hastings Safe Homes Environment.

This Thursday, December 7th, a grand opening is being held for a 'thrift shop' entertaining prices in comparison to the Salvation Army thrift store

in Tweed. The Community Resource Network, Helping Hands and the Centre Hastings Safe Homes Environment have

pooled their resources to open the shop on Russell Street formerly rented as Campbellford Travel next to Your Choice Hairstyling on the west side of the street.

Items on sale will include clothing, footwear, bedding, small and large appliances, dishes, lamps, and although these will be used items they are all of "good quality" because they are sorted when they come in says Ruth James of Safe Homes.

The Madoc Review spoke with the four ladies responsible for setting up the store, still unnamed, last Wednesday afternoon. Kay Peacock, Gail Cole, Ruth James and Sharon Donoghue say they have been "talking about putting this kind of a store together for the last two years."

"Since this will be the community helping the community we are still in need of and always appreciate donations of any kind" says Kay Peacock of the Community Resource Network.

A goodhearted landlord is what is making these thoughts a reality beginning this Thursday.

This coming Tuesday, December 5th, the 'thrift store' will open for one day from 10 a.m. to 3 p.m. for a 'Buck-a-Bag' sale which is a recognized tradition for these three

organizations.

All things came together for these four ladies last Wednesday at which time they made all the store's final arrangements.

Hours of operation for the month of December are Tuesdays, Thursdays and Saturdays from 10 a.m. to 3 p.m. After Christmas hours will be announced in this paper.

A drop off box is still in the planning stages so any donations you may have can be dropped off at the store during store hours or by calling Kay Peacock at 473-5076.

Volunteers are needed to insure the hours of operations specified in this article. So if you have any spare time you wish to donate please call 473-5076, 473-4229 or 473-4247 and speak to Kay, Gail, Ruth or Sharon.

Again, the ladies want to make sure that everyone has the right idea about what this store will be all about. It is a non-profit store with prices resembling or below that of the Salvation Army thrift store in Tweed. Any monies received will go back into the store's operations (ie. rent) and any monies made above that will go back to these three worthwhile organizations; the Community Resource Network, Helping Hands and the Centre Hastings Safe Homes Environment.

Formerly Campbellford Travel

'Buck-a-bag' sales, fifty cent tops and pants, one dollar coats and shoes, will now all be available to the community in

what was formerly rented as Campbellford Travel on Russell Street. The grand

opening for the store is this Thursday, December 7, beginning at 10 a.m. and ending at 3 p.m.

## Council goes on record as being opposed to GST

by Janice Pinke

The regular monthly meeting of Madoc Village council November 28th found council

members going on record stating "that the Corporation of the Village of Madoc is in profound disagreement with the Goods and Services Tax".

This motion will be sent to Finance Minister Michael Wilson, MP Bill Vankoughnet and Prime Minister Brian Mulroney.

The minutes of the meeting make a point of listing that the motion was carried "unanimously". The Clerk-Treasurer was

instructed to write Mr. Vankoughnet asking for a personal reply on how he plans on voting on this issue.

## Get real

by Janice Pinke

This coming Friday, December 8th, the Centre Hastings Adult Day School on Durham Street north begins their annual tradition of their selling of real Christmas trees.

In recent years this quantity of seasonal trees were sold in the parking lot across from Madoc's IGA. This year however, students and staff will be selling them from the

grounds of the school north of the hotel.

The school has been selling the trees since 1982 and the prices of the trees are related to their size.

50/50

Again, just in time for Christmas, the school is holding their annual draw and this year it happens to be a 50/50. Spend your winnings on that

someone special.

The draw will be held on Thursday, December 21st at 2 p.m. at the school. Tickets are \$1 a piece and are available at the school or Dixie Lee or Audrey's Flowers or from one of the students.

The school will not be holding its annual Christmas banquet this year in order to cut costs. Instead, they will be having a Christmas party at the school for students and staff.

## O.P.P. REPORT

### Correction

It has been brought to our attention (Madoc OPP) that the young person's teeth in the assault reported in the November 24th issue of the police report, were only chipped, and not knocked out. We hope this error did not cause undue concern to the families involved.

### RIDE

The RIDE unit working throughout the District during a three day period, November 27th to November 30th, have checked 2,388 vehicles. Three persons have been charged with a total of five alcohol

related criminal driving offences. Ten 12 hour suspensions have been issued, two LLA charges, fourteen traffic violations and eighteen alert tests administered to motorists.

### Telephone Soliciting

At the present time a company under the name of Good Year Industries, Hollywood, Florida, USA, is conducting a telephone solicitation as follows:

The caller is contacting service stations and auto

## Welcome in the 90's

by Janice Pinkie

The Kiwanis Club of Madoc announced plans for their annual New Years bash last week. The club has been holding the party which brings in the new year "probably since the hall was built about 30 years ago" says Steve Moore of the Club.

"For years" says Steve, "the Kiwanis Club hall was the only hall around here". The annual bash, catered to a full house last year and members are optimistic that that will repeat itself.

Tickets are \$25 per couple and are available from Steve Moore at the Toronto-Dominion Bank or from Richard Chapman of Kate's Place.

Wally Bachelier will DJ the occasion which will welcome in a new decade this year. The Kiwanis Club will cater the event. It will all start around 8 p.m. and there will be a hot/cold buffet served.

Tickets for the Kiwanis Club's Merchant Christmas Party have "pretty well sold out" according to Steve Moore.

## O.P.P. REPORT

Cont'd from page 1

repairs businesses offering a set of 15 keys which the caller claims will open and start any automatic manufactured between 1978 and 1990. The cost for the keys is from \$265 to \$275.

Persons who have forwarded the amount to this company have received a set of lock picks valued at \$20 to \$30 for their \$265 investment.

**Break, enter and theft**  
Madoc OPP are currently

investigating a break and enter to Dellers IDA in Tweed on November 30th.

Thieves smashed the front door of the store and removed approximately \$700 worth of narcotics and controlled drugs from the store.

This is the second break in to the store in the last five weeks. On October 28th thieves picked the front door of the store.

Constable R. Bonter is the investigating officer.

"I've already been in here browsing" says Jane Sprague (l) of Madoc Village. Jane won the \$100 gift certificate for conjuring up the new name of what was Rupert's and is now,

thanks to Jane, Treats and Treasures on Durham Street. Kelly Mumby (r) presenting the gift certificate to be spent at Treats and Treasures, manages the store and says it

took four or five weeks to pick the winner. They had three pages of possible names to pick from. In picking the name Jane says she "just looked at what the store had to offer". Kelly says that most of the entries into the contest were from adults and some were entered by people just passing through Madoc.

## Dates to Remember

**Dec. 9 - Madoc Kiwanis Merchants Christmas Party.** Tickets \$25 per couple. Contact Steve Moore at the T.D. Richard Chapman at Kate's Place or Grant Kyte of RR5 Madoc.

## Date changed!!!

The date, originally scheduled for the performance of the Hastings County Board of Education Concert Choir at Madoc's Presbyterian Church, has been changed from December 17th at 7 p.m. to December 18th at the same time and place. Trying to raise funds for a trip to Europe; the choir features five Madoc youngsters (back row, l-r) Justine Dart, Heather Chapelle, Elise Cawker, Melissa Watson and seated in the front is Shaun Pascoe.

## Highlights of Madoc Village council minutes

# Prepare for a rate increase

### Rate increase.

Reeve Deline instructed the Clerk-Treasurer to prepare a water/sewer service rate increase (to \$27.50) bylaw for the December 19th meeting.

### English only.

Council moved to support the continued use of English only as the official language in the work of the Corporation of Madoc and pass a bylaw to that effect. The Clerk-Treasurer was instructed to have the bylaw ready for the December 19th meeting and to notify Hastings County.

### Holiday garbage pick up.

Councillor Harrop asked about garbage pick up over the holidays. Through discussion with Tom Piszczek it was decided that pick up will be Wednesday, December 27th,

with commercial on Friday, December 29th and then January 2nd, 1990.

### Smoking legislation.

The Clerk-Treasurer advised of the January 1, 1990, Ontario Workplace Smoking Law and suggested that the Madoc Hydro Electric office be designated as a smoking area. Reeve Deline suggested the inclusion of the council chambers as well. Council carried a motion that these two areas within the municipal offices will be designated as smoking areas.

### Purchase of fire hall.

Council discussed the Madoc Hydro letter regarding the fire hall. Councillor Crawford said that when rent and now, maintenance costs are added it may

be best to look at buying the hall. A letter will be sent to Madoc Hydro asking them for a meeting early in 1990 regarding the purchase of the fire hall.

### Closed for holidays.

The municipal offices will be closed from December 23rd to December 31st for the Christmas holidays.

### Landfill site hours.

Councillor Harrop advised that the Landfill Site Committee is proposing alternate site hours and the report will be available for the December 19th meeting.

### Twin village.

The Clerk-Treasurer advised of his conversation with Belleville City Clerk Bill Moreton

regarding twinning. Belleville started by the Mayors discussing the idea, dignitaries then went over and reported to council at which time a resolution was passed supporting the twinning. Councillor Harrop will draft a letter to Port Madoc approaching them about the concept of twinning for the December 19th meeting of council.

## 'Tis the season

by Janice Pinke

"We don't want it too loud at any time" says Mary Pigden of Pigden Electronics, in regards to the store's airing of carols during the Christmas season.

The sounds broadcasted from speakers outside the store on Durham Street have come under scrutiny from a couple living across from the store.

Joe Tremain attended the November 28th meeting of Madoc Village council voicing his discontent towards the playing of the music.

Reeve Deline advised Mr. Tremain of the council's support for the music.

According to the council minutes, Mr. Tremain advised that his wife requires rest

between 1 and 3 p.m. each day and without it she is subject to a possible stroke because, according to Joe, because of "high blood pressure".

He suggested the music be shut off during this time period or turned down. Mr. Tremain also advised that he could provide medical evidence in support of his argument. Before leaving the council chambers Mr. Tremain thanked council for listening.

Council decided to advise Pigden Electronics of council's continued support of the playing of Christmas music during business hours with a request for minimum sound level between the hours of 1 and 3 p.m.

## Hastings County Warden to be elected December 13th

by Janice Pinke

The votes will be casted and tallied Wednesday, December 13th, and by that afternoon Madoc's Reeve Tom Deline could be the next Warden of Hastings County.

Running against Tom for the honorary position is current Warden Harry Danford, the Reeve of Rawdon Township and Bruce Davis, the Reeve of Maple Leaf, Ontario, a Village in the north.

The Hastings County council votes for and ultimately

appoints their new Warden. Tom says if he attains the honorary position he will "continue the normal tradition of County council". He also intends to "accentuate as much as possible the positive attitudes of all the people at the County level".

While running for Warden Tom adds that he has the full support of his municipal council as well as his family and present employer, Doug Hunter Ford of Madoc.

## MTM Hurricanes sign up a new player

by Don Miville

Jay Simpson was signed by the Hurricanes last week, and from what this writer saw last Tuesday, Jay might be the spark the team needs. He made some excellent plays, and has good moves. Once he has some experience playing with a regular line, we should see some improvement in the

team.

Jay comes to us from last year's Junior B Thorold team. He started with Queens this year, but is now attending Guelph. His experience with a tougher hockey division should pay off with his new team.

Welcome to the M.T.M. Hurricanes, Jay!

These four youngsters from Madoc Public School all placed first in their category for the Legion's poster, poem and essay contest held annually commemorating Remembrance Day. Jean Scott (l) and

Jean Aylesworth (r) of the Legion presented these kids with monetary prizes last week. (from left) Kevin Baxter got first place in the grades 4,

5, and 6 level for his poster. Erin Dixon in the same level placed first for her poem. In the grades 7 and 8 level Jackie Chinn placed first for her poster and Shannon Bateman for her poem.

## Legion honours winners of poster, poem and essay contest

by Janice Pinke

Last Thursday afternoon Jean Aylesworth and Jean Scott of Madoc's Legion Branch 363 were busy making their rounds of the Madoc Public School and the Madoc Township School presenting monetary prizes to those youngsters who were recognized in the first, second and third positions of the Legions annual poster, poem and essay contest.

In all 87 students entered the contest from the Village's public school and 58 from the Township's public school. All were recognized by the Legion and given a monetary token for their efforts. A total of \$560 was handed out by the Legion.

Those students placing first have already had their work forwarded to the Zone F3 competition and according to Jean Aylesworth, we won't hear how these pieces have

done until probably February or March.

Jean Scott thanked all the kids for their "marvellous efforts" and reminded them that they can still enter the contest when they graduate to high school.

Jean Aylesworth, expresses concern when she says that each year the Legion asks CHSS for entries from the grade nine level and the Legion never receives any.

The Remembrance Day winners of the poster, poem and essay contest sponsored by Madoc's Legion were presented their monetary prizes at the Madoc Township Public School last Thursday afternoon. There is only one

level out at the Township and this level is grades 4, 5 and 6, inclusive. Jean Aylesworth (l) and Jean Scott (r) from the Legion presented the winners their prizes. (from left) Julie Cole placed third for her poster.

er, Greg Chinn placed third for his poem, Angela Bear placed second for her poem, Rachel Hill placed first for her poster, Andrew Coakley placed third for her essay and Natalie De Clair placed second for her poster.

# Hurricanes on a streak!

by Don Miville  
Sunday, November 26, a day like any other day, except I WASN'T there!  
The Hurricanes took on the Frontenac Flyers and lost, again.

They (the Hurricanes) scored once in each period, but it wasn't enough, since the Flyers scored 6 goals to our 3.  
The goal-getters for the Hurricanes were Terry Dafoe, Jason Bailey and John Walker. Mike Kehoe, Jeff Sawkins, Mike Bancroft and Paul Mayhew all picked up assist points.  
This loss made it 3 in a row. NOT a record to be envied!

Then, on Tuesday, November 28, the Hurricanes made it 4 in a row, by letting the Ernestown Jets beat them 5-0.  
In the first period, the play was about even, in that the play was up and down the ice, with equal time in both ends. The shots on goal verified this, 14 by the Hurricanes and 12 by the Jets. Penalties were even at this point, 2 for each team.

With the score 0-0 going into the second period, the Jets scored 3 goals (with no penalties) as against the Hurricanes' 0 goals and 3 penalties. Again, the puck was equally divided in the respective

teams' ends. As a matter of fact, the Hurricanes, at one point, kept the puck in the Jets' end, but the Jets scored on a breakaway. At one point in the period, the Hurricanes were 2 men short, and STILL managed to hold off the opposition! Shots on goal in the second period: Hurricanes 10, Jets 14.

In the third period, the Jets scored twice, once on a power play, again in spite of play being equal, both in shots on goal, and time in opposing teams end. The Jets outshot

the Hurricanes 13 - 12 in the period. The damage was done to the Hurricanes by the TEAM itself. They took a bunch of cheap penalties, and found out that they just CANNOT SCORE A GOAL.

FROM THE PENALTY BOX!  
The Hurricanes play very well, in all their games, BUT

only for 20 minutes of the 60 minute game. Somehow they have to learn how to play 100%

for the entire 60 minutes!  
Maybe the next time (or is it - wait till next year)?

## Player of the week!

by Don Miville

The Canadian Tire "Player of the Week" for the Hurricanes, last week was: CURT

MORRIS.

The next home game is Tuesday, December 5, at the arena, where the Picton Pirates come for a visit. That

night has been designated "Student Night". ALL students who show their student I. D. card, will get \$1.00 off their admission price.

## Women's Institute to donate dance proceeds for Ultra Sound Machine

Cooper & Remington Women's Institute were the sponsors of a successful dance held at the Madoc Twp. Recreation Centre on Saturday, November 25. A capacity crowd danced to the country & western music of "The Land O' Lake Cruisers".

The proceeds of \$1200.00 will be donated to the Madoc Medi-

cal Centre toward a Therapeutic Ultra Sound Machine. Cooper & Remington W.I. would like to thank everyone that donated door prizes, sold tickets or gave monetary donations.

We apologize to anyone that could not get tickets, as this was a sell out event.

## Township school could receive Board money

by Janice Pinke

News that the Hastings County Board of Education was going to ask the Ontario government's Ministry of Education for millions of dollars for a five year plan in Hastings County, seems to have become an annual event for the County's board members according to Tom Burnside of Madoc Township.

The Board announced last week that it will request monetary assistance from the Ministry in the amount of \$53.9 million.

Tom Burnside was elected to represent Ward 3 (Centre Hastings) on the Board last year and says that "some years we ask for money and get nothing". "I can tell you right now we will not get all that we asked for."

The final decision is earmarked for the Ministry and Tom says that this amount represents "a list of projects as long as your arm" within the Board's area.

Burle Summers, the Director of Education for the Board in this area says they call the list their "wish list". Burle who was out at the Madoc Township Public School last Thursday afternoon making his annual visit to staff and students says that each year the Board does indeed present a five year plan to the Ontario government.

School is the only school in the immediate area included on this list according to our Ward 3 representative.

There are over fifty schools governed by the Hastings County Board of Education and projects needing upgrad-

ing within this area are for example, wheelchair access and equipment to keep up with the fire code regulations.

Director of Education

Burle Summers (l) the Director of Education at the Hastings County Board of Education was out at the Madoc Township Public School last Thursday afternoon visiting with Principal Art Gough (r) and students and staff. Its

an annual visit says Burle, which recognizes the efforts of staff and volunteers at the school. He stresses the importance reading, writing, spelling and listening for literacy purposes.

A special "Thanks" to all who made the evening of Saturday, November 25th a very wonderful, unexpected and greatly appreciated retirement party.

I would like to personally go to each of you and say - **THANK YOU!** - but I'm afraid it would take a long time to see everyone who was there.

So, again, I say thank you for the beautiful water colour by Pat Eplett-Hubbard and a great evening that I will long remember.

John Wagner

by December 7.

### CORPORATION OF THE TOWNSHIP OF MADOC PUBLIC MEETING

TAKE NOTICE that the Council of the Corporation of the Township of Madoc will hold a Public Meeting on Wednesday, December 20, 1989 at 1:00 p.m. in the Township Municipal Building at Eldorado, Ontario to consider proposed Zoning By-law amendments under Section 34 of the Planning Act.

THE PROPOSED zoning by-law amendments would change the zone category of two parcels of land as indicated on the map attached, from Prime Agricultural (PA) and at one point Extractive Industrial (M2) use to Rural Residential (RR) to more accurately reflect the current land use and to permit further development of the property for residential use.

1) Approximately fifty (50) acres of land in the north-east quarter of Lot 11, Concession 7, Township of Madoc; and  
2) Approximately forty (40) acres of land in the east side between Lots 6 and 7, Concession 7, Township of Madoc, lying between the 8th Concession Road and County Road No. 12.

ANY PERSON may attend the Public Meeting and/or make written representation either in support of, or in opposition to the proposed Zoning By-law amendment.

ADDITIONAL INFORMATION relating to the proposed zoning by-law amendment is available for inspection between 9:00 a.m. and 4:00 p.m., Monday to Friday at Madoc Township Office.

DATED at Eldorado, Ontario this 21st day of November, 1989.

W.G. Lebow,  
CLERK TREASURER

Madoc Village's Sharon Crawford receives her first year pin from ROS JoAnne Henderson at the 4H Achievement Night awards held last Wednesday night at CHSS.

## 4-H Achievement Night

by Janice Pinke

JoAnne Henderson, the regional officer (ROS) for the Hastings County 4H Club, was the MC for the 4H Achievement Night ceremonies held at CHSS last Wednesday evening.

Those in attendance included people from as far north as Bancroft, as far west as Springbrook and as far south as Ivanhoe. Over 100 people attended the awards ceremonies.

JoAnne noted the special work by the leaders saying "4H leaders do so much work and sometimes we tend to forget that". JoAnne does a lot of work and sometimes we all tend to forget that said one mother.

Skits were a part of the itinerary and were presented by each club. Lois Budd of Cooper/Remington/Eldorado received a fifteen year leader certificate. Members also listened to the annual report from Margaret Thompson, President of the Hastings 4H Leaders' Association.

A special mention was given to those 4H'ers who did a remarkable job on a collection of assignments. They included Nicole Fobear, who JoAnne remarked, had remembered her leaders on her 'me' page. Meagan Dixon and Vicki Finch were also given a special mention by the ROS.

Awards presented include first year pins to Sharon Crawford of Madoc, Barb Rivers and Linda Watson of Hart's Rigg's and Carolyn Drake of Bancroft. Ruth Rowe of Rylstone and Anne Brownson

of Springbrook received their five year certificates.

Six projects awards went to Angela Cosbey of Springbrook and Michelle Graham of Cooper/Remington/Eldorado (CRE). Twelve project awards went to Lorelei Rowe of Rylstone and Nicole Fobear of

CRE.

The evening adjourned with the 4H pledge; I pledge my head to clearer thinking, my heart to greater loyalty, my hands to larger service, my health to better living, for my club, my community and my country.

## News from Madoc Township Public School

The school advisory group met on Wednesday, November 29th. The advisory group discussed a number of matters and made recommendations relating to future actions.

One of the suggestions concerned the problem of the Christmas concert, since the Fire Marshall's office in Toronto has laid down loading capacities for the gymnasium,

has been a problem on how to accommodate all the parents etc. who wish to come to see and hear their children.

This year it was suggested by the Advisory Committee that the audience would sit on the floor then the seating numbers are greatly increased. Those wishing the greater comfort of chairs can

On Monday, the 27th, there was a practice fire drill and according to Vice-Principal Mrs. Mound "everything went fine".

On Tuesday there was another fire drill only this time it was not planned. A group of students have come forward to Mrs. Mound and the Fire Marshall giving information on how the alarm was pulled. Both are pleased the students came forward and hope they realize the seriousness and danger in a false alarm.

An investigation is currently in place.

## EVENTS CALENDAR

## Beauty pageant to kick off Groundhog Day Festival

by Richard Gleeson

"I'm just a little wee girl.  
I'm really shy. My name's

Dolly."

If you think about it long enough and in a certain kind of a way, you realize that these guys would have to have a lot of confidence in themselves, as men, to get dressed up in women's bathing suits and parade shamelessly in front of hundreds of people.

Frankly, I thought this was the type of thing that only happened in the anonymity of big cities. But it's happened in Stirling before and it's about to take place again - the All Male Beauty Contest.

The pageant, organized by Peter O'Neill, Dave Potts, Ron Reid, Joyce Mason and Burt Fluke, will kick off the Stirling Lions Clubs' second annual Groundhog Festival. The Lions held a press conference last Thursday (Nov. 30) to publicize the Festival and instruct this years flock of beauty contestants.

The group were notified of rehearsal dates and the judging format. Participants will be graded on their grace in evening gowns, their ability to entertain in a talent show, and the audience's ability to hold its lunch during a bathing suit contest.

Each of the potential crown winners are expected to

provide their own evening gowns and bathing suits (they were cautioned against suits with high-cut hips); sashes and makeup will be supplied.

In one reporter's humble opinion, this year's selection surely have excellent personalities and are gifted entertainers. Among those to be strutting across the stage are Mz. Oak Lake, Ted "Dolly II" Reid; Miss Holloway, Roscoe "Monique" Morgan; and Mz. Heaven, Bob "Virginia" Wright.

"Mr. Bob Barker" Craig Watson will be calling the show.

# Stirling Groundhog Festival

by Richard Gleeson

The slate is just about full for the Stirling Lions 1990 Groundhog Festival, but it's not too late to get involved.

Chairman Peter O'Neill introduced the long lineup of events to be held between January 24 and 28, and added that any "local, non profit organizations are welcome to come out and get involved."

The Festival came about to fill a winter-time void in the Lions' schedule of community

events. Traditionally held during the first week of February, the Festival was shifted to the last weekend in January to avoid conflict with the Marmora sled races.

A fundraising event, with the emphasis on fun, receipts will help the Stirling Lions do good work in the Community.

The weekend gets started early with an all-male 'beauty' contest at Stirling Theatre (7:30-9:30) on Wednesday and Thursday, with finals to be

held Friday evening. The contest has been a raging success in past years. The first show was held in '77 to raise money to build the arena, and got such a good response it was repeated a week later. The beauty contest held as part of Stirling's 125th anniversary celebration sold out the Theatre three nights in a row.

A look at the preview program will let you know the Festival is going to provide wintertime fun for all.

## Preview schedule

January 24 - Jan. 28

Wed, Thurs and Fri nights Beauty contest, 7:30 - 9:30 Stirling Theatre.

**Friday Night** -Beauty Contest Finals

7:30 - 9:30 -Teen Dance at Lions Hall

## Dreams can come true

Dreams do come true. Just as Michelle Coens.

The nine-year old member of the Trenton Figure Skating Club will step on to the ice Dec. 14 to perform in a show that features Canada's top national and international skaters.

Also appearing in the show, Royal Bank Champions on Ice, will be members of the Kingston precision skating team called the Kingston Kommotion.

For Michelle, the daughter of Russell and Ruth Coens, of Marmora, the chance to perform in show with Olympic and world class skaters comes after three years of training.

Michelle was selected to represent six local skating clubs: Quinte, Madoc, Tweed, Frankford, Prince Edward and Trenton Figure Skating Clubs.

She joined the Trenton Club in 1988 and has completed her preliminary figure, preliminary freestyle and junior bronze dances. Michelle is now working on her first figure, junior bronze freestyle and senior bronze dances.

Since learning she would appear in the show, Michell has been practising and perfecting her solo routine almost everyday in Trenton under the watchful eye of coach, Dolleen Foldeak Strum.

Her accomplishments to date have included two gold and two silver awards for placing first in the ladies Preliminaries at both the Trenton Interclub Competitions and the Eastern Ontario. Michelle also placed second in both the Preliminary Isolations and Interpretations at the Scugog Invitational.

Royal Bank Champions on Ice is a non-profit, all Canadian production made possible by the Canada Figure Skating Association and the Royal Bank of Canada.

Proceeds from the performances are used to pay honorariums to team members, support a junior skating development fund and assist local skating clubs. For instance, local clubs will receive a portion of the sale price of every ticket purchased for the Quinte Sports Centre performance.

Tickets to Champions on Ice are available at Briar Patch in Belleville, both Sam The

Record Man/locations (Quinte Mall and downtown Belleville), Smokers World in Trenton and at the Sports Centre on the

day of the show only. The two hour show begins at 7 p.m. Tickets went on sale on Nov. 22.

## News from Madoc Township Public School

Cont'd from page 6  
attend the afternoon performance. The problem of numbers is not present in the afternoon; it is the evening performance in which loading becomes an issue.

However, the concert is a delight. The children love performing. The parents love being there and observing. It is a great event by which Christmas is celebrated.

Coaches Jan Bruce and Kim Foley have been working very diligently with the two school teams as they prepare for the volleyball tournament which is to be held in Tweed.

Due to the painting of the school gym the time for preparation and practice has been greatly reduced, but not to despair, the coaches and the students have redoubled their efforts to do well at the tournament.

The work within the drama group is progressing well. The play is written. The casting has been done. The parents are working on costumes. The tour is as follows:

December 15th:  
9:30 - Prince Charles  
10:20 - Prince Charles  
11:10 - Quinte Secondary  
1:00 - Belleville Board office  
1:55 - Park Dale

December 20th:

9:30 - Centennial School  
10:20 - Bayside Public  
11:10 - CFB (Dixon)  
1:00 - Marmora Street  
1:40 - North Trenton

Anyone in Belleville or Trenton on those dates is welcome to take in one of the performances at one of the locations listed. This is always, each year, a great event. Our students at Madoc Township Public School learn a great deal about drama, audiences, performances, their own inner strengths and capacities and what it is to work as a team. This drama effort will be part of the school concert.

Plans are also being forwarded to have the drama group production done on TV.

Margaret Thompson (l), President of the Hastings 4H Leaders' Association presents Ruth Roue of Rylstone a certificate for five years of leadership efforts within the club last Wednesday night at CHSS. Over 100 people attended that 4H Achievement Night ceremonies.

## Something to be proud of

Operating a fleet of school buses for 29 years with only a few minor mishaps and absolutely no injuries is something to be proud of. And that is the record of one operator in Madoc Township.

A family-owned business since 1961, Joe Foley Bus Lines (Madoc) Ltd. has grown and expanded over the years to the ownership of 17 school buses, including three vans, a wheelchair bus for handicapped passengers and 13 large buses, all available for school charters and some for leasing. These buses cover 14 regular school routes daily, transporting students to seven different schools in the Centre Hastings area and feeder lines for Nicholson Catholic College in Belleville. Other schools served are Centre Hastings Secondary School, Madoc Public School, Madoc Township Public School, St. Carthage's Tweed, and in Marmora, Sacred Heart, Earl Prentice and the Senior School.

The latest additions to the fleet are two brand new flat-nose buses, the largest of which will carry up to 84 passengers. Some buses feature extra leg room, luggage compartments and interior racks. This makes them especially handy for travelling with sports teams that have equipment to carry with them to games.

The bus lines began with one route in 1961 when the Madoc Township Public School was first opened. In 1968 Queensboro School closed and the children were bused to the Township School. This route was awarded by tender to Foleys, as was the Millbridge route the next year when those students also joined the Township School enrolment. At around 1972, Franklin coach Lines of Marmora sold some of their school bus fleet to Foleys. In a couple of years, the route serving Madoc Public School and C.H.S.S. from the old Marmora Road area came up for tender and Foleys were the successful bidder on that. When the Bridgewater School at Actinolite was opened the first van was purchased and added to the fleet. Later more vans were purchased as the need arose to transport children from this area to the Separate School in Marmora. Until a few years ago, the late Joe Foley and his wife Pearl owned and operated the business.

As time progressed and the fleet expanded, the owner's son Duane became interested in working with the buses.

Duane, who grew up in this area, received his education at Madoc Township School, Madoc P.S. and C.H.S.S. He apprenticed at Whiteman's Service Centre in Marmora and in 1980 he graduated from Loyalist College as a Licensed Mechanic - a trade which he uses daily in the bus business.

In 1981 he came home to drive bus and serve as maintenance man for his Dad's buses. In recent years, Duane began proceedings to take the fleet to allow his parents to settle into retirement. At this time, Duane took on many extra school trips, noon Kindergarten runs in Marmora and Tweed, more feeder lines for Nicholson C.C. in Belleville, and late bus routes for C.H.S.S.

# Something to be proud of

Cont'd from page 13

Meanwhile, about 14 years ago, Carol Paraniuk, daughter of the elder Foleys, began keeping books and doing payroll on a part-time basis. A couple of years later, she

became full-time secretary at the office to take the telephone messages while keeping records. For a couple of years they have had a telephone answering service to catch any messages that might come in

at a time when there was no one available to answer the phone. In August of this year two-way radios were installed on each bus to enable the drivers to get in touch with base while on the road.

This year, also, Fred Nickle was hired as full-time maintenance man at the shop, where there is bus washing equipment, oil, grease, filters, etc.

Since he feels fellowship and communication are a vital role

in a smooth operation, Duane held an informal buffet breakfast at Two Loons, Moira Lake Lodge, on Wednesday, November 1st. Among those present were Ab Sinclair, Supervisor of Transportation for The Hastings County Board of Education; C.H.S.S. Principal Bob Bateman and Vice Principal Les Backus; and Principals Art Gough of Madoc Twp. P.S. Laurie Anderson of Madoc P.S. and Leone Reid of Earl Prentice School, Marmora; Sergeant Gord Benson repre-

sented the O.P.P. on behalf of const. Curt McLean, and the drivers and spare drivers of Foley Bus Lines.

Unable to attend were Brian Casey, Supervisor of Transportation for The Hastings Prince Edward Counties Roman Catholic Separate School Board; and Principals Tony Wringe St. Catharines School, Tweed; John Beard, Marmora Sr. School; and Mary Jane Goodfellow of Sacred Heart School, Marmora; drivers Bill Doyle and Bill Willemssen; and spare drivers Randy Rowe and Shirley Gauvreau.

Ab Sinclair, the school principals and O.P.P. officer each gave a brief talk on school bus procedures, touching on safety, discipline and weather conditions. Following this, some questions brought about an interesting conversation on the topics discussed. Duane reminded his drivers about a few little pointers and then presented the following employees with certificates in appreciation of the number of completed years of safe school bus driving for his company: Fred Nickle, 1 year; Vicky Madill, Bill Willemssen (absent) and Fred Wilson, 2 years each; Wilfred Lessard and Paul Quinlan, three years each; Wally Cromwell, 9; Lorraine Trotter, 10; Ted Foley, 12; Regina Ellis, 13; Carl Spry, 14; Marg Chapman, 15; and Bob Chapman, 18; Spare drivers Don Bailey, David Foley and Melvin Gordon were recognized for their part in keeping the operation running smoothly.

Congratulations was extended to each of the drivers, who were encouraged to keep up the good work. Thanks was extended on behalf of the participants and a social time concluded a successful get-together.

## OBITUARY

**HEDLEY KEITH SHAW**  
 Hedley Keith Shaw of R.R. 1, Eldorado, Ontario, passed away at Belleville General Hospital on November 21, 1989 at the age of 85.

Mr. Shaw was born in Eldorado, Ontario, the son of Joe and Maude Shaw.

He had resided all of his life on the home farm which was his birthplace.

Mr. Shaw was survived by his wife Olive May Peacock and a son, Cyril Glenn and his wife Isabella of R.R. 1, Eldorado. He is also survived by six grandchildren, Scott and Beth Shaw, Stirling, Karen, Debbie, Susan and Marty of Eldorado. He was predeceased by a sister Laura Shaw of Durban, Manitoba and a brother Finley Shaw of Eldorado.

Mr. Shaw was a farmer and was educated at Blakely's School, Eldorado.

He was a member of Eldorado United Church.

The funeral service was held at Eldorado United church on November 24 at 1 p.m. with Rev. Jeff de Jonge officiating. Interment was at Eldorado Cemetery.

Pallbearers were Carl Broadworth (cousin), Fred Bailey, Brian Gawley, and Percy Blakely (neighbours), George Reid and Floyd Wood (friends). Honorary bearers, Frank Blakely, George Palmer, "Bud" Palmer, Earl Blakely (neighbours) and Harry Brownson (cousin).

## Scoring for a good cause

Patrons and players attending last week's double header between Stirling Atom and Bantam A Blues and their Peterborough AAA counterparts made a great success of the rink's contribution to the Christmas Sharing program.

Sponsors such as Cooney Farms, John Wilson and Michaud's Carpets, B and T Sales, Stirling Homecare, and the Old Devils and Mean Machine hockey teams also contributed generously to the event's success.

The Christmas Sharing program is being carried out by

Stirling schools, and is aimed at making Christmas a happy time for all by providing needy area families with Christmas baskets packed with holiday giving.

In addition to the gift of giving, the fans were treated to two very well contested hockey games. Both the Atom and Bantam Blues are powerhouses in their own leagues, but they were up against unusually stiff competition from the Peterborough squads. The spirited competition drew excited responses from the crowd.

## Cooney Farms tie Peterborough

by Brian Cooke

In the first game Cooney Farms put their 17 game winning streak on the line against Peterborough's AAA Atom squad. Peterborough opened the scoring and after one period had a 4-1 lead.

Stirling came roaring back

in the second with three unanswered goals by Phillips,

Edwards and Sage. Peterborough regrouped and scored two more goals before the second period was over.

Stirling blues came out flying in the third and tied up the game before the 11 minute mark of the period. Neither team could manage another goal, leaving the game tied at six.

Goal scorers for Stirling were Blakeley, Phillips with two, Edwards and Sage, and Donaldson finishing off the scoring.

On behalf of the Cooney Farm Atoms I would like to thank everyone who participated in Friday night's Christmas Sharing program for Stirling Schools. It was a tremendous success.

## One period too many for bantam Blues

In the second game of the double header, the Stirling Bantam Blues faced off against the Petes AAA squad. After two very physical, close checking periods the puck had yet to get by either goalie.

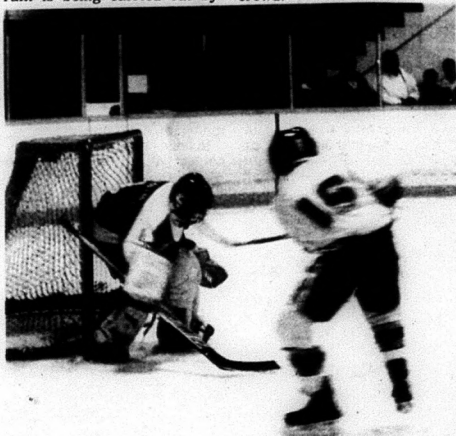

Whether it was the clean sheet of ice, an inspiring pep talk, or their size (one of the 14

year-olds stood 6 foot 2 inches and weighed in at over 200 lbs) the Peterborough team came out flying in the third, knocking in four goals. Tim Pell spoiled the shutout on a goal assisted by Trevor Torrance with just under two minutes left in the game.

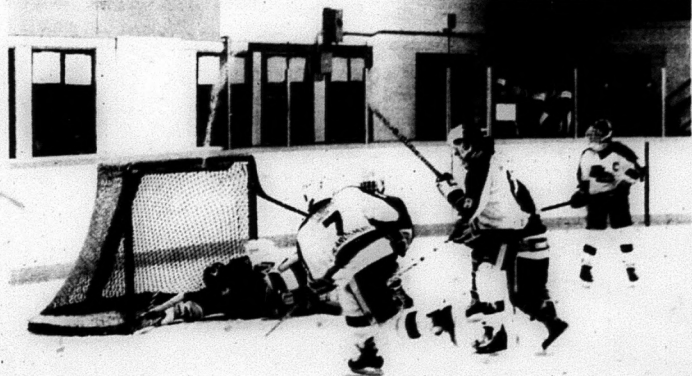

The Petes quickly dashed

any thoughts of a last minute comeback by replying with two goals soon after to make the final score 6-1.

The game was an excellent display of talent and effort by both sides, and for the most part a cleanly played contest, with only 3 minor penalties being handed out to each team.

Above: Tim Pell spoils the Pete's shutout at 1:52 of the third period. Top right: Event organizers, Rink Manager Barry Wilson and partner Richard Dean pose in front of a table covered with food donated by players and spectators.

Peterborough Bantam has the Stirling goalie at his mercy here, but doesn't take anything for granted as he drives it into the net. Right:

between games Junior House League players whirled onto the ice and were given a chance to poke it into the net for charity.

When we hear or read of some great act or work achieved, we wish at once to know who the person was. One such person, here in Campbellford, is Hal Bushey, Executive Director with the Campbellford and District Association for Community Living (CDACL).

Hal has a good head on his shoulders, brimming with useful knowledge and good suggestions. Whoever you are and whatever your condition in life, he is resolved to help.

Of course, throughout our lifetime, there will always be something which we cannot complete. The finest architecture will have some imperfection or defect. This thought should stimulate and not dishearten us. Let us see what is lacking and supply that lack if possible.

As in life, it is good for you to have special inclinations or goals and the gradual insight you gain of your own mind and character will help us right both your work in life and our particular studies.

But whatever your destined path may be, that is where Hal Bushey and CDACL comes in. CDACL is designed to meet the needs of the centre's clients who have problems working competitively, even in a sheltered setting, and each workplace contains a treasury of guidance.

**SUPPORTIVE INDEPENDENT LIVING PROGRAM** - Clients learn the skills necessary to manage their own household and are supported by S.I.L. counsellor in maintaining these skills.

**ARC INDUSTRIES** - A training centre for people with developmentally handicaps. They provide assistance and training necessary for them to live and work in their

## More Able Than Disabled by Barabara Pealow

### Behind the scenes with Hal Bushey

community.

**FAMILY HOME PROGRAM** - This program was established to give adults with developmentally handicaps the opportunity to live in a family type of environment, where they receive the appropriate supervision, encouragement and the opportunity to grow within the community.

**SUPPORTIVE EMPLOYMENT** - Everyone has the right to work. Being handicapped means there are certain things we cannot do. We can work and work hard.

**LIFE SKILLS** - The Life Skills Program provides pre-vocational and individual life skills training to support adults with development handicaps.

**INDIVIDUAL RESIDENTIAL CARE PROGRAM** - Share your home with a child who has a developmental handicap, teach a child new skills, provide new opportunities for learning and work as a member of a team.

**WARKWORTH CHURCH STREET RESIDENCE** - Just opened last October for the handicapped and adults with mentality of 12 to 18 months. There is also a relief bed on week-ends.

For more information about the Campbellford and District Association for Community Living, please contact: Hal E. Bushey, Executive Director, 28 Doysee Ave. S., PO Box 414, Campbellford, Ontario K0L 1L0 or telephone 653-1821.

P.S. Now that the "Think Tank" is rolling along nicely, give Hal a call. They already have 45 participants on the list. YOU be on the Bandwagon too!

### VON LOOKING FOR DONATIONS.

Two years ago, the VON opened the Quinte Branch of the Victorian Order of Nurses, which serves a continuous palliative care program. This program provides care to dying patients who wish to remain at home. They have cared for many such patients in those two years.

As this program is not government funded, they rely on donations from the community to support this program. Donations may be left at the VON office at the hospital or by mail to: The Victorian Order of Nurses, Quinte Branch, 469 Dundas Street West, Trenton, Ontario K8V 3S4. Telephone (613) 392-4181.

### USEFUL HINTS:

Here are several easy ways to OPEN CANS:

1. There are can openers on the market which have levers that you can operate with one hand. If your can opener does not have such a lever, use a sponge to hold the can up while you use the lever to start the

cutting wheel.

2. If your can opener is a wall-mounted type, and you have the use of only one hand, you may be able to use your chin to press the lever while your good hand holds the can in position.

3. To open cans that have a twist key, such as sardine and canned meat tins, give yourself more leverage by putting a spoon handle through the head of the key.

4. When using a punch type can opener, as you would for canned milk or tomato juice, put the can in a drawer and press the drawer shut against it with your hip while you use both hands on the can opener. It may be necessary to put a book or folded towel under the can to raise it above the edge of the drawer.

### EXERCISE BIKE

Motorized exercise bikes to accommodate the needs of people with varying degrees of disability, are available from Holl Meditronics Inc. The Moto-med RF-11 is a sturdy exercise cycle which can be used for people with heavy paralysis and spasms. It can be equipped for hospital use. The Moto-med Pico is for people with light and medium paralysis. It is mainly for use in the home.

For more information contact: Holl Meditronics Inc., P.O. Box 396, Bolton Ontario L7E 5T3. Telephone (416) 857-6867 or fax (416) 857-6079.

**SMILE** - Speeches are like steer horns - a point here, a point there and a lot of bull in between.

### RECIPES

This is a famous old Georgia recipe.

### GEORGIA CHRISTMAS PUDDING

1/2 cup chopped walnuts or pecans  
1/2 cup sugar  
6 egg whites  
1/2 cup chopped raisins  
1/2 cup sherry wine  
1/4 cup of rum  
1 tsp lemon juice.

Soak the nuts and raisins in the wine and lemon juice for at least 8 hours, overnight if possible. Beat the egg white stiff, add the sugar and beat till rosy. Fold in the wine soaked nuts and fruit. Put into a buttered dish. Set in a pan of water. Bake at 350 for one hour. Serve with the following sauce.

Make a custard of six egg yolks, 1/4 cup sugar and 1 1/2 cups of scalded milk. When smoothly thickened, flavour with rum and serve on the Christmas pudding.

### HOT CINNAMON CIDER

3 quarts cider  
1/2 cup or more red cinnamon candies  
1 1/2 tbs whole allspice  
4 tbs honey

Heat cider, cinnamon candies and allspice to boiling, reduce heat, cover and simmer 5 minutes. Remove allspice, stir in honey. Makes approx 24 1/2 cup servings.

### DIGGING OF HOLES IN ROCK AND INSTALLATION OF ANCHORS

Ontario Hydro invites contractors to submit tenders for the digging and/or drilling of holes in rock for 99 poles and installing 71 anchors to rebuild circuit R8S/R9S on Hwy. 30 from Meyersburg to Campbellford, Ontario.

Site visits may be arranged by contacting Mr. Brian Bronson, Regions Lines Technician, Belleville, Ontario, telephone (613) 962-1266, extension 348. Further details are contained in the tendering documents.

Work is to commence January 2, 1990 and be completed by February 15, 1990.

Tender closing 12:00 midnight, local time, Wednesday, December 20, 1989.

Tendering documents (Ref. File No. 0125) may be obtained WRITE/visit

## Let's rock the boat

'Politicians are sitting on their asses to avoid rocking the boat... In the past few weeks we've seen how well they do this. Audon Against Poor Waste Management (R.A.P.W.M.) has made several presenta-

tions to the (Centre and South Hastings Waste Management Master Plan) steering committee showing that:

1. The consultants' methodology in finding potential landfill sites is flawed.
2. There are absolute

constraints existing on all three of the remaining 'candidate' sites. (How I love that word 'candidate'!) The selection process sound like one of the three sites is going to be the recipient of some great honour and reward...)

3. The consultants and steering committee are allowing the rules of the selection process to be changed whenever it suits them in order to keep the (flawed) process going.
4. The steering committee persists in allowing the consultants to continue spending our money though it must be plain even to a village idiot that none of the three remaining sites are suitable for use as a megadump.
5. R.A.P.W.M. has offered several times to take the steering committee on-site and show them the problems. To date, no one has bothered to come.

It would appear that the consultants are going to go all the way to an Environmental Assessment with their impossible selections. And why not? They can't lose because they will be paid no matter what happens...

Have you had enough yet? How about this... One of your representatives on the steering committee was so bored at a recent meeting he took advantage of the darkness during the Waste Management Incorporated slide show to catch up on his beauty sleep. Now that's what I call being responsive and well informed.

Keep up the good work, steering committee and consultants! Soon we'll have a nice, huge engineered landfill site in Rawdon like the one near Campbellford... only three years in operation and already

polluting the waterable with leachate.

Now have you had enough??? Okay then, the thing to do right now is to get in touch with your local council members and demand that they stop wasting your tax dollars on this foolishness. Tell them that putting a megadump on a bad site will guarantee massive groundwater and waterable pollution when the dump starts releasing leachate.

Please do it now so our children will have clean water too...

(note: columnist is a member of R.A.P.W.M.)

# The Rural Scene

by Ken Yarrow

by Ken Yarrow

The Ontario Federation of Agriculture annual convention is over for another year. Some of the highlights were as follows.

First and foremost, we had an all around election. The positions were for president, running were Jack Wilkinson and Brigid Pyke (the incumbent). Brigid retained her seat with an approximate 2 to 1 majority.

1st. vice-president re-elected was Roger George. 2nd vice-president became a 3-way contest between Jack Wilkinson, Nancy McGill, and Ed Segworth.

Jack Wilkinson won that seat. Jack had previously been an elected representative to the executive and resigned to relocate his farming operation. With this now firmly established, he has returned to a more active part in Federation affairs. Many will recall him as an energetic and outspoken person who I am sure will be an asset to our organization.

The four appointees to the executive from the board of directors: Donna Stewardson, Ed Segworth, Earl Saar, and Bill Weaver. Donna and Bill are newcomers to this position and time will tell their capabilities. They both have been very capable active directors and we wish them the best as they confront new challenges and

responsibilities at the executive level. There were 8 hopefuls for this position, but only

one ballot was required. To appreciate the significance of this, one has to understand that in order to win, the person must get 50% plus one of the eligible vote.

The Honorable Jim Bradley spoke and forewarned of tougher environmental regulations dealing with industrial discharges and cleanups. Farming did not get off scott free as he indicated that there are areas here that are being scrutinized.

While I think of it, I read an article, recently quoting Tom Nobles (Reeve of Sidney Twp.) saying that Ed (?) Bradley was opposed to incineration such as proposed for Glen Miller.

This strikes me as strange because I attended an opening of a wood chipper plant in Brampton a few days prior to that statement. Mr. Bradley officially opened it. I had about a fifteen minute discussion

# Gypsy Moth update

By Bob Penwell,  
Management Forester  
The gypsy moth caterpillar continues to cause moderate to severe defoliation in many parts of Southern Ontario. In the Lindsay District during 1989 the total area of defoliation increased to 4071 hectares from the 861 hectares reported in 1988.

The major increase occurred in Peterborough County particularly in the Buckhorn Lake area northeast of Peterborough where defoliation doubled from the 1988 figure of 1593 hectares. Figures for Victoria County for 1989 show only 35 hectares of moderate to severe defoliation down from the 385 hectares of 1988.

Gypsy moth generally prefer species such as oak and poplar, but will consume a wide variety of species if the population is high. Most hardwood species will refoliate during July but conifers such as white pine and spruce will not survive if totally defoliated. Contact your local Ministry Office for more information on the gypsy moth.

## MANAGED FOREST TAX REDUCTION PROGRAM

Woodlot owners still have till

December 31, 1989 to apply for the 1988 Managed Forest Tax Rebate. The 1988 rebate equals 100% of the municipal taxes levied on managed forest assessment for owners of woodlots four hectares or greater. The rebate program was established to encourage the proper management of private forest lands.

To be eligible for the rebate, the forest portion of your land must meet the definition of a managed Forest which includes one of the following criteria:

1. If the forest is 10 hectares or greater on one parcel of land or any number of adjacent parcels of land under the same ownership then you would qualify as long as livestock does not roam in the forest, and if cutting took place in 1988, that it was done in accordance with good forestry practice.

2. Woodlands under the Woodlands Improvement Act or the Forestry Act of lands managed under the direction of a registered professional forester.

The forest must contain one or more of our native tree species such as the pines, spruces and/or a variety of hardwoods and contain a minimum number of trees per

hectare related to the size of the trees. You must be a Canadian Citizen or a permanent resident of Canada, own the property and be prepared to certify on the application that the forest portion of your property meets the definition of a managed forest.

Every rebate under this program is paid subject to the condition that if the managed forest ceases to be a managed forest within ten years, the person who owns the forest at the time must repay an amount equal to the total rebate together with 10 percent interest per annum.

For a pamphlet describing the program in more detail contact your nearest Ministry office.

## The Rural Scene

Cont'd from page 7  
personally with him and at no time during the discussion did he indicate to me that incineration would no longer be considered for waste reduction to landfill sites.

GATT negotiations were of course discussed and the main concern was what might be lost to agriculture in the process.

G.S.T. did not escape criticism, but fell short of being opposed by resolution. Main concerns were with the impact on farmers to maintain additional accounting required to

conform with the demands.

Possibly at a later date, it would be better to deal with some of these issues individually as they are complicated and lengthy.

To sum it all up, I feel we had a good convention and am certainly happy to see the healthy status of the organization reflected by the number of qualified people willing to stand for office. These positions are extremely time demanding and can be a strain both on the individual as well as their families and own farm operations.

## Norwood and District Community Care

# Local organization going from strength to strength

In the forefront from the start of efforts to create and crystallize a county-wide "umbrella" community care network, the Norwood District Community Care (NDCC) group and its new coordinator, John Penman, "looks forward to getting the group going from strength to strength."

Mr. Penman assumed his new office at the end of October.

He had served as the NDCC's vice president and sat as one of the vice chairman on the board of the Peterborough District Community Care (PCCC) organization, the parent group to which Norwood and other municipalities with communi-

ty care operations is affiliated. He has also put in long hours as a volunteer and helped with office work at the NDCC Pine Street headquarters.

There is no doubt about it, Mr. Penman is "looking forward to the challenge" that local chairperson Kathy Milroy, in making the appointment, has offered him.

An assessment of some of the things the NDCC and its 30 volunteers has to offer in the Norwood, south Dummer and Asphodel areas suggests the strengths and possible areas of expansion for the group.

### Meals on Wheels

The Meals on Wheels pro-

gram is "the most important program at the present time," Mr. Penman said.

While most of the deliveries are in the village, he said, this is one program where a geographical expansion should be part of the service.

They would have to investigate with the supplier, Mr. Penman said, to see how well this could be accommodated.

They average between 8-9 meals per Wednesday delivery and have been as high as 12-14. Most Meals on Wheels clients use the service once a month.

We could handle up to 15, he said, adding that the current number of five drivers and "runners" is "comfortable at the moment."

There is also a "solid core" of 45-50 who attend the once-monthly Diner's Club and the Home Maintenance program is also "very well received," he said.

Mr. Penman said they were "extremely fortunate" to have good teenagers who help out with the home maintenance program.

### Valuable social contact

We receive very good reports, he said.

They would like to advance in some areas of home maintenance, like eavestrough cleaning, which they don't provide now but the program is a valuable part of NDCC.

A prospective client simple phones the NDCC office and Home Maintenance chairman Arnold Stevenson makes arrangements for them. The worker is paid on an hourly minimum wage basis.

It is very much an arrangement between the client and the worker. The relationship between the home maintenance worker and the client often becomes quite close, Mr. Penman said.

"They enjoy the regular contact."

One area that they would like to see develop is Reassurance Checks.

We hope that that shall develop. They're a lot of people who could do with reassurance telephone checks, he said.

This could tie in with Friendly Visiting which already has several volunteers who make regular visits to some homes. It is a one-to-one system that allows an elderly person to have a volunteer help with shopping, trips round the visit, or occasional evenings out.

It provides important social contacts, Mr. Penman said.

The NDCC's Transportation Program, organized by Max Scott, is a "good system that is being used more and more," Mr. Penman said. It has "developed nicely" and people are calling to use it.

There is a close liaison between Maplevue, Pleasant Meadow Manor and us, he said, and there are quite a few drivers who help out with things like trips to doctors, clinics and some shopping.

There are regular visits to Campbellford and Peterborough and some shopping trips to Norwood, Havelock and Hastings, he said. We have even taken folks to Toronto.

We try to link men with men, he said, and there are three ladies on call as drivers. We

Cont'd on page 13

Photo by Bill Freeman

Santa magic: Santa was in Norwood Saturday and captivated everyone who streamed into the Town Hall. Neither the bitter weather or driving snow would deter youngsters from visiting

with the grand old man. He seemed prepared for even the wildest of gift requests.

Photo by Bill Freeman

# Norwood and District Community Care

Cont'd from page 12

just ask for 24 hours notice so we can make sure there is a driver.

And while this provides a valuable social contact for the clients, it is also an "outlet" for the volunteer who feels that he or she can be of assistance, Mr. Penman said.

In talking about transportation assistance, Mr. Penman said that the PCCC would like to get their handicapped van on the road.

The van is already in Peterborough but "technicalities" are keeping it off the road, he said. They would like to see it start in January.

In this, Mr. Penman said, the local community care group does want to know what the needs are in this area for the services of the handicapped van.

It can carry six or seven people depending on whether there are wheelchair or non-wheelchair passengers.

The van has been used privately and was donated to the PCCC by the Lakefield Legion. Finding a driver with the special licensing to operate the van has been one of the problems.

Mr. Penman enjoys his

contact with the umbrella PCCC organization but stresses the valued independence of local groups.

"I'm quite delighted to do the extra work," he said about meetings, seminars and workshops he and other Norwood community care volunteers attend with their PCCC affiliate members.

It gives you a broad perspective of what's going on otherwise you become parochial and blinkered, Mr. Penman said.

There are PCCC rules and guidelines, he said, but there is "leeway for local situations." This is understood by Peterborough and the executive director and the locals.

Each has a slightly different method of utilizing volunteers or may have pet projects, he said.

In Norwood, the volunteers are very active and willing to do the work, Mr. Penman said. There is also a great deal of interest in things that the NDCC is doing which translates into good attendance at local board meetings.

They are always free to disagree, he said.

"There is a cohesiveness amongst the group that has

helped the idea of community care to take off."

The various local program co-ordinators are "actively co-operative with ideas," he said.

Right now, Mr. Penman would like to see the NDCC office open in the afternoons but that would require more volunteer help.

In the long run, enlarging the services already provided and looking at prospects in other program areas would be objectives.

Coming to grips with the reality of the Ministry of Community and Social Services funding cutbacks at the county level is something else the PCCC and its affiliate groups must address.

In the future, 30 per cent of the PCCC's budget must be found elsewhere, Mr. Penman said. We are already a member of the United Way but it will be necessary for locals to "think in terms of raising funds as well."

We have talked about this, he said, but there are no set plans yet.

The challenge is there and it helps to be in Norwood which, Mr. Penman said, "is a very nice place to be."

'It's just wonderful' - St. John's organist Helen introducing the instrument to the Stirling Wright inspired onlookers to song with her community, playing during last Saturday's open house

## LETTER TO THE EDITOR...

### Clearing up a misunderstanding

Dear Editor,

I would like to clear up some misconceptions that may have arisen from the article in the Midweek Section last week regarding the RAPWM meeting of November 22.

Firstly, I did not say that the PAC will always be looking for the median line. I actually spoke about the position of the PAC as being in the middle. The PAC is working to maintain an objective stance between the requirement of ensuring public participation and the waste management process. This has not and will not preclude us from taking a hard line when circumstances warrant it.

Secondly, I would like to point out that Rawdon is represented on the PAC as are all the other participating municipalities except Tweed, which position has been vacant since

last spring despite efforts to fill it. I was not trying to keep RAPWM out. The Rawdon seat is simply not vacant.

I also poorly expressed my personal feeling that a citizens' group would do better to maintain its independence. Strong citizens' groups are as much a part of the process as are the PAC, the Steering Committee, the MOE and the consultants. We cannot represent every opinion held by the public but we do work to ensure public involvement in the process. The PAC actively supports the development of groups such as RAPWM as a valuable and necessary community voice in this process.

Waste management requires your participation. You can make a difference. Look at your garbage, remember where it's going and think

about what you can do to reduce the volume. Every little bit helps.

Apply in person to CRAIG ARRINGTON OR KAL OJAMAE.

(705)653-2300  
Hwy. 30 South Campbellford

## Human relationship seminar

The ability to work with other people is vital to the success of a marriage, a partnership or an employer/employee relationship. The East Central Agricultural Employment Services is offering a seminar for those involved in a farm business to assist in coping with the everyday pressures and demands dealing with people.

It is important to be conscious of human needs and working relationships so the seminar is designed to give participants ideas, information and skills to deal with this aspect of management.

Guest speakers will be Mr. Blake Benon and Reverend Roger McCombe. Mr. Benon is the Human Resources Manager for Cuddy Farms, Strathroy and has been involved in a multi-farm

enterprise. Rev. McCombe is a secondary school teacher, Anglican Priest and Police Chaplain in Ingersoll. He is well known for his humorous and in-depth understanding of human relationships.

The seminar date is January 25, 1990 at the Nestleton Community Centre, 9:30 a.m. to 3:30 p.m. Pre-registration is \$20 for employer and spouse and \$10 for each additional person in the group. For further information contact Rolly Coy, Port Perry at 1-800-263-3825.

## CRIME OF THE WEEK

Quinte Crime Stoppers in co-operation with area police forces are seeking assistance in solving several Break, Enter and Thefts at Self Service Storage units throughout the Quinte area.

Over the past year, storage areas in Belleville, Trenton and other areas have been the target of thieves. The losses in these occurrences have, in most instances, been very substantial.

Police reports indicate that the culprits usually arrive at the Storage areas where they feel there will be no one around. The locks are cut off of the doors and the thieves enter and remove the articles and leave the scene.

The stolen items are usually sold to individuals or to second hand shops or may possibly remain in the possession of the thieves themselves. The items range from bedroom suite to televisions, to VCRs to heavy appliances such as refrigerators and stoves.

Auto and automotive parts and constructive equipment have also been favorite items for thieves. Often times the thefts are not realized for some time as the occupants don't check the compartments regularly. This gives the thieves time to dispose of the items before the thefts are reported to the police.

If you are aware of any persons who are responsible for break-ins at these Storage Sites, or if you have been offered quality merchandise at an unbelievable price, then Crime Stoppers would like to hear from you at 1-800-267-4357. Callers will not be required to reveal their identity nor testify in court.

**Cancer can be beaten.**

Please give generously.

## CARD OF THANKS

THE Dosaj family wishes to thank everybody who donated books for the Starehe Boys School in Kenya. The response was heartwarming. Over 1200 books are now packed and will be shipped in January, 1990.

WE Would like to thank the Madoc Community Services Organization and their sponsors for the gift of a lovely Family Bible, on the occasion of our Fiftieth Wedding Anniversary. We truly appreciate your thoughtfulness. Leslie & Marion Blakely

## Incident isn't isolated to just Montreal

by Janice Pinke  
 Last Wednesday night a disillusioned man senselessly gunned down fourteen women at the University of Montreal in Montreal. His obvious hatred

for women was the motive. 'If you think the possibility of this kind of thing only happening in Montreal and not in Madoc then you are largely mistaken' according to Gail

Cole of the Centre Hastings Safe Homes Environment which is designed to aid battered women.

The day before that, Tuesday, around 3:30 p.m. Madoc

OPP received a call from an RR4 Marmora woman who said she had been threatened in her home by a man with a gun. OPP from Madoc and Campbellford responded to the

call and found the man gone and the woman uninjured. Mark Thompson, 30, of RR4 Marmora is charged with threatening to kill, pointing a firearm and use of a firearm in the commission of an offence.

Gail Cole says that the Safe Homes Environment has recognized an increase in wife battering and family violence reports in the last year. They have also recognized the fact that there has been an increase in the number of incidents where a weapon has been involved.

If you are scared or even suspicious that something may happen to you, you are urged to call Safe Homes at 473-4229, 24 hours, collect if you have to.

If you have been threatened with a firearm or weapon Safe Homes will take "legal steps to have the weapon(s) removed from him or his home" says Gail Cole. Safe Homes is a refuge for women and children. It's there to help you get away from the abuser/batterer. They will put you in touch with lawyers, supply counselling and provide that added assurance you need.

### MADOC

Three years ago Brenda Conley (nee Stire), only 23 years young, of Cooper, was stabbed to death by her estranged husband in Oshawa when she went to retrieve her children by way of a court order she held in her hands.

Within the last two years two more women have also lost their lives at their husbands

Cont'd on page 16

### Get real

Centre Hastings Adult Day School students and staff began the sale of their real

Christmas trees last Thursday, a day earlier than expected. The trees are six or seven feet

high and cost \$15 a piece. Proceeds from the sale of the trees goes towards the school's

rent. Fran London (front and center) says the students sold their first tree one hour after the trees arrived last week.

## Take the ride or take RIDE, it's your choice

by Janice Pinke  
 A RIDE (Reduced Impaired Driving Everywhere) program comprised of volunteers was one of the suggestions provided at a meeting November 23rd between the community and the OPP at the Kiwanis Centre.

One resident made reference to this type of RIDE program set-up in Pembroke, Ontario.

Community Services Officer Curtis McLean contacted Pembroke and found out that this program is run by the auxiliary OPP and not by volunteer citizens.

At this time of the year especially, says Curtis, our auxiliary OPP are called for duty. "More concentrated" efforts of the RIDE program got

underway recently for the Christmas holiday season. Curtis says the RIDE program will be more visible now, even though RIDE operates year

round. There will be "as much RIDE as time and personnel will allow" says Curtis.

As reported in last week's

release from the OPP, district nine OPP checked nearly 3,000 vehicles in a three day period.

Let's not drink and drive.

### We're on the lake five days earlier this year

We're on the Moira Lake five days earlier than last year according to last year's papers of the Madoc Review. Last year Len and Doug Ure

of Madoc were on the lake first with their fishing hut on December 13th. This past Friday and Saturday more than half a dozen huts were

visible to motorists on Highway 62 passing between the two lakes.

Anyone know who was first this year?

## LETTER TO THE EDITOR...

### Dear Editor,

The energy planning decisions made over the next few months will affect the people of Ontario for years to come. It is essential they understand what is at stake, and participate actively in the public discussion and review of the Demand/Supply Plan which Hydro has developed.

Since 1984 Hydro has been assessing Ontario's future electricity needs, along with the available options which could be employed to meet those needs. The Demand/Supply Plan is the product of that work.

I expect that the plan will be approved by Hydro's Board of Directors, and delivered to the

government, before the end of the year. The Corporate Relations office in Belleville will provide background information; discuss any particular information requirements you may have and coordinate the information release on announcement day.

Following the announcement an extensive public information program is planned. Local Hydro managers will be able to help you and your staff meet your information needs in the weeks following the announcement.

Yours Truly,  
Norm Manning  
Corporate Relations

## Legion to recognize seniors

by Janice Pinke

Students at the Centre Hastings Adult Day School have busy helping the Legion prepare for a turkey banquet to be held at the Legion this coming Friday beginning at 6:30 p.m.

It's the first of its kind for the Legion who have organized the banquet for those Legion members aged 60 and over. The reason, "to recognize the seniors," says Fran London.

The free dinner is being

prepared by the Legion's Ladies Auxillary. There will be a dance to follow which is open to all Legion members.

## Dates to Remember

**Dec. 13 - Immunization Clinic at the Health Unit from 1-2:30 p.m.**

**Dec. 16 - Hastings County Board of Education Concert Choir perform at Madoc's Presbyterian church beginning at 7 p.m.**

**Dec. 19 - Special Christmas 'Dabber Bingo' games. It starts at 7 p.m. upstairs at Madoc's Legion Branch 363.**

**Dec. 23 - Candlelight Service at Hazards Church beginning at 7:30 p.m.**

## Diaper service means waste management

by Janice Pinke

Trying to do her part to curb the battle against the overcrowding of our landfill sites Debra Parks and her son Roy have been soliciting for the help of other mothers, hoping they will follow in their steps.

Debra's idea is to have a cloth diaper service from outside Madoc service this area since there is no such service established here.

However, all of the companies Debra has spoken to which offer this service have denied her service because of lack of customers here in the north.

Debra says she has found the door to door service would be cheaper than the store bought non-bio-degradable diapers and she needs between ten and fifteen other moms from the area to join her. "This is the only way these diaper services will come up here."

Debra's son Roy is 26 months old and Debra says she started using cloth diapers when Roy was two years old to combat the "polluting of the environ-

Expectant mom Debra Parks and her son Roy, 26 months, want other mothers to join them on a crusade to have

a cloth diaper delivery service make its way to Madoc but they need ten to fifteen other moms to help make it possible.

ment". Debra has another child due any day now and says that she doesn't want to have to head into Madoc's laundromat facilities every other day to keep up with the washing produced by using the cloth

diapers.

Debra says she has had no luck in getting moms to answer her advertisement placed in other papers and she is hoping you will call her at 473-4157 after 2 p.m. or 478-5479.

## A seventy per cent discount

by Janice Pinke

The Village of Madoc has got household compost bins available at \$30. The regular price of the bins is \$100.

They are kept outside the house and the Village has

ordered 200 of them. Madoc Township has also ordered a whole bunch so if you want one you should call either of these offices and reserve yours. \$30 a piece is a bargain and it is all a part of something that is inevitable: waste management.

Wybeke Tjaardstra, Chairperson of the Public Advisory Committee on the Waste Management Study says that there are "various opinions of what goes into them (the bins)". She says they are mostly filled with food items, although some people tend to steer away from meat products because it could attract wildlife. Kitty litter, a little earth, lawn clippings, "anything organic really," says Wybeke.

Contact your local municipal office for more information about the compost bins.

The parking lot was full and so was the hall for the benefit dance held for Monica and Ed Tobin (inset) of Madoc Township who lost their home to fire

a couple of weeks ago. Donations for the couple were in excess of \$7000. The dance was held this past Saturday at the Madoc Township Rec Hall.

# O.P.P. REPORT

## Young offender charged.

Madoc OPP charged a young offender with possession of a stolen automobile on December 3rd. The police attended a motor vehicle accident near the Central Cheese Factory in Rawdon Township and after checking they found the vehicle had been stolen from Hamilton.

## Impaired.

A twenty-six year old Tweed man was charged with impaired driving on December 2nd. William Juby was charged after Madoc police located his vehicle in the ditch.

Juby is scheduled to appear in Belleville Provincial Court on January 11, 1990. Juby was also charged with the following: failing to apply for permit on becoming an owner, driving motor vehicle with no insurance, defaced licence plate, liquor readily available.

## In the courts.

Twenty-four year old Christopher Barcier of Belleville was sentenced to two days in jail for failing to comply with conditions of his recognizance. Barcier was arrested by Madoc OPP on December 1st after he was observed wander-

ing in the Village of Madoc in an intoxicated condition. He had been released earlier that day by a Justice of the Peace in Peterborough on his own recognizance. He was held at the Quinte Detention Centre in Napanee until his court appearance on December 6th in Belleville Provincial Court.

## Young offender charged.

A young offender pled guilty in Family Court in Belleville on December 7th on a charge of take motor vehicle without owners consent. The youth received a suspended sentence

Cont'd on page 16

The above students at Madoc Public School raised, individually, \$40 dollars or more during that school's Hush-a-thon held recently at the school. These students were each presented

with a Madoc Public School hat. A total of \$4,475.10 was raised by the 217 students who participated. Those students

raising the most money were: Primary Division, Randy MacMillan \$75; Junior Division, Keith Miller \$159; Intermediate Division, Ryan Francis \$70.

## NOTICE

The December 1989 Regular Council Meeting will be held in the Council Chambers December 19, 1989, commencing at 7:00 P.M.

Doug Parks  
Clerk-Treasurer

Sue Morley (l) and Brenda Hagerman of Madoc have started their own business called the 'S & B Skating Boutique'. Demands for their merchandise has meant that they have had to make three trips to Toronto for more stock in the last three weeks.

## S & B means Skating Boutique

by Janice Pinke  
While in Toronto doing some shopping just over three weeks ago, Sue Morley and Brenda Hagerman of Cooper inquired

about bringing the figure skating merchandise they were shopping for, back to Madoc.

These ladies had gone to Toronto because of a "lack of inventory" in the area. They were shopping for men's figure skates and young ladies test outfits.

Sue and Brenda inquired about wholesaling the Toronto store's inventory here and once they found the rights to the line in this area were currently unclaimed "we phoned our husbands for the money" says Brenda.

The response the 'S & B Skating Boutique' has received in the last couple of weeks has meant that Sue and Brenda have had to go back to Toronto three times to stock up. "The response has been much better than we expected" says Brenda.

She says that the size of the Madoc and District Figure Skating Club has doubled in the

last two years and both agreed that this kind of merchandise needs to be re-introduced into this area.

The two ladies say they both really enjoy working together and since the 'S & B Skating Boutique' opened nearly a month ago they have been to Stirling, Tweed, Belleville and Madoc arenas and other possibilities include Bancroft, Campbellford and Napanee. They hosted a house party in Brockville last week.

For more information call Sue at 473-2323 or Brenda at 473-2436.

**CARAVELLE**  
by BULOVA

Give  
her a

# Fraser and Szilvassy and Hubbard are hot

by Janice Pinke

This month marks yet another first anniversary for Studio 737, an art gallery and gift shop.

It's appearance from the outside hardly does what you can find inside justice but owners Joe and Arja proudly boast the fact that their gallery is the largest gallery between Toronto and Ottawa featuring strictly original work by artists and artisans alike.

Located on Highway 7 one mile east of Highway 37, the gallery has hosted buyers from across Canada, the USA, Australia, New Zealand and Great Britain. "There were days in the summer when we had probably 100 people through the gallery" says Arja.

Altogether there are 34 artists displaying their work at

Studio 737. 18 of these are local talent and there are an estimated 20 artisans who have chosen Studio 737 as home for their work.

Don Fraser of Queensborough has had his artwork there since the Studio opened on year ago. Since that time the price of his work has doubled in price.

Mr. Fraser studied under the tutorage of Franklin Carmichael, one of the 'Group of Seven' artists. He can paint with either hand and accepted an invitation for an exhibition of his work at the Tom Thomson Memorial Gallery in Toronto. Joe claims that Don Fraser is probably the most highly acclaimed Canadian artist and his work has a definite 'Group of Seven' influence.

At Studio 737 Don's paintings sell at a speed of approximately 16 every two months.

Owner Arja Palonen is a self taught artist and her work is also one of the top five sellers along with Madoc's Pat Eplett-Hubbard and Laszlo Szilvassy.

Arja stresses however that "all of the artists have done well and it wouldn't be fair to point to just a few artists when they are all deserving of a mention".

Joe says there are over 300 pieces of original artwork for you to critique and choose from. Joe gets very upset when it comes to the topic of 'prints'. He claims that original artwork is an investment, "don't be fooled into thinking that prints are". Prints cost approximately \$30 to be produced according to Joe.

With Arja as the artist, Joe is

the Studio's framing expert. He says his prices are definitely one of the cheapest in all of Ontario, but his work isn't. Presently Joe is working 12 hour days just to keep up with

the demand for his framing techniques.

You can call Studio 737 at 478-3059. They are open most days and evenings.

Artist Don Fraser of Queensborough studied under the tutorage of Franklin Carmichael, one of the 'Group of Seven' artists. His work

(above) along with other area artists is displayed at Studio 737 which is celebrating its first anniversary. Don's work has doubled in price in the last year.

## Hurricanes break jinx

by Don Miville

Last Tuesday, the Hurricanes took on the Pictou Pirates for the third time this season. In the previous 2 matches, the Hurricanes tied one game 6-6, and won the second game, 9-2.

For this game, the Hurricanes were on a 4 game losing streak, and needed a win if for nothing else than morale.

In the first period, the Hurricanes looked like they had the world by the tail. They kept the puck in the Pirates' end for almost 17 of 20 minutes. They outshot the Pirates 14-9, and scored 1 goal on a power play. Brian Moore put the puck past the Pirate net-minder, after gutting a pass from Jamie Sydock and Greg Fleming. There were 8 penalties in this period, 4 for each team, totalling 8 minutes per team.

The second period started off well, but deteriorated into some clashes of personalities between the players. The Hurricanes picked up a total of 8 penalties for 16 minutes, as against the Pirates' 4 penalties for 8 minutes.

In spite of the Pirates outshooting the Hurricanes in the period, 14-10, the Hurricanes scored twice, once on a power play, and the Pirates scored once, also on a power play. The goal-getters for the Hurricanes were: Shawn Chapman from Greg Fleming, and Jay Simpson (our new player) from Brad Phillips.

The third period started out where the second left off. 10 penalties were recorded for the Hurricanes, for a total of 20 minutes, as against 11 penalties for the Pirates, totalling 20 minutes.

## CHSS NEWS

y is organizing team within the e who are inter- racing tech- e interested in OSSA in Febru- announcements before the Christ- s Christmas l be held on e senior assem- morning. The consist of live concert bands as first and second s and a 'hillbilly

band' made up of a local fiddler and two teachers. There will also be a short skit from some members of the senior boys volleyball team, creative writing and art contest presentations. It will be the first appearance for the new President and Vice-President of our student council.

Student council elections have been postponed until the 19th since there was only one nomination returned for each position.

On December 15th there will be a Christmas Auction.

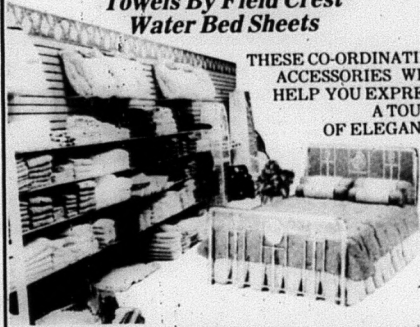

Teachers will bring in gifts that will be auctioned off to students and staff. The money raised will then go to a local charity. There will also be a Christmas Sharing Box in homerooms. Students must bring things which are no longer needed from home or non-perishable foods and these will be given to the Salvation Army in Tweed.

Mr. Reeves' OAC students will be travelling around to all the local public schools this week to perform a play and to do a workshop with the students.

**D.Q. Novice Blues get win, tie**

by Nancy Sage

The Stirling Dairy Queen Novice Blues played two games this past weekend in T.V.L. action.

In their first match the Blues came from a 3-0 deficit in the first period to tie Frankford 6-6. Matthew Foran scored twice for the Blues and assisted on two other goals. Other marksmen were Brett Dafoe, Kelly Sage, Curtis Watson and David Campbell.

Nicholas Bertrand and Jay Simmons each were credited with two assists. Eric Lessard and Chris Nunn collected one each.

The Blues next met Lakefield and came through with a 3-0 victory.

Curtis Watson, Matthew Foran and David Campbell were the snipers with Brett Dafoe and Eric Lessard as the set-up men.

### Real estate course structure to change at Loyalist

Beginning January 1, 1990, those interested in a career in real estate will complete the first segment of their licensing program through a correspondent course.

Applications for the new Phase 1 correspondence course are now available through the Continuing Education department at Loyalist. Students must complete the

course within a specific period of time, and must provide proof of successful completion of Phase 1 in order to enroll in Phase 2.

Phases 2 and 3 of the course, required to complete the licensing criteria, will be offered through Loyalist College at various times throughout the year.

The real estate courses are

in high demand, and are usually among the most quickly filled of any offered through the Continuing Education Department, said Dan Holland, Manager of Continuing Studies.

For more information, contact Loyalist College, 962-9501, ext. 408, or the Quinte & District Real Estate Board, 969-7873.

## Skating draw!

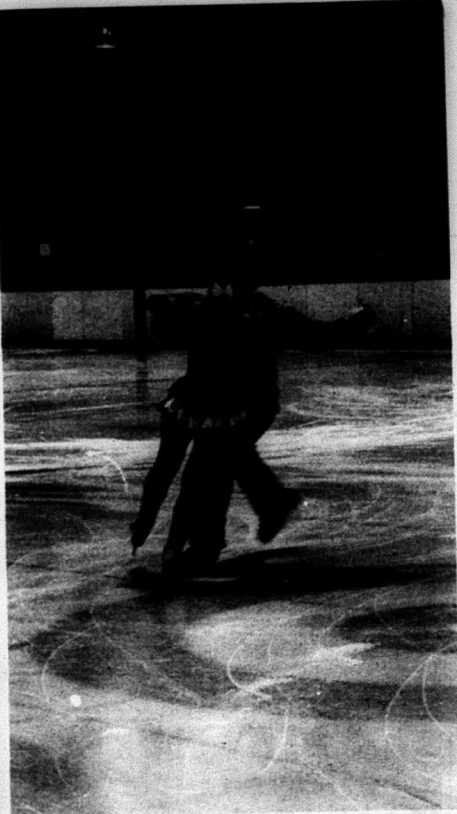

by Janice Pinke

The Madoc and District Figure Skating Club has got a draw happening they want you to buy a ticket for. Proceeds go towards the Club which has doubled in size in the last two years.

Tickets are available throughout Madoc and from Club members.

First prize is a \$50 gift certificate for dinner at the Two Loons Restaurant. Second prize is a reindeer from the Reindeer Factory. Third prize is a Christmas Cheese Basket from Eldorado Cheese. Fourth prize is a food basket donated by Madoc's IGA and fifth prize is a Christmas broom from Sharon's Boutique and Gifts.

The draw will be held December 18th.

Kim Whittaker takes her test at 'High Test Day' at the Madoc arena this past Sunday. Over 200 skaters were tested from across Hastings County and Belleville.

minute team from the previous  
2 weeks! Keep it up fellows!  
We said you were capable of  
doing it - now continue.

I would like to pass comment  
on our new player, Jay Simp-  
son. As I said previously, he  
has some good moves, and  
picking up 1 goal and 1 assist in  
last Tuesday's game, bears  
this out. If he can do this after  
playing only 1 game and NO  
practices with the team,  
imagine what he can do with  
team experience!

## HURRICANE LOTTERY TICKETS

If you did not purchase your  
ticket yet, then you are TOO  
LATE! All the tickets have  
been sold - all 400 of them.

The draw takes place at the  
game, at the arena, on Decem-  
ber 19th.

The Hurricanes wish to  
thank, and salute, the volun-  
teer bus drivers for the team:  
Bob Chapman, Kevin

McLaughlin, Bill Willemsen,  
Don Bailey and Dave Gene-  
reux. Thank you guys!

## Player of the week

by Don Miville  
The 'Canadian Tire Player of  
the Week' for last week was:

JOHN  
WALKER

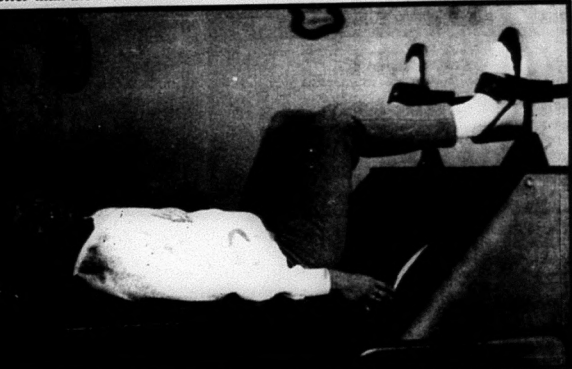

The game here on Tuesday,  
December 12th, has been  
designated 'PARENTS  
NIGHT', meaning all the  
parents of the Hurricane play-  
ers will receive FREE admis-  
sion to the game. The Hurri-  
cane will take on the Fronte-  
nac Flyers at 8:00 p.m.

This will be their fourth  
meeting of the season, and the  
Hurricanes will be looking for  
their first win over the Flyers.

May the warm glow  
of Christmas  
light up your life.

# Low low prices...

by Janice Pinke

Last Thursday the grand opening for the all new Madoc 'thrift shop' drew an estimated 40 persons into the shop in five hours. Most came out because of the low prices which compare to those of the Salvation Army in Tweed.

Most bargain buyers were surprised at the quality of the clothes. One should remember that these clothes are yours and mine which we no longer fit into or fancy.

The new shop is located in what was formerly known as Campbellford Travel on Russell Street next to Your Choice Hairstyling and across from the Madoc parkette.

Kay Peacock (left) of the

Centre Hastings Community Resource Network, Ruth James (middle), Gail Cole (absent) and Sharon O'Donoghue (absent) of the Safe Homes Environment and Helping Hands are the four ladies and three organizations credited with the opening of such a store in Madoc. (right) Kate Readman is a resident already volunteering her services to the non-profit store.

Donations will be warmly accepted at the shop during its hours of operation which is 10 a.m. to 3 p.m. Tuesdays, Thursdays and Saturdays.

Support three worthy organizations and the ladies who have taken their time to get such a store working!!!

\* These offers may not be combined. Retail buyers choosing a reduced financing rate in lieu of cash rebate are eligible for 6.9% financing over a maximum 24-month term. Other low financing rates for longer terms available with approved credit. Special financing a rebate when you purchase or lease any new 1990 or prior year Tempo or Topaz. Delivery must be taken from dealer inventory. Example: \$10,000 financed over 24 months at 6.9% APR, the monthly payment is \$447.77, the cost of borrowing is \$734.48. Assuming a rebate of \$750 as the alternative, should you choose a reduced financing rate instead of the cash rebate, legislation requires that the amount of the rebate must be included in the cost of borrowing in order to arrive at an effective interest rate. In the example given, the effective interest rate would be 13.66% and the total cost of borrowing will vary depending upon the amount financed, term of loan and financing rate. Financing offer on 1989 models includes dealer participation. See Dealer for details. \*\* Cash back and APR offer ends December 31, 1989. You may keep the cash or apply it to your transaction. Cash back offer on 1989 models includes dealer participation. See Dealer for details. † Lease rate calculated to provide similar value. ‡ Best selling claims based on calendar year 1988 R.L. Role Registrations. \*\*\*\* Special Value Package #101A (Tempo), #331A (Topaz). May not be immediately available at all dealers.

The MTM Hurricanes played against the Picton Pirates at Madoc's arena last Tuesday night bringing their record against the team to two wins and one tie.

Read more about the game in Don Miville's Hurricane news.

## News from Madoc Township P.S.

Recently Mike Thorne and Art Gough visited the Leslie M. Frost Centre located at Dorset, Ontario.

On the occasion of the visit both visitors worked with Ron the block in the focus of the visit and the topics to be studied. The students of the Madoc Township Public School on their visit will study such items as: Trapping, Deer Yard and Forest Management.

The visit will commence on Wednesday February 14th and conclude on Friday February 16th. Dormitories will be provided for the overnights. A camp run kitchen will provide the six meals. Programme will be provided by Ministry personnel with the Madoc Township Public School staff working in support.

Centre Hastings Secondary School visits Madoc Township Public School

In the near future Yvonne Mabo, a teacher at Centre Hastings Secondary School, will visit Madoc Township Public School along with a number of students. The focus for the visit will be the presentation of Drama to the school's two divisions. The programme prepared by the Centre Hastings Secondary Students will be different for each division.

This visit comes at an appropriate time. The student body at Madoc Township Public School are preparing for the school concert on December 19th and they are particularly alert to performances and will be appreciative of the efforts of the C.H.S.S. students.

Once again this is an example of the interaction of the students of Hastings County schools. Students from Madoc Township Public School will visit two secondary schools in Belleville (Quinte and Centennial) to perform in our school play. It is a great time of year for this kind of visiting and sharing.

### SAFETY COMMITTEE

Mary Goulah, chairperson of the Madoc Township Public School Safety Committee conducted a meeting of her group on Friday December 1st. A number of important items were addressed, concerns relating to the upcoming school concert on Tuesday 19th December and the seating capacity of the gymnasium were expressed. The matter of the seating restrictions would be referred to the school Advisory Group for an opinion and advice.

Other Safety concerns were reviewed. Plant Department of the Hastings Board of Education were thanked for their fine and prompt work for the following:- 1. Step repair - doorway to staff room  
2. Driveway pole guard installed

Regarding the on road parking the matter now rests with the cars remaining as they are with the provision that the cars be removed for ploughing purposes. The co-operation of Tom Bruce, Madoc Township Roads department and Dave Barnes and Bill Genereaux of the Hastings County Board of Education was appreciated.

# Highlights of Elzevir/Grimsthorpe council minutes

The Elzevir and Grimsthorpe Township Council met in the Council Chambers on Monday, November 20, 1989 at 7:00 p.m. Reeve, Jack Robinson, presided over the meeting with Deputy Reeve, D. Brough, and Councillors, G. Best, S. Roy and T. Stephens in attendance. It was moved by D. Brough and seconded by T. Stephens that the minutes of the last meeting be adopted as circulated. Carried.

A bid for the installation of carpet and tiles in the addition

was presented from Bob Bush. It was moved by G. Best and seconded by S. Roy to accept the bid from Bush's Carried.

A bid for drapes was presented from Bill Marlin. It was moved by D. Brough and seconded by G. Best to accept the bid from Bill Marlin. Carried.

The Clerk informed Council that the Road Superintendent had requested permission to purchase new tires for the 1984 Ford Truck. The Council decided that he should obtain

two estimates on the cost, in addition to the one he already had.

It was moved by T. Stephens and seconded by D. Brough that the Township Office be closed during the week between Christmas and New Year's 1989. Carried.

The Clerk presented the list of 1989 tax write-offs. It was moved by T. Stephens and seconded by G. Best that the taxes for 1989 be written off as of the enclosed list. Carried.

The Clerk presented the total

1989 Library grant. It was moved by D. Brough and seconded by T. Stephens that the Tweed and Madoc Public Library Boards be paid one-half of the total grant, carried.

An application from Paul and Lynne Courneya for a re-zoning amendment was presented. It was moved by T. Stephens and seconded by S. Roy that the Clerk proceed to administer the re-zoning of Part Lot 5, concession 5, Elzevir Twp. Carried.

It was moved by D. Brough

and seconded by G. Best that the Clerk and Reeve sign the agreement prepared by the Clerk regarding the private road in front of the Paul Courneya property, carried.

An invitation from Champion Road Machinery Co. to attend a display is presented. Councillor, S. Roy planned to attend.

An application from Roberta Ramsay was presented for a severance to enable the United Church, Queensborough, to purchase a strip of land containing the new well for the Church. It was moved by G. Best and seconded by D. Brough to approve the severance. Carried.

An application from Charles Reavie for a severance was presented. It was moved by S. Roy and seconded by T. Stephens to approve the severance. Carried.

It was moved by G. Best and seconded by T. Stephens to receive and file the following correspondence:

1. A request for a grant from the C.N.I.B.

2. A request re a grant from the Salvation Army

3. Information re the 1990 ROMA Convention. Carried.

It was moved by G. Best and seconded by D. Brough to receive and file the following correspondence for information:

1. Centre and South Hastings Waste Management Board - copy of agreement;

2. Minutes - Public Advisory Committee;

3. Employer Health Tax information re OHIP

4. Workers' Compensation board - 1990 rates;

5. Clerks' meeting Maynooth, Nov. 22, 1989;

6. Ministry of Tourism & Recreation: Re: addition - balance of grant approved for payment;

7. Ministry of Revenue - re sales tax refunds;

8. Province of Ontario - Notice of hearings re Freedom of Information Act;

9. OHRP liens registered - 12300047 and 123200043;

10. Minutes - M.R.C.A. Madoc Library Board;

11. Ministry of Housing - Rental Housing Protection Act;

12. Cabinet Office, Prov. of Ont., re resolution re pesticide and herbicide containers. Carried.

G. Best adjourned the meeting, to meet next on Dec. 4, or at the call of the Reeve.

A study by the British Psychological Society has found that traditional medical approach to disability is negative and devaluing, implying that disability is a tragic loss, and often results in depression among physically disabled people.

The studies based on interviews with disabled people, stressed that the adverse effects on mental health of disabled people results from being placed in an unnecessarily passive, powerless, and dependent role.

The report which was added to the study recommends "far greater attention to be given to empowering people with disabilities to act as experts on aspects of their problems, to improve their ability to take informed decisions and learn strategies for self-management."

The report supports the recommendations of a report from the Prince of Wales Advisory Group on Disability in 1985, that all services add six key principles:

1. choice about living options;
  2. consultation with consumers;
  3. information to disabled people and families;
  4. recognition of the shortcomings of the medical model and;
  5. autonomy in personal decision-making;
  6. participation in community and national life based on equal opportunities in access, housing, employment, education, mobility and leisure.
- (British) Labour MP David Blunkett, who is blind, says in a preface to the report: "Expecting people to be grateful for whatever options are

## More Abled Than Disabled

by Barbara Bruce-Pealow

### Medical approach to disability causes depression

put before them, is unacceptable. Too often, the concentration on the repair of the body neglects the emotional crisis within."

The final report was sent of all MPs, health districts and disability organizations. It is available from the British Psychological Society, 48 Princess Road East, Leicester, LE1 7DR, United Kingdom.

**TTD DISCOUNTS EXTENDED**  
Telecom Canada has agreed to extend the 50 per cent discount on long-distance TTD calls.

By the end of 1990, Telecom Canada will give the discount for all long-distance calls within Canada that are made through Message Relay Centres. The discount will also apply to operator-assisted calls within Canada, including Calling Card calls. It will apply to other calls inside Canada such as non-MRS calls to the disabled and non-MRS calls from work made by deaf people.

With these changes, almost all long-distance calls within Canada involving deaf people,

will get 50 per cent discount. But remember, you have to apply to your phone company for the discount.

**CAD/CHS 50TH ANNIVERSARIES**

The Canadian Association for the Deaf and the Canadian Hearing Society will both celebrate their 50th Anniversary in 1990.

CAD AND CHS will hold joint celebrations along with the CHHA (Canadian Hard of Hearing Association). It will be held in mid-May of 1990 in Toronto. It will be the largest event of deaf and hard of hearing people in Canadian history. Each of the three organizations will hold its annual General Meeting during this week-long event. There will be workshops and a conference on education for the deaf and hard of hearing.

Stephen Lewis, who was leader of the Provincial NDP Party and Canada's Ambassador to the United Nations, will be one of the guest speakers. Prime Minister Brian Mulroney has been invited to be the keynote speaker.

Mark your calendars now! Plan to attend the biggest deaf celebration in Canada!

**SMILE:** "Joe," snapped his wife, "didn't I hear the clock strike two as you came in?" "You did, my dear. It started to strike ten, but I stopped it to keep it from waking you up."

**APPLE BREAD-STUFFING IN CASSEROLE**  
6 cups of toasted bread cubes  
2 cups chopped apples  
1/2 cup onion flakes  
1/4 cup celery flakes  
1/4 cup butter or margarine, melted

3 tsp poultry seasoning  
1 1/2 tsp salt  
1 tsp parsley flakes  
3/4 cup stock or water  
1 lbs butter or margarine  
Combine bread cubes and apples in large bowl. Mix onion and celery flakes with 3/4 cup water; let stand 5 minutes. Sauté in 1/4 cup melted butter about 5 minutes. Add to bread apple mixture with remaining ingredients. Mix well. Place in buttered 2 quart baking dish. Dot with butter. Bake in a preheated oven 375, 30 minutes, serves eight.

**CHOW! SEE YOU NEXT WEEK.**

Creation never looked better - A new business has opened its doors in Campbellford. It is called Creations of Campbellford and is owned and operated by Rose Marie Maybee (1) and Sharon Garneau. The ladies sell ornate little nick nacks and gifts. Right now have some very nice real looking artificial Christmas trees.

# OPP report

## Conservation Corner... by A.Engel

### Letter time

Let's write a letter to the Hon. Jim Bradley, Ontario Minister of the Environment. Send it to him at Queen's Park, Toronto.

Tell him that too many manufacturers are shirking their responsibility for reduc-

ing waste by going to disposable bottles and jars. Ask him to pass a law banning the use of disposable bottles and jars for food and drink. Suggest that he implement a 'phasing in' program with grants to ease the costs of conversion within a

certain time. A tax should be placed on all bottles and jars that don't meet the requirements. Sizes and shapes should be standardized to simplify collection and redistribution to individual companies.

Get the rest of your family or a friend to sign the letter with you before you mail it.

Please do it now while you're thinking about it. It's worthwhile because returnable jars and bottles mean resources and waste disposal costs saved. The beer brewers have been recycling their bottles for years. There's absolutely no reason why the rest of the food and beverage industry shouldn't be doing the same.

\* These offers may not be combined. Retail buyers financing a reduced financing rate on May of cash rebate are eligible for 6.9% financing over a maximum 24 month term. Other low financing rates for longer terms available with approved credit. Special financing is available when you purchase or lease any new 1989 or prior year vehicle on dealer lot. Dealer must be listed from dealer inventory. Example: \$10,000 financed over 24 months at 6.9% APR, the monthly payment is \$474.70. The cost of borrowing is \$724.80. Assuming a rebate of \$750 as the alternative, should you choose a reduced financing rate instead of the cash rebate, legislation requires that the amount of the rebate must be included in the cost of borrowing in order to arrive at an effective interest rate. In the example given, the effective interest rate would be 15.60% and the total cost of borrowing will vary depending upon the amount financed, term of loan and financing rate. Financing offer on 1989 models includes dealer participation. See Dealer for details. — Cash back and APR are the effective interest rate on 1989 models. You may keep the cash or apply it to your financing. Cash back offer on 1989 models includes dealer participation. See Dealer for details. — Lease rate calculated to provide similar value. Best selling claims based on calendar year 1988 R.L. Poll's Report. — Special Value Package \$1014 (Tempo), \$2214 (Mustang) may not be immediately available at all dealers.

321 NORTH FRONT ST., BELLEVILLE  
613-962-9141

PETERBOROUGH AND DISTRICT CRIMESTOPPERS WILL PAY UP TO \$1000, for information that leads to an arrest in any serious crimes. Callers never have to reveal their identity or testify in court. Crimestoppers phone number is 1-800-461-6555.

Madoc Detachment received a report on Dec. 3, approx 3.30 p.m. that a Rawdon Township woman had been threatened in her home by a man carrying a gun. Further information suggested the man had left the residence and the woman had not been injured. Officers from the Madoc and Campbellford Detachments responded to that area.

Police arrested 30 year old Mark Thompson of R.R.4 Marmora at his residence in Rawdon Township at 5.00 pm that evening. The arrest was made without incident. Thompson has been charged as follows:

1. Threatening to kill —sec 264.1(1)(A) Criminal Code of Canada
2. Pointing a firearm —sec 86(1)(A) Criminal Code of Canada
3. Use of firearm during commission of an offence —sec 85(1)(A) Criminal Code of Canada

Thompson was remanded to the Quinte Region Detention Centre for a bail hearing held in Belleville on Dec. 7, 1989. Sgt. G.E. Benson and Provincial Constable M.J. Donovan were the investigating officers.

### RETRACTION

On Nov. 25 there was a report of Damage to Mail boxes in the R.R. 1 Campbellford area. The five mentioned as being charged, will not be.

There was a single vehicle accident on County Road 38 in Seymour Township on Dec. 10. Terry Dale of Bramalea was driving a 1987 Celebrity south-bound when he lost control causing the vehicle to enter the ditch and strike a tree. Dale was taken to Campbellford Hospital with a passenger, Farrah Murray of Toronto. Dale received minor injuries. The vehicle was severely damaged.

Jason Ayrhart of R.R. 4 Campbellford reported his bicycle stolen on Dec. 2. The bicycle was left parked behind Gunn-Johnston Gifts on Bridge St. E in Campbellford. The bicycle is described as a CTC 15 speed mountain bike, white and blue in colour. It is valued at \$189.

Two local males have been charged with Mischief after they set a vehicle on fire. Charged is a male Young Offender, 17 years, and Terry Beavis of R.R. 5 Campbellford. The vehicle was a 1978 Ford, belonging to Lewis Campbell of R.R. 1, Campbellford and was set on fire in the Campbell driveway, in the early morning hours. Both parties have been arrested and are in custody.

Four wheel caps and four chrome pieces were stolen from the wheel of a vehicle parked on the Kal Ojamae Ford Dealership lot on Dec. 7, 1989. Value of the stolen property is \$200.

# Campbellford S

The top two farmer curling teams - The annual Farmers Curling Bonspiel took place last week with the team skipped by Bryce Rowe of Campbellford squeezing past a team skipped by Dave Foote also of Campbellford. Above is the winning team receiving their trophy from Don Pollock representing the bonspiel sponsor Empire Cheese. There are: (l-r) Claude Moran, lead from Frankford, Bryan Bagg,

second from Toronto, Bryce Rowe, Skip and Brian Reid, Vice, both from Campbellford. Below is the second place team which lost out by a 1/2 point. They are: Scott Drummond, lead and Dave Foote, skip both from Campbellford, George Burkitt, Vice and Owen Harder, second both from Belleville. There were 16 teams that took part in this curling event.

## Campbellford Atom A's win B Championship

by Debbie McKnight

**NOVICE HOCKEY**

LEAGUE  
Ryan Toms had a hat trick to lead the Seymour Estates to a 5-1 win over the O.P.P. team. Carrie Petherick scored on a scramble in front of the net with Travis Beaudoin assisting. Josh Cork chipped in with a single marker. Other assists were by Ryan Toms and Amy McKnight. Jason Sagar scored the only goal for O.P.P.

Dixie Lee defeated Redden's 5-1. Alex Jeffs scored twice, Ben McClure and Scott Filip scored one each. Other goal scorers were unavailable.

**NOVICE A**  
Campbellford Graham Flor-

ists' Novices recorded two losses and 1 win this past week.

In league play Frankford ousted the locals 12-5. The game was much closer than the score indicates, with Campbellford leading 4-3 in the second period. Frankford exploded with 9 goals in the last half of the game. Carl Doohar had a hat trick, with Jeff Petherick and John Hay adding singles. Assists were by Petherick and Ryan Bennett.

In Stirling, Campbellford was defeated 4-1, again, holding the opposition until the late going. Tied 1-1 going into the third period, Stirling scored 3 unanswered goals for the win. Josh Adams scored the only

goal with assists going to Jeff Petherick and John Ferguson.

In exhibition play Campbellford beat Trenton 2-0. Carl Doohar and Jeff Petherick each scored one with assists by Josh Adams and John Ferguson.

**ATOM "A"**

Sharpe's Market Atom A's split a pair of league games, the first being a 6-4 win over Marmora. Kevin Cork scored three times with Paul Turner, Ashley Taylor and Curtis Hay rounding out the scoring. Mike Reid assisted on 2 goals with other assists

Flames. This was the first goal scored by the  
Flames who went on to route the Lakefield  
squad 8-0.

## Flames humiliate Lakefield

Flames did a hockey team High School as come by a score e was the most season so far. played fairly out Lakefield's their ineptness e more runs at players and the players didn't

both sides were scoring in this out 12 minutes

with a great effort. Then he deked the goalie who came up with a remarkable stop, but the rebound bounced off of a Lakefield defender and into his own net.

The third goal came through the dogged effort of Dan Findlay who wound up with the puck at the side of the Lakefield net and took a good shot which was stopped by the visiting side's netminder. Dan Picked up his own rebound and put the puck into a wide open net over a sprawling goalie.

Lakefield just got rid of the puck deep into the Flames end to facilitate a line change. Seeing this 'Flame's goalie Andrew Nicholas came out of his net and passed the puck to Findlay who fed a pass to Kirk Fleming who moved the puck over the Lakefield blueline and was well covered but ripped a wrist shot high on the stick side past a stunned netminder.

The first period end with a 4-0 lead and although Andrew Nicholas the Flames netminder was not tested severely he did come up big when called upon in the first period and throughout the rest of the game and deserved the shut out.

The second period saw

**FUN IS NOT NECESSARILY MEASURED  
BY THE THICKNESS OF YOUR WALLET.**

Polaris believes you shouldn't have to spend a fortune to have fun. Which is why we built the Sprint ES and the Star both full-sized snowmobiles, and the only machines in their class with Polaris' exclusive direct drive.

The Sprint ES is one of the lowest-priced twin-cylinder (340ccs) snowmobiles available, yet it comes with the kind of features the competition charges extra for. Electric key start and a speedometer are standard, for instance.

The Star is the lowest-priced full-sized sled on the market, but it features the same hassle-free Capacitor Discharge Ignition and oil injection you'll find on all our other sleds, and a 244cc single-cylinder engine.

NOTHING BEATS THE WAY WE'RE BUILT.

## Flames humiliate Lakefield

Cont'd from page 9

Campbellford continue their dominance as they popped in another four goals with Findlay, Fleming, Rowe and McMillan netting one each.

Other assists in the game went to Rob Carleton and Bob Ward with a pair each and sinles to Fleming, Findlay, Rowe, McMillan, Kirk Cork and Brad Barton.

One of the more outstanding defensive displays was put on by Defenseman-Kirk Cork. He had a two on one against him and played it so perfectly that the visitors failed to get even one shot on net in that rush.

Another fine defensive effort was shown by the penalty kill crew. Twice the Flames found themselves two men short for a

minute and forty seconds and for one minute respectively.

The total number of shots Lakefield took on net during these two-man powerplays was one shot. At one point during these sequences the Flames even held the puck inside the Lakefield end for 30 seconds. That's total domination!

## Campbellford Atom A's win B Championship

Cont'd from page 8

tallied by Turner, Little and Kyle Wilson.

Then came a 7-3 loss to Brighton. Scoring in a losing cause was Kevin Cork, on a pass from Ashley Taylor, Spencer Little and Sean Nicholas, assisted by Curtis Hay. Scott Metcalf showed off an outstanding glove hand all game long in goal for Campbellford.

The team travelled to Norwood for a tournament on Saturday. After losing 6-4 to Keene in the opener, Camp-

belford went on to win the B final beating Norwood 5-1, after defeating Peterborough St. Anne's 4-3 to earn the spot in the final. A great team effort was shown in all 3 games. Travis Turner was named M.V.P. in the final game.

PEEWEE "B"

Campbellford Peewee Bs were defeated 3-2 by Ennismore. Ennismore led 2-0 for most of the game before Chris Towns and David Donald each scored to tie it, on assists by Matt Hubble and Jason McKnight. Ennismore scored the winner late in the game to record the win.

BANTAM "A"

Campbellford hosted it's annual Bantam Tournament on Saturday. The locals pounded St. Anne's of Peterborough 8-1 in the opener. Deryk Roberts scored a hat trick, with Brad Turner and David Roberts each scoring 2. Assist-

ing were Roberts, Turner, Jason Young, Bill Larcombe, Sean Savage, Dion Palmateer and Derek Hay. Campbellford was blanked 4-0 by Picton in their second game for an early exit. Picton went on to win the A Championship on a 2-1 win over Oshawa. Warkworth won the B final beating Peterborough St. Anne's 3-0.

## O'NEIL

## ANNOUNCES

## MUSEUM GRANT

TORONTO - The Hastings County Museum will receive an operating grant of \$24,070 this year, it was announced today by Quinte MPP Hugh P. O'Neil, Minister of Mines, on behalf of Culture and Communications Minister Christine Hart.

A \$333-grant from the Culture and Communication Ministry's Skills Training Program has also been approved, to enable the museum's curator to attend courses approved by the Ontario Museums Association.

"The museum, known by many as Glanmore House, is a fascinating reminder of our county heritage and of life in the Victorian period," said O'Neil.

"Glanmore offers excellent exhibits and programs for its visitors, and I am glad that provincial support will help with the operation of the museum and with the training of staff," he added.

The recently approved grant covers the museum's 1989 operating year. An interim payment of \$13,886 was sent to museum officials earlier this year, and the remainder of the grant will be forwarded this month.

## Adam Thompson leads jr curlers

by Peter Kurita

Homework and school projects are taking a toll on some of our older junior curlers, while the younger curlers are taking advantage of it by climbing up in the standing. Adam Thompson took over the lead with some accurate shooting during the bonus portion of our practice while still managing a win with his team to gain even more points. It would help too, if our older junior curlers were not so boy crazy and girl crazy. They seem to distract each other for purposes other than curling. The top point getters are:

Adam Thompson	25 1/2 points
Jocelyn Watson	24
Lynn MacKenzie	23
Kirsty MacDougall	22
Erin Stewart	22
Karen Baker	20 1/2
Marc Oddie	20 1/2

Seniors singing up a storm - The Campbellford Senior Citizen's Glee Club performed at the annual senior citizen's Christmas dinner held last week at St. John's United Church Auditorium.

The Glee Club is becoming very well known around the province as they have performed in Toronto at Roy Thomson Hall and other locations.

## Seniors enjoy Christmas celebrations

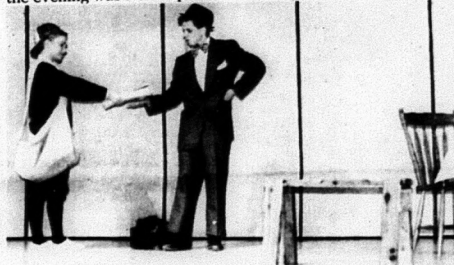

### Campbellford Seniors

Campbellford Senior Citizens' annual Christmas dinner was held at St. John's United Church on Tuesday, Dec. 5 and one hundred and sixty people attended. Compliments to the ladies and gentlemen of St. John's who prepared and served a delicious meal.

Entertainment for the evening was provided by John Smith, Clare Dunk, June Bennett, Helen Vice, Audrey Howell, Arnold Knox and John Asseltine, who performed an amusing sketch, the Glee Club sang carols and a special guest from Montreal, Mary Gresko,

whose musical talents are fantastic; she can sing in fourteen languages! The emcee for the evening was Neil Capstick.

Several lucky people took home door prizes ending a very pleasant and successful evening.

"Our Town" comes to Campbellford - Here is an early scene from the play "Our Town" which was performed by students from the high school. Here the local paper boy is doing his morning route and delivers the local doctors paper.

**Brownie expansion** - The 4th Campbellford Brownies expanded in leaps and bounds last week as they enrolled 20 twenies into their ranks. Pictured here are the newest Brownies. They are: Ashley Adams, Lindsay Astring, Amanda Bennett, Jessica Bucci, Denise Cleverdon, Tracey Lee Foster, Amy Jo Gifford,

Genness Grills, Nicole Johnston, Heather MacLeod, Mindy MacMillan, Katherine McClure, Alice Meyers, Joanna Petherick, Kathleen Rabethge, Christina Smallwood, Pamela Stephens, Lesley Thompson and Nadein Woodard. Absent is Ashley Tinney.

## Campbellford Girl Guides up enrollment

This year the local branches of the Girl Guides of Canada are enjoying an increase in enrollment and interest in Campbellford. The approximate numbers are: 6 girls in the brand new Sparks, (ages 4-6 yrs.); 47 Brownies; 29 guides and 6 Pathfinders. This is a very healthy increase.

The 6 Campbellford Units have been very busy since starting up in the Fall.

The 1st Campbellford Guides are making vests for their Seamstress badge and also working on their astronomer badges. These girls are planning to give a musical performance at Carewell Nursing Home before Christmas.

The 2nd Campbellford Guides have finished their ecology badge and will enroll 13 Tenderfeet (new Guides) on January 16. At their Christmas craft meeting, table favours were made for the Nursing Home. They are looking forward to having Donna Carlaw visit in February to talk of her trip to Mexico.

The 4th Campbellford Brownies had twenty new Twenies this year. This is the largest number of new girls in recent memory. They have just finished working on a Twenie program learning a Folk Song and Dance in preparation for

enrollment. These girls all visited the Campbellford Heritage Centre last month to see the excellent Remembrance Day display put on by the Campbellford Legion.

The new Sparks are learning songs and games and having fun!

Our very special THANKS to the Campbellford Arts and Crafts for their very generous donation of \$50 to the 4th Campbellford Brownie Pack. This money is much needed and will be put to good use in program and activity planning.

**Lookingggg Gooooood** - The Looking Good Beauty and Toning Salon opened its doors recently and here Manager/Instructor Cathie Gurr oversees the work out of customer Louise Sander. The owner Merv Brown is working on putting in an indoor swimming pool to add to his customers slimming programs and their pleasure.

## Doris Brick is Pete. County's warden

**Peterborough** - For the first time, Peterborough City and County councils are both headed by women.

Doris Brick, Reeve of Ennismore Township, defeated Dummer Township Reeve, Quenton Bullock, in the election of the county warden for 1990. She was warden for a term in 1982.

One of the local dignitaries attending the election - and offering congratulations - was Peterborough City Mayor, Sylvia Sutherland, who has served her office since 1985.

Douro Township reeve, Fred Heffernan, was also nominated for the warden's position but declined.

In her inaugural speech, Warden Brick listed the establishment of a direct waste system, plans for restructuring county government and annexation talks with the city as the major issues likely to face the county administration in the coming year.

On the matter of county government restructuring, she cautioned that some tough decisions are ahead and some traditions and municipal boundaries may have to be swept aside.

On city expansion, both she and Mayor Sutherland noted

that county co-operation had improved steadily in recent years but they didn't always agree.

In succeeding Smith Township Reeve, Don Boa, as warden, Brick paid tribute to his efforts during the past year, particularly his initiative in the formation of the district

committee of wardens.

That committee has attacked water quality in its first test of its lobbying strength with Queen's Park.

The warden will be paid \$24,400 for her 1990 term. An increase in pay from \$23,000 in 1989 was voted by council last week.

Not just another new business - Ladd's Office Supply open its doors recently in Campbellford. One of the innovations it has brought to Campbellford is the five cent photo copy. It cost alot more at most other places for photo copying. Manager Bonnie Macdonald says they also have a fax service.

## Hesston Credit Corp. will finance equipment purchases

**Norwood** - For the first time, financing of Hesston equipment is available at R. Allan Equipment through the recently formed Hesston Credit Corporation.

"Establishment of an independent, privately owned credit corporation strengthens the services Hesston offers the Norwood area," owner R. Allan Baker, said. "Now we can finance equipment at the time of sale."

Financing by Hesston Credit Corporation will be tailored to the individual's needs, according to Mr. Baker.

Hesston Credit Corporation offers a full range of competitive equity and standard rate financing as well as lease arrangements.

It also gives farmers access to financing outside of their operating line of credit; use of purchased equipment as collateral with other capital items not required as collateral; a simplified, straightforward credit application; flexible payment terms; physical damage insurance included on retail installment contracts on purchased equipment; and one-stop shopping for equipment and the necessary financing.

"Formation of Hesston Credit Corporation results from continued interest among dealers and farmers and represents a substantial investment in American agriculture for Hesston."

Additional information on financing equipment through Hesston Credit Corporation can be obtained by contacting Mr. Baker.

## HAVE A MERRY CHRISTMAS!

Little Chadwick McLean got his letter off to Santa early last week. When asked what Chad wanted for Christmas he replied, "a tractor". When asked what else he wanted, again, "a tractor", and again, "a tractor".

## Impaired charges in Madoc OPP district increase

As of December 14th, 1989, officers at the Madoc detachment of the OPP have laid three charges of impaired driving compared to two charges for the same period in 1988.

Also this year, four other persons have had their driver's licences suspended for 12 hours.

In an ongoing effort to inform the public of the problems and dangers of impaired driving, Madoc OPP have released the above information. This festive season is upon us and if you plan to celebrate please make arrangements to have a sober driver supply the transportation.

tunity to increase their activities.

If you notice any suspicious activity near your home, police are requesting you call immediately. Persons knocking on your door or phoning you and

asking for unusual information may be staking out your home for future burglaries. If you plan to be away sometime during the holidays, make arrangements with a friend or neighbour to make regular

checks of your property.

Working together with the OPP we can make it more difficult for those who may try to ruin our holidays.

### NOTICE

There will not be a newspaper produced next week. Our next issue will be out on Jan. 3, 1990. All our offices will be closed on Dec. 25 and 26, and Jan. 1st.

### CHRISTMAS TIME BREAK-INS

Police also want the public to be aware of a problem that surfaces each year during the Christmas season. The problem is break and enters.

With most homes now stocked with Christmas gifts, thieves are taking the oppor-

ty to increase their activities. Since there will be no Madoc Review on December 27th because of the Christmas holidays, the Beavers and Cubs of Madoc want to tell everyone now, to please save your returnable bottles for a 'Bottle Drive' these two clubs are holding Saturday, January 6th from 10 a.m. to 2 p.m.

This kind of fundraising effort has not been organized in Madoc by the Beavers and Cubs for many years. "I wouldn't have a clue how long" says Paul Kyte of the Madoc Chapter of the Boy Scouts of Canada.

Proceeds from the 'Bottle Drive' will go towards the operation of the club whose

theme is "community service and community spirit". "The boys learn a sense of responsibility and reliability" says Paul Kyte.

The 'Bottle Drive' has been organized so that it falls directly after Christmas and New Years when returnable bottles are most abundant.

cont'd on page 27

## Saturday, January 13th come watch the CJOH 'No Stars'

by Janice Pinke

Members of the Madoc and District Figure Skating Club are a little concerned that everyone has been wrongly informed about a date for the CJOH 'No Stars' coming to Madoc arena.

The date is Saturday, January 13th beginning at 7 p.m. at the arena.

On the 13th figure skating

fathers will team up against this wacky team from Ottawa, for an evening which promises excitement.

The date has been publicized in other papers incorrectly so please take extra special note of the date and time. Saturday, January 13th, 7 p.m.

Admission is \$4 for adults, seniors and students \$2 and children under 12, \$1.

I think I speak for a lot of people when I thank Gary and Marg Cooney, who live on highway 62 just south of the Village, for decorating their large pine tree out front of their home with lots of lights.

This is the second year the Cooney family have displayed their Christmas spirit in such a generous fashion; entertaining

motorists both entering and exiting Madoc Village. If you are one of those families who also enjoy displaying your Christmas cheer then that cheer could be somewhere inside this paper.

## Tom says his name could be on the ballot next year

by Janice Pinke

Although Madoc's Reeve Tom Deline didn't win last week's election for Hastings County Warden, he was however appointed as the Chairman of the Hastings County Committee on Economic Development.

Tom hasn't ruled out the possibility of re-entering his name on the ballot for Warden

next year. "A lot of things could change in a year," says Tom.

The main objective of the economic committee is to strategically plan for economic and tourism growth says Tom. "I can now promote the whole County."

It's to Madoc's advantage to have our Reeve sitting in this position.

Reeve Deline is optimistic

that the population growth within Hastings County by the year 2000 will increase by 70 per cent.

## 'Tidings of Great Joy'

by Janice Pinke

The United Church Cantata presented an inspirational performance representing their Yuletide spirit last Sunday night, December 10th, entitled 'Tidings of Great Joy'.

Over 25 chorists from the Madoc Baptist Church, Madoc's Sacred Heart of Mary Catholic Church, Marmora's St. Andrew's United Church, Queensborough's St. Andrew's United Church, Madoc's St.

John's Anglican Church, Madoc's St. Peter's Presbyterian Church and Madoc's Trinity United Church entertained a full house with pieces such as O Come All Ye Faithful and Silent Night.

Lasting about one hour the choir was directed by Barbara Sanderson and narrated by Sharon Phillips. Accompaniment was presented by the talents of organist Ron Moffatt and pianist Kim Gaebel.

## O.P.P. REPORT

Break, enter and theft.

Police are investigating a break, enter and theft on the Crookston Road. Numerous Christmas presents were stolen and the inside of the residence was damaged. The owner, Annette Goodfellow, was not home at the time. PC Bill Tere is investigating.

Accident.

Madoc OPP have charged an Arden Township man with

careless driving and driving while under suspension after investigating an accident on County Road 2 in Elzevir Township. Twenty-nine year old David Phillips was charged after an accident was reported to police on December 11th at approximately 10:45 p.m. The vehicle sustained approximately \$3000 damage and Phillips was slightly injured. Phillips was also charged with driving a vehicle with liquor readily available.

## THE CORPORATION OF THE VILLAGE OF MADOC "NOTICE"

The Municipal Office will be closed from December 25, 1989 to January 2, 1990 in celebration of Christmas. Holiday Garbage Pick Up will be:

Residential:

December 27, 1989

January 2, 1990

Commercial pick up will be at the usual times.

Merry Christmas!

and

Happy New Year!

Doug Parks

Clerk-Treasurer

# Over \$13,000 raised for Tobin family

ce Pinke  
has been raised  
onica Tobin of  
nip, since they  
me to fire on  
November 22nd,  
ated near the  
nship - Public  
s were over-

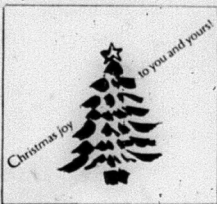

welmed with the response.  
Most other people are enthu-  
siastic about the fact that  
people in this area have pooled  
their generosity to raise that  
kind of gift for the family.

Lamoine Foley says the  
account she originally opened  
at the Toronto-Dominion Bank

is still open for any donations.  
The benefit dance held at the  
Madoc Township Rec Hall  
drew more than 300 people and  
entertained a constant flow of  
friends and supporters.

Mr. and Mrs. Tobin will be  
moving into a trailer until the  
spring; when the ground is soft  
enough so they can start build-

ing a new home. The family did  
have fire insurance.

# Coming home to Marmora for Christmas

The following are just some of the people coming home for Christmas in Marmora. The rest of this list can be found in the Marmora Herald on pages 3, 21 and 22.

Frank and Bonnie Cole will be joined at Christmas by his son and daughter-in-law, Robert and Serena and Ashely of Campbellford and by Bonnie's son, Jim Peters and his wife Connie and their son Justin of Cheterville (near Ottawa).

"It was a great adventure but the selling of the business where I was employed in Fort McMurray made this time in our life seem like the appropriate time to come home," Dorothy (Dot) Meehan told the Marmora Herald shortly after she and husband Bill arrived from their long trek across Canada.

The Meehans spent ten "good" years in Fort McMurray but are looking forward to semi-retirement and possibly another "great adventure". They are staying temporarily with their daughter and son-in-law, Jean and Jim Logan, and twins in Deloro but will eventually live on River Garden Drive.

Mrs. Shirley Dawson has returned to Fort McMurray, Alta. after a four day visit with daughter, Terry Klimek and grandchildren, Richard, Robin Charles.

Tony and Joanne Fondyga of Grand Prairie, Alta. will be spending four days at Christmas with his parents, Mr. and Mrs. Stan Fondyga.

Visiting Gladys Lucas for a few days at Christmas will be her daughter and son-in-law,

Judy and Brian Dinsdale, and son Peter, of the CFB Borden; also Mrs. Lucas' sister, Pearl Lucas, of Toronto.

Holiday visitors at the home of Mr. and Mrs. Earl Latchford will include: son John and grandson David Latchford, of Belleville; Christine and Jim Giffin, David and Michael, of Sarnia; Rev. Tom and Earla Felts and their three boys, Burke, Ben and Nathan of Alexandria, Ont.; Fred and Debbie Latchford, Janet, Philip and Heather of Port Hope; Patricia Latchford and friend Larry Biham, of Belleville. The family will also celebrate the 10th wedding anniversary of Christine and Jim while they are together.

Betty and Larry Trux and children, Shawn and Annette, of Wyevalle spent a pre-Christmas weekend with the former's parents, Mr. and Mrs. Sid Demorest.

Bernice Young, Darlene and Terry Fluke and two sons of Deloro will be guests of Mr. and Mrs. Karl Young and family in Frankford for Christmas.

Cathy Jones of Peterborough and Anne Walters of Belleville will spend a few days at Christmas with Helen and Eric Mantle.

Visiting Bernard and Mary Doyle for Christmas will be son Ryan, of Oshawa; Chris and Kathy Doyle, Shawn Doyle and Anne Marie Doyle, all of Toronto; son Jim and family of Bridgenorth; son Kevin of Belleville; joining them from Marmora will be son Don and Trudy Doyle, Rick and Tim and son Francis and his wife

Beth and their son Robert.

Mrs. Florence Fluke of Cordova Mines will be a guest of her son and daughter-in-law, Lyle and Lorna Fluke, for Christmas. Joining them on Boxing Day will be daughter Debbie, husband Jim Wilkes and children Stacey and Matthew, daughter Judy, husband Glen Fenton and their two girls Amy and Ashley, all of Oshawa, Mark, Cathy and Kyle Fluke of Deloro.

Spending a couple of days at Christmas with Edward and Mary Edge will be their daughter, Mary, her husband David O'Leary and three children, Trevor, Todd and Stephanie, of Toronto.

Miss Cathy Ann Fenton of Vancouver is expected to spend a few days at Christmas visiting in the Marmora area.

Visiting Jack and Sheila Golden for Christmas will be Jack's son, Kent Golden and friend Joy Oja, daughter Sherry Golden, all of Toronto, Corey, Tracy and baby Justin of Marmora Township, Sheila's son and daughter-in-law, Jim and Jennine Airhart and infant son Darcy, Rick and Kelly Airhart of Marmora Township, Joanne and Wayne White and two children, Carson and Janelle, of Frankford. Mrs. Mabel Clark, of Deloro Retirement Home will also be joining them.

A family get-together at the home of Bill and Joyce Jenkins on Boxing Day will include the following: Mr. and Mrs. Grant Galloway, Mr. and Mrs. Simon Korber and family and Brian Galloway, all of Glen Miller, Mr. and Mrs. Wayne Galloway, of Cardiff, Joan and Gilbert Gaunt, Alan and Sandra, Bill and Campion, all of Marmora.

Marjorie and Gary Kelly have returned from Regina where they attend the Agribition (cattle show) and visited relatives in Edmonton and Saskatoon during their ten day

holiday.

Peter Lowe, of Alcona, Ont., and June Lowe of Waterloo are expected to join their parents, Mr. and Mrs. Ivar Lowe for the Christmas holiday.

Mr. and Mrs. Grenville Lunau are expecting their niece Carol Page of England to arrive before New Year's for a ten day visit. Visiting them on Dec. 16, was their daughter Avril Conway and friend Larry of Toronto.

Mr. and Mrs. Gary Hayes expect to have son Gary of Toronto, son William of Brockville and daughters Linda and Lorrie of Peterborough, join them for Christmas.

Pete and Cathy Ramsay and two children, Cindy and Tammy, of Oakville will be guests of his mother, Vi Ramsay and Gordon Jones, for Christmas.

Rose Anne and Denis Schick of Belleville will join other members of the Ed and Carol Shannon family for Christmas.

Joining Mr. and Mrs. Delmar Ramsay for the Christmas holiday will be their daughter Kathy and husband Robert Parauink of Barrie, and daughter Brenda Holmes and children Kimberly, Stephanie and Kelly of Fergus.

Walter and Trudy Vandebek are looking forward to having their family with them for Christmas. These will be Willie and Janice Vandebek of North York, daughter Trudy, husband Randy Panchyson and their two children, Darryl and Angie, of Scarborough.

Visiting throughout the holiday season with Roland and Jeannie Leroux will be the following members of their family: son Daniel and wife Denise and children of Cornwall, daughter Anne, and husband Jack Lucas and children to Trenton, daughter Michelle and son Michael Leroux of Niagara-on-the-

Lake, son Pierre and wife Bonnie and children of Waterloo, daughter Lisa and son Andrew Leroux of Scarborough.

Bev and Fred Jacques and their two daughters, Jennifer and Amy, will host the family Christmas party at their home at RR3 Marmora. On hand will be her parents, Mr. and Mrs. Grenville Lunau of Marmora Township, brother Chuck, wife Debbie and their two children, Monique and Derek of Richmond Hill, and family friends Clare Bass and daughter Sarah of Newmarket and Vera Hedley of Marmora Township.

Although recovering from two recent operations Francers Parcels has undergone, she and husband Fred are looking forward to having their daughter, Mary Elizabeth, her husband Don Murat and baby son Bob of Thornhill, son Pat and Cindy Parcels and daughter Sara of Rexdale and Joe and Florence Parcels and Joe Jr. of Havelock join them for Christmas.

The annual Archer family get-together at Christmas time took place on Dec. 14 at the home of Gerald and Pat Fluke. Sisters Pat, Eleanor, Wanda, Joyce, McGarvey, sister Enid and husband Jack Fluke, sister Lois and husband Otis Fluke will be joined by their brother Alex and his wife Marjorie of Peterborough.

Several Marmora people travelled to Toronto on Dec. 17, for the Living Christmas Tree service at the Peoples Church. Those attending were Clara and Everett Derry, Helen and Stewart Hardy, Ellenore Barker and Harold and Dorothy Edwards.

Five Marmora Legion members were presented with awards and honors during a regular meeting held on Dec. 14. Comrade Ernie Martin received his Sergeant At Arms Bar; President Gordon Bennett earned his 1st Vice-President Bar; Vice-President Jack Bennion was presented with his past officer's medal, with an Executive Bar; Past-President Walter Acker and Past-President George Osborne both received Life memberships, as approved by provincial command on Nov. 2.

# Season's Greetings

**Dear Santa,**  
Thank you for the presents you gave me last year like the puzzle. This year I want a bead room and beads to go with it and some books. I hope you don't run into an airplane, get caught in a storm or get stuck in our chimney.

**Ruth-Anne Allen**  
grade 3,  
Madoc Township P.S.

**Dear Santa,**  
I hope you have a nice Christmas and I wish your reindeer a Merry Christmas too. I want MacDonald's Snack Shop and diapers and I want Dolly Surprise. I wish you a Merry Christmas!

**Shannon Murphy**  
grade 3,  
Madoc Township P.S.

**Dear Santa,**  
I hope that you can come to my house and bring my walkie talkie to my Grandmother's house. I also want a guitar.

**Patrick McNally**  
grade 3,  
Madoc Township P.S.

**Dear Santa,**  
I hope you come to my house on Christmas Eve. When you get to my house, there will be lots of chocolate chip cookies for you. I want some GI Joe men for Christmas and a remote control hovercraft and a book full of math questions.

**Doug Keast**  
grade 3,  
Madoc Township P.S.

**Dear Santa,**  
This year I am going to give you some cookies. I was very good this year Santa. Santa, I want Memory, and a Barbie. If you come down our chimney, you will land in the furnace.

**Kelly Blackburn**  
grade 3,  
Madoc Township P.S.

**Dear Santa,**  
I've been good all year. I'll leave you some cookies and milk. Don't come down my chimney because we'll have the fire on. For Christmas I would like Super Star Barbie. I would like a Lite Brite.

**Melissa Foley**  
grade 3,  
Madoc Township P.S.

**Dear Santa,**  
For Christmas this year I want a big truck that is really high and I want a new play gun with a sword and a knife with a holder. I want lots of thick books and I want double dare. Please fill my stocking!

**Jesse Chapman**  
grade 3,  
Madoc Township P.S.

**Dear Santa,**  
I have been as good as I could be. For Christmas I would like a Baby Grows and a MacDonald's Snack Shop. That is all I can think of right now. Are all your elves working right now? I bet they have a lot to do. Have a Merry Christmas!

**April Gordon**  
grade 3,  
Madoc Township P.S.

## GREETINGS

Blossoming forth with holiday greetings and good wishes that grow and grow! It is with pleasure that we say thanks. Thank you - with best wishes to all our customers

# Santa's On His Way!

## The fright before Christmas

One Christmas year in an old, spooky house an old man came to get warm. He knocked three times and an old woman that was really a skeleton answered the old creaking door.

The woman said, "come in". The old man said, "can I go to the fireplace and get warm?" "Yes," said the woman. When the old man was at the fireplace the woman came up

behind him with an axe. When the woman was just about to swing the axe the old man got up and went upstairs.

When the old man was at the top of the stairs he went in a bedroom. The woman took off her mask and coat and ran upstairs. By the time the skeleton was at the top the man went out the window and was climbing down the vine on the

house. The skeleton went out the front door because if she fell she would fall apart.

By the time the skeleton went out the front door the man was gone. The skeleton went searching for the old man. The skeleton looked for the man until dawn. The skeleton remembered that she couldn't go outside at day. She ran to the house and when she was at the porch she disappeared.

When the old man was home he went to his room and fell asleep. The end.

## The bear who didn't like Christmas

Once there was a bear who did not like Christmas because all the children smiled and laughed and he hated it.

Well this bear's name is Grouchy. Grouchy would sit in his cave and think about Christmas. One day Grouchy thought of an idea. He would steal all the presents that Santa brought them.

Christmas night Grouchy sneaked up to a house and opened the door. It was unlocked so Grouchy went in. Grouchy saw 100 presents. He got all the presents and departed from the house. When he got outside Grouchy thought about all the sad children because they had no presents so Grouchy put all the presents back.

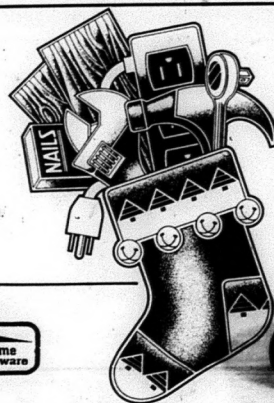

In the morning when all the children woke up and opened the presents they were happy. Grouchy changed his name to

Happy. The end.

# Jesus is our Saviour

He shall bring forth a Son, thou shalt call His Name Jesus: For He shall save His people from their sins. (Matthew 1:21)

The Bible portrays a number of births that took place under the direct intervention of God, Isaac the Son of Abraham and Sarah (Genesis 18:4) Samuel the son of Hannah and Hannah. (1 Samuel 1:4-20) John the Baptist the son of Zacharias and Elisabeth. (Luke 1:36,37) The birth of Jesus was different. He had no human father. The virgin birth is established in the plain statement of the scripture, "Behold a virgin shall be with child." (Matthew 1:23) The mystery of the virgin birth is a message of Hope that destroys the myths of the past. The angel of the Lord appeared unto Him in a dream, saying, Joseph, thou of David, fear not to take unto thee Mary thy wife; for which is conceived in her of the Holy Ghost, and she shall bring forth a son and thou shalt call His Name Jesus; For He shall save His people from

their sins. (Matthew 1:20, 21)

Salvation from sin is man's greatest necessity. The Birth of Jesus is God's expression of love for all mankind. In His earthly ministry Jesus was to bring life and light to both the privileged, and the handicapped, the prominent and the obscure, the Jew and the Gentile, but His ultimate ministry was to offer Himself a sacrifice for sin.

"Wherefore when he cometh into the world, He saith, sacrifice and offering thou wouldest not, but a body hast thou prepared me: "In burnt offerings and sacrifice for sin thou has had no pleasure." Then said I, Lo, I come, in the volume of the book it is written of me, TO DO THEY WILL, O God," (Hebrews 10: 5-7)

Mans eternal hope is not built upon a Philosophy, a Theology, a morality or a ritual, but in the one who came to earth for our redemption.

He came in Human form and shared our experiences. He was fully man, yet fully God-God manifested in the flesh. (1 Timothy 3:16)

His birth and His death were foretold centuries before He was born in Bethlehem. He was born of a virgin. He was absolutely pure. He was sinless. There is no argument. He demonstrated a great moral example and gave us many behavioural teachings. But his real mission was to die for the sins of the world.

"For I delivered unto you first of all that which I also received, how that Christ died for our sins according to the scriptures." (1 Corinthians 15:3)

Robert G. Lee sums it up well by saying, "The virgin birth is essential to the fulfillment of the bible, essential to the integrity of the scriptures, essential to the honesty of the angels, essential to the honour of Mary, essential to the faith of the believer, and essential to the Salvation of Souls."

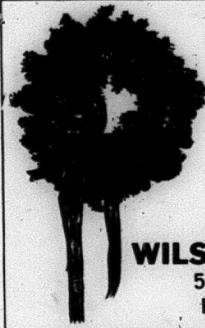

Jesus of the manger is Jesus of the cross. He came to save His people from their sins. Ira D. Sankey wrote and sang the mystery when he said:

But none of the ransom ever knew,  
How deep were the waters crossed;

Nor how dark was the night that the Lord passed through  
Ere He found His sheep that was lost.

The eternal Destiny of every individual is wrapped up in His attitude toward and acceptance of the central message of Christmas, "Jesus is Saviour."

Pastor Rev. John A. McEwen

# —Peace Be With You—

Dear Santa,

Hi, this is Jennifer York, I have been very good. I would like shoes, school stuff for school.

I like Christmas to play in the snow and have lots of fun. Santa, when Mom and Dad and the kids get up we open the gifts. Oh ya and my age is ten and I'm in grade 5.

Jennifer York grade 5,

Madoc Township P.S.

Dear Santa Claus,

I am really excited about Christmas. I was wondering if you could get me a toy remote control car. I've always wanted one. Well bye Santa, I hope you get my letter.

Adam Spatola grade 5,

Madoc Township P.S.

Dear Adam,

I got your letter - I will bring the toys that you asked for. I will bring it. My Elves are making toys for all of the good boys and girls. Well by Adam, Merry Christmas.

Santa Claus

(by Adam Spatola)

Dear Santa,

I would like to have a lamp for Christmas. Love,

Debbie Johnson

grade 5,

Madoc Township P.S.

Dear Debbie Johnson,

I think that is good but I do not have any more left. I will try to get one for you for Christmas when I come - okay. Love,

Santa

(by Debbie Johnson)

**GLEN NICKLE ELECTRIC LTD.**

From The Management & Staff

Dear Santa Claus,

Hi, I'm Mark Brooks. I can't wait till Christmas. I'm 10 years old and I'm in grade 5. I have been good this year. For Christmas I would like a turbo hopper. I just hope your elves can make it by Christmas. Christmas is my favorite day of the year. I have liked Christmas since I was a little kid. Oh yeh, almost forgot, say hello to Mrs. Santa Claus, the reindeer and the elves.

Mark Brooks

grade 5,

Madoc Township P.S.

Dear Santa,

I have arranged a list of presents that I would like to get for Christmas. Please look it over and think about it. Super Dooper Hockey Bloopers, Batman, Roger Rabbit, football slippers, pencil case and sweaters.

Duncan McNeill

grade 5,

Madoc Township P.S.

Dear Santa,

Hi Santa! How are you? I am fine. I liked the toys that you got me last year and all the other years. I hope you come back to town. When you come, I would like a new sled.

Andrea Murphy

grade 3,

Madoc Township P.S.

## Parade

Last Sunday I watched the Santa Claus parade and it had tweety birds and kermity frog but I didn't see Santa Claus. Santa Claus was at the Kiwanis Centre. All the people were there.

Even that night I was watching the Santa Claus parade on channel four. It had Michael Ralph Empey and Doug Doan. I saw the Emerald City with Dorothy, Scarecrow, Tinwood man and the lion.

## HAVE A HAPPY HOLIDAY

May your home be blessed with joy this season. We welcome the opportunity to say thanks.

# A JINGLE BELLS CHRISTMAS

**Editor's note:** The following stories were written by grade five students of Marmora Senior School in Marmora.

## Laura's Christmas

by Stefanie Partridge  
Once there lived a girl named Laura. She was friends with some mice. It was very close to Christmas and Laura had all her shopping to do. One day later Laura went shopping. She got her Mom a ring with a purple stone in it. She got her Dad some cologne. Laura got her brother a pair of socks. He always needed them. She got all the mice candy canes that would take them forever to eat. Laura got her friend a purple bow. She went home and wrapped all the presents because Christmas was tomorrow.

Laura still needed a few more things for Christmas like a Christmas tree. She went and bought the Christmas tree. It was beautiful.

## Chapter 2

On Christmas Eve Laura invited the mice and her friend Jennifer. Jennifer didn't know about the mice. Laura said, "Jennifer I want you to be very calm." Jennifer said, "Why?" Laura said, "You will see." The five mice came out and Jennifer said, "They're adorable." "You like them?" Laura said, "Of course." They got some blankets out and put their presents under the tree.

## Triple Trouble

by Tabitha Mocon  
Grade four  
One day five elves were working in the toy shop. It was going to be Christmas in four days. They saw Prancer, Dancer and Comet outside. They looked unhappy. Jane and Sarah went to see what was wrong. They went outside. "Oh no," they said. "They're sick! Let's go tell Santa quickly!"

Santa told them to settle down and tell him slowly and calmly. "Santa" Sarah said, "I have bad news. Super duper kuper buper bad news." "Well tell me then," said Santa. "Yikes! I'm losing my voice. The bad news is Prancer, Dancer and Comet are very sick." "I'm sick too," said Santa. "Triple Trouble. Let's go tell the other elves."

## Chapter 2-The third problem

It was two days before Christmas and all the elves were wondering if there would be a Santa and all his reindeer. Jane fed Santa Captain Crunch in the morning. Chicken Noodle soup at lunch and vegetables and meat for dinner.

The elves were just about finished packing when they heard running down the stairs THUMP! THUMP! THUMP! It was Jane! "What's the matter?" they asked. "Santa is as good as new. He's feeling great!" said Jane.

## Chapter 3-The first problem

Joe, the fourth elf went to see how the three reindeer were doing. They were in their beds with their red and green blankets over their heads. Joe pulled the blanket down took their temperature, it was normal.

THUMP! THUMP! THUMP! on the porch, through the door. THUMP! THUMP! THUMP! up the stairs into Santa's room and Joe told him everything. That night Santa delivered all toys and there was a Christmas after all.

**Editor's note:** The following stories were provided by students of Mrs. Thorne grade six class at Marmora Senior School. Thank's very much to everyone who contributed.

## Kim's Lucky Christmas

by Candice O'Connor  
It was Christmas Eve. Everybody was waiting anxiously for Kim and Grandfather to bring back the beautiful pine smelling tree. But suddenly the spirit of Christmas started to fade, the family started to worry about Kim and Grandfather.

Meanwhile, Kim and Grandfather found the most dazzling tree ever. Grandfather started chopping down the tree. When it was finally chopped it started to fall toward Grandfather. He tried to run but slipped on a slippery log and fell to the ground with a thud. Then the tree came down and landed right on him. Kim looked around, she was stranded, she tried to pull Grandfather out, but it was impossible, the tree was too heavy.

It was snowing like sparkling stars in the sky. She couldn't see anything but her tracks.

All of a sudden she had a terrific idea! Kim started to follow her foot prints back to the shack to get help. Grandma and Kim's Mom were standing at the window with a worried look across their faces, but it lit up like moon when they saw Kim's shadow come from the cold entrance of the forest.

Kim was cold and frost bitten from head to toe, but all she could think of was her grandfather buried in the cold bitter snow. When she finally reached her home, she ran inside. Her mother hugged her so tight she was warm in no time.

She took off her wet clothes and explained what happened. Her Mom called the doctor and Kim's three uncles went out to find her grandpa. Hours past then finally she heard a noise. Kim looked out the window and saw four men coming across the lawn. Kim was happy that her grandfather was all right, Christmas would be the same after all.

## The Soldier

by Scott Brown  
Jack Green, a soldier from World War I in 1917, came back to see his wife, Lori Green and baby Jack Jr. for Christmas. He got to the log cabin located just out of town. He opened the door and said, "Love, I'm home." But no one answered. He started to look around, but he stopped and started to read. It was the newspaper. All the soldiers who died were named in the paper, Jack Green, it said. "I'm not dead," he said to himself.

He walked to town. It was a week before Christmas. He looked for his wife in freezing cold. He was so cold. He looked in the little town and in the woods a little ways, but he gave up.

The soldiers stayed at the hotel and he saw a lady and a baby. He thought, "Haaa, it is." He started to run and kissed her for some minutes. "I thought you were dead," she cried. "I know, I saw the newspaper. Here! I brought you a present for Christmas." It was a diamond ring. It was so pretty. They went back to the cabin and started to celebrate.

## Christmas Time

by Steven Jones  
Christmas is a time to think of Jesus. It is not only a time for presents. It is a time to give up something for Jesus. Jesus got the present-to preach the good news and to heal the sick. He taught the gift of prayer to the whole world. The gift of prayer is the best present on earth.

CHRISTMAS MEANS  
MANY THINGS  
TO MANY PEOPLE.  
TO US, IT'S THE  
PERFECT TIME TO  
EXPRESS OUR THANKS

PEACE,  
LOVE  
& Joy!

Ho

By Norman McKowan

Dear Michael Graham,  
I got your list. You want  
everything in the Sears cata-  
logue! Why didn't you just  
send me the catalogue itself. It  
wouldn't have taken you so  
long. What would you rather  
have, clothes or toys? I don't  
know if I can fit everything in  
my sled. Well I have to go now.  
Bye

Love Santa

by Matt McCoy

Dear Santa,

I hope you come to my house  
on Christmas Eve. This year I  
hope for Christmas I get a  
Nintendo. I hope you got the  
list I gave you. Have a happy  
Christmas. Don't get lost. I  
hope you get to every house  
you are supposed to because  
you don't want to miss any  
houses. I liked the presents  
from last year. Thank you.

Nicholas Blackburn

Dear Santa,

I would like Little Miss  
Dress-Up and Cherry Merry  
Muffin and the Snack Shop,  
Santa.

The door will be unlocked so  
feel welcome to come in. There  
will be cookies on the table and  
milk.

Sarah Barnes

grade 3,  
Madoc Township P.S.

Letter From Santa

Dear Julie,

I received your letter and I was  
very surprised at what you  
would like for Christmas.  
Don't you think that your own  
private jet is just a bit much!  
And you own business  
company? Well I don't know  
but I can see what I can do.  
Everything else on your list  
was fine.

Love Santa

Because the confidence  
and trust of those we  
serve is the foundation  
of our success, it is with  
warmth and friendship  
that we say "thank you"  
at Christmas.

P.S.

### The littlest elf

One snowy day the elves were in the woodshop working on some toys. When the boss came in one little elf was not working.

"Get to work". The little elf refused to work. I don't like to work. Get to work or else. Or else what. Or else you're fired. Go right ahead and fire me. So he did.

So the little elf went and polished Santa's sled. Santa will be proud. That night was Christmas. Santa was coming with his reindeer. The sled started to move. I ducked and when we got in the air I said "hi Santa". He was frightened. We delivered the toys and went home.

**Jeffrey Gordon**  
grade 5,

# Merry Christmas

One Christmas Eve Tom the bear woke up and saw that there were no presents under the tree.

Tom called all his friends and asked them if they had any presents either. Angela the lynx didn't have any presents either.

Kathy the cub didn't and Brenda the owl didn't. Lynn the deer didn't or Donna the polar bear didn't. All the animals were sad because they did not have any Christmas presents.

They went to the North Pole to visit Santa Claus. When they got to the North Pole Santa Claus was not there. Tom asked Mrs. Claus if she knew where he was. She said, "No I have not seen him since last Christmas." "Oh," said Tom. Then Mrs. Claus said, "Let's go look for him." "All right," said Angela the lynx. They all went to find him.

They searched from house to house until Christmas was over but just then Rudolph said, "Don't stop looking we've got to find him." The searched until morning.

Soon they decided that they would stop for a while and then they went back to Mrs. Claus's house and went to sleep. When they work up Santa was outside. All the animals and Mrs. Claus ran outside to tell Santa that he had missed Christmas. "Oh no," said Santa. "I forgot all about Christmas." "What?" said Rick the reindeer. Then Kathy the cub said, "but you're Santa Claus - you can't forget about Christmas." "Why can't I?" asked Santa. Tom said, "because you're Santa Claus." "I'll deliver all the presents right now!"

All the animals were happy. The end.

Trisha Blakely  
grade 3,  
Madoc Public School

Dear Santa,  
I hope you're having a good time at the North Pole. I really liked the presents you brought me last year. For Christmas I would like a: Little Miss Dress

## CENTURION HIGHLIGHTS

by  
**Shannon  
Smith**

On the 18th, 19th and 20th Santa himself will be visiting Centre Hastings. You can sit

on his knee and even get your picture taken with him. Don't miss it during lunch period.

If you were in the cafeteria last week then you couldn't have missed the sad looking Christmas tree over in the far corner. Hopefully the tree will look better after every home-room brings in decorations from home in order to make this poor tree look good before the Christmas holidays.

Don't forget about the Christmas sharing in home-rooms this week. Bring in whatever you can and help out those less fortunate than ourselves this Christmas. Donations go to the Salvation Army in Tweed and then will be distributed to families in the surrounding areas.

On Friday the 15th the annual Christmas auction was held in the cafeteria. The money raised from this event goes to local charity.

Last week the OAC dramatic arts students travelled around to Madoc, Tweed, Madoc Township and Marmora public schools to perform a short play and a forty-five minute workshop for kids ranging from

grades one to eight.

The workshop consisted of such things as mimes, improvisations, memory, exercises and concentration games. The dramatic arts students were being evaluated and marked on their presentations but it

didn't stop them from having a good time with the younger kids.

This will be the last Centurion Highlights until after the week of Jan. 5th; I'm off to Mexico!

## What Christmas means to me...

Christmas is laughter. Christmas is joy. Christmas is loving. Christmas is with toys and sledding. Most of the fun is Santa and his elves making toys for everyone. Santa delivers for all the children.

Jason Kyte  
Grade 3,  
Madoc Public.

Every Christmas is just the same at my house. The Burnside's gather together on the sixteenth and the Fitzgeralds gather together on Christmas morning.

The Burnside's draw names and only give one person a present. The Fitzgeralds just buy a present for everybody. One Christmas Mom asked me what Christmas meant to me. I

said, "toys, presents and the birth of Jesus".  
From then on I always remember Christmas.

Megan Burnside  
grade 3,  
Madoc Township P.S.

Christmas means a lot to me. trees, decorating, stencils and stockings. We also get to open presents on Christmas Eve. Elves make all the toys for Santa to give to good little boys and girls.

Angie Davidson  
grade 5,  
Madoc Township P.S.

It means we should believe in God.

It means that we get our Christmas tree.

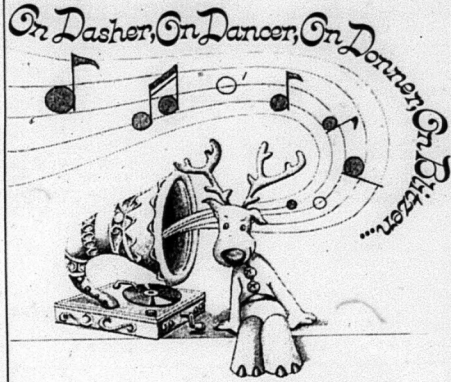

It means that we get the decorations.

It means that it's Jesus' birthday.

It maybe means that we make breakfast for our mommy and daddy.

When I was at a different school I sang Christmas carols with them.

by Sara Lee Baker.

# MERRY CHRISTMAS!

*The best  
Christmas  
ever!*

T'was Christmas Eve, 9 o'clock. "Ah me. Christmas Eve already," an older Grey Squirrel said. Everybody was packing. The little children are sleeping now. Stockings full of nuts, oranges, dolls and toy trains were what they were dreaming about.

The parents were putting presents under the tree. They put toy horses, books, whistles, craft sets, any toys they could think of!

Fox wrapped a new umbrella. Mouse was knitting a scarf. Rabbit was making a pillow. They were all for Squirrel. Squirrel hadn't been doing any of those. He was decorating his tree. "There! I'm finished," he said happily.

Suddenly, the tree was all aglow! Squirrel looked up. "A star!" He cried with joy.

In the morning a very delicate porcelain angel appeared. All the animals were disappointed until, in the evening, the star came and shone brighter than before!

Squirrel got all the animals together and said, "This is my present to you."

**Leni Wannamaker**  
Grade 3,  
Madoc Public.

Dear Santa Claus

How are you? Is Mrs Claus fattening you up for that big night. I don't know how you're going to make it down those

chimneys with all that food in your stomach. Has Rudolph's electric beacon worn out yet? If it has, in this envelope there is a packet of Duracell batteries. Well, here is a list of what I want for Christmas: GT Snow Racer, Colour T.V., Ghetto Blaster, Walkman, Skates, Pocket Colour T.V., Mini V.C.R. Well these aren't all of the presents I want for Christmas but I don't want to be selfish.

Sincerely yours  
Karen

by Lesley Wood

What Christmas Means to Me

To me Christmas is a time that everyone should remember. Everyone should remember Christmas because it is a very holy day. The one big reason children love Christmas so much is because of all the gifts

they get, but when they grow older they will understand why it is so special. Another thing that Christmas means to me is when you get to see all of your family. That is what Christmas means to me.

by Natalie DeClair

Dear Jim

I can't bring your cow that you asked for - it won't fit in my sled. And my reindeer are so tired that I don't know if Christmas will be this year. So I might have to drive around in your car so I can deliver the toys. Goodbye from Santa Claus. I might see you around

**Santa Claus**

# HAPPY HOLIDAYS!

What Christmas Means to Me  
by Erin Rollins

I think that Christmas means to remember Jesus and to remember the angels too. Christmas is not just for presents. It's for remembering people and caring for those people too. You can sing Christmas carols for your mom and dad.

What Christmas Means to Me  
by Tricia

Christmas is Jesus' birthday. Everyone is happy. Sometimes people get presents. Mary has two Christmas trees. I'm trying to be good. I have two presents. Everybody should believe in God. I like decorating the Christmast tree.

What Christmas Means to Me  
by Christina Robinson

Christmas is dawning. Sing a'lay loxa. Bright happy mornign. Sing a'lay loxa. Once in a manager the holy child was born. All sang his praises on that first Christmas Day.

What Christmas Means to Me  
by Michael Scalfe

Mary had a baby. She named him Jesus. Jesus was not an ordinary baby. He was born on Christmas Eve. Three wise men came. A star had led their way to Bethlehem, and there Jesus lay. That very day Christmas was made.

What Christmas Means to Me  
by Katherine Cole

I'm thinking about Christmas. People think Christmas is all about getting presents but its not. It's when Jesus was born.

**Glory To The Newborn King**

May the spirit of PEACE  
EMBRACE YOU THIS SEASON AND  
THROUGHOUT THE YEAR.

With love to all our friends  
& members of  
**Madoc Pentecostal Church**

Rev. & Mrs. John McEwen

What Christmas Means to Me  
by Bradley Barbeau

Long, long ago in Bethlehem there was a baby named Jesus and his mother Mary and his dad.

When Jesus was a baby it was said He was to be the King

one day of Bethlehem. Before He could be crowned King He was killed by the army from the Kings' army from Jerusalem, and he had to carry a cross to the top of a hill and they nailed Him to the cross and He is daid to be a Spirit. That is what Christmas means to me.

Christmas is fun. I get lots of presents under my Christmas tree. I like to sing songs.

It is fun singing Christmas Carol songs. I sing Christmas carol songs for my mom and dad.

I was in Christmas play last year. Last year I was singing with Sara at a different school on the stage. I like to sing Christmas Carol Songs.

**Sweet Enchantment**

A Christmas little things mean a lot.

Warmest wishes for a fabulous holiday.

# We Wish You A Merry Christmas!

## The special Christmas tree

There once was a poor family, and they had not enough money for their children. They had spent all the money on the tree.

The family did not know that they had a very Special tree. The tree was special because it was a magic tree. That night was Christmas. Mr. magic tree worked hard. He had made a couple of presents for each of the children. The next morning the children woke up and went in their mother and father's room. They woke them up. "Let's go down and open our presents," There are no presents," said their mother. "Can we go check?" Why of course," answered their mother. When Tim and Sara got down stairs they saw lots of presents. Tim and Sara went back upstairs and said "There are lots of presents downstairs." They all went downstairs and opened their presents. Tim, Sara, and their

mother and father did not know where the presents came from.

Rosanne Bessette  
Grade 3,  
Madoc Public.

## What Christmas means to me

To me Christmas means family. It's a sentimental time for everyone to have fun and spread happiness to others. It's not all about presents and receiving. It's a time for giving and sharing. It's a time for love and happiness.

The first Christmas was when Jesus was born, and that wonderful story was alive. People don't always think

about Jesus like he was Santa Claus but when you think about it he is. He gave a gift to many people, that is sometimes taken for granted, but, in my heart I know the gift and thank him for the love and wonderful tradition that was started on that first Christmas day. I love Christmas and I love to be with family when I celebrate it.

Angela Beer

## Queensborough news

by Goldie Holmes  
 U.C.W. General meeting was held on Wednesday Dec. 6 in

the church. The meeting started with a pot-luck supper. Mrs. Bernice Clarke, Goldie Holmes and Evelyn Lynn went on the Senior Citizen's bus trip to Quinte Mall on Monday, Dec. 4. It was Sr. Citizen's Day with special treats and services given to them.

Callers at the home of Mr. & Mrs. Alex Clarke on Sat. Dec. 3rd were Lawrence Walker of Belleville and Stacey Lee of Trenton, Allan Walker of Queensboro and Charlene Budinsky and friend of Toronto.

During church service at St. Andrew's on Sunday Dec. 10, Sacrament of Baptism took place for three children. Ryan Reginald Trotter, son of Howard and Sandra Trotter of Cooper, Steven Richard Allen, son of Rick and Sharon Allen of Gananoque, and Bryson Donald Bennett, son of Doug and Dianne Bennett of Belleville. Adult Baptism and/or Confirmation took place for six adults.

Also during the service at St. Andrews on Sunday, Dec. 10 a certificate was presented to Allan and Ella Thompson for 44 years of service as Treasurer of the church.

Mr. & Mrs. John Yzereef of Erinsville visited Mrs. Arthur Holmes on Sunday afternoon. U.C.W. Unit 2 held their Christmas meeting at the home of Lorne and Brenda Hagerman in Cooper on Dec.

11. The sympathy of the community is extended to the Clarke families on the passing of Alex Clarke's brother, Arnold of Prescott. Several from here attended visitation on Monday, Dec. 12 at the McConnell Funeral Chapel in Madoc and also the funeral service on Wednesday Dec. 13.

### Ontario MGS TENDER Janitorial Contractors

\* These offers may not be combined. Retail buyers choosing a reduced financing rate in lieu of cash rebate are eligible for 6.9% financing over a maximum 24-month term. Other low financing rates for longer terms available with approved credit. Special financing is available when you purchase or lease any new 1990 or prior year Tempo or Topaz. Delivery must be taken from dealer inventory. Example: \$10,000 financed over 24 months at 6.9% APR, the monthly payment is \$447.27; the cost of borrowing is \$734.48. Assuming a rebate of \$750 as the alternative, should you choose a reduced financing rate instead of the cash rebate, legislation requires that the amount of the rebate must be included in the cost of borrowing in order to arrive at an effective interest rate. In the example given, the effective interest rate would be 13.66% and the total cost of borrowing will vary depending upon the amount financed, term of loan and financing rate. Financing offer on 1989 models includes dealer participation. See dealer for details. † Lease rate calculated to provide similar value. ‡ Best selling claims based on calendar year 1988 F.I.L. Role Registrations. \*\*\*\* Special Value Package #101A (Tempo), #331A (Topaz). May not be immediately available at all dealers.

# News from the Madoc Township Public School

## Christmas Concert

The school concert is to be held on Tuesday December 19th, commencing at 7:30 p.m. All the grades from JK to Grade 6 will be taking part. An extra feature will be the school Drama Club's presentation of their play. This play has been on tour and all their efforts will be leading up to this "special" evening. Seating is restricted as to numbers for the evening due to the Ontario Fire Marshall's regulations. An afternoon performance will be put on to allow some of the parents to take in the concert at that time thus taking away from the crowding at night.

## Reports

School reports for all grades

will be going home to the families on Friday December 15th. Our school has long held to the policy of a late reporting. This timing allows for as complete as possible reporting on the education events which occurred during the fall term. An "Early Warning" report had been sent home early in the term. This report alerted parents to particular needs, if any, which their child would need to address during the year.

## Staff Dinner

A wonderful event which permits all members of the staff to gather socially at the end of term and also during the Christmas Season to share in a relaxed fashion each other's

company. This year the social event will be held at the Two Loons restaurant on Thursday December 21st. This is an annual event and all look forward to this special happening.

## Award

Two members of the school community have been selected to represent the community and are being recognized for their service to education at the Madoc Township Public School. Adult Supervisor and volunteer Debbie Wood has been nominated and written up about as to her performance at the school. Her sponsors pointed out as a salient feature her willingness to go beyond the normal level of contribu-

tion to the life of the school. Mrs. Wood's efforts are appreciated by all on the staff.

Mr. Bob Chapman, bus driver for 19 years, was the next nominee for this special recognition. Through all those years Bob has provided excellent service and has, at the same

time maintained his calm, while performing in a role which is very demanding and receives its share of criticism. It is an almost impossible job driving daily and safely while at the same time maintaining order on the bus. Bob's faithful and lengthy service is appreciated.

## Trinity UCW

The December meeting of Trinity UCW was held at the home of Vera Smith. The leader Lou Phillips opened the meeting with a poem and a memorial in tribute to Viola Wannamaker.

Hymn 311 'O Love That Will Not Let Me Go' was read in

unison followed by the purpose and psalm 117. Roll call was answered by the word shepherd followed by minutes of the last meeting and correspondence. Cards were received from Keitha Parks and Mrs. Ashley. Lou also

## Queensborough Women's Institute

The December meeting of the Queensborough branch of the W.I. was held in the hall with Mrs. John Bagshaw as hostess on December 13th beginning at 8 p.m.

Mrs. Mervil Lees, first vice-president, was in charge of the meeting which she opened with a poem about Christmas followed by 'O Canada', the ode and Mary Stewart collect.

The roll call 'Bring an item of canned or dried food for a good will box' was answered by eleven members. The minutes of the last meeting were read and a short business discussion followed.

The program was an item read by each member present. Erika Gamage read a short

piece on foam material, this was followed by 'A Woman's Holiday' by Grace O'Rourke, 'The Christmas Stocking' by Dorothy Lees and other short

selections. Several more carols were sung and the meeting closed with 'The Queen' and lunch was served and a social time followed.

### Victorian Order of Nurses

The Victorian Order of Nurses continues to play a vital role in the health care system of Centre Hastings. Shirley Miller, senior nurse in the VON office in Madoc, indicated in her report to a recent VON Board Meeting held on Wednesday, December 6, 1989 in Madoc.

The case load is stable and foot care continues to be a

steadily growing need. Twenty-five to thirty-five clients a month are seen at the Foot Care Clinic in Tweed.

The VON offers professional nursing care in the home on a seven day per week basis. The Centre Hastings office is situated in the Madoc Medical Centre and may be reached by calling 473-4630 or 968-4531.

## Trinity UCW

cont'd from page 26  
expressed thanks from Keitha and Hazel Beatty for goodies received from the units.

Treasurers reports were given by Sadie Holmes and Marg Ringleman after which business was dealt with.

Lou Phillips was in charge of the worship and chose a 'Service for Christmas'. 'O Come All Ye Faithful' was

sung and the scripture was taken from Mathew and Luke. Collection was taken and dedicated by Lou.

For the program each member gave a reading or a thought for Christmas. Lou closed the meeting with a prayer bringing another year to a close. Lattie Bailey and Marion Masters served a dainty lunch.

These plastic bins will hold about 12 cubic feet of compost material and will cost approximately \$30.00. Should you wish to order a bin at this low price or enquire further, please contact the Municipal Office by January 5, 1990.

W.G. Lebow,  
Clerk-Treasurer

## OBITUARY

Lena Ethel Viola Wannamaker of Wellington St. Madoc, Ontario passed away in Belleville General Hospital on Nov. 27, 1989 in her 81st year after a short illness.

She was the daughter of Joseph and Elizabeth (Bandy) Chatterton, born on May 1, 1909 in the Township of Mayo near Hermon.

Mrs. Wannamaker received her education at the Mountain school and lived her life caring for her home, her family and always had a helping hand for those in need.

She was a member of

Hazzard United church, then Trinity United church in Madoc as well as holding offices in the U.C.W. and in the Senior Citizen's Club No. 473 of Madoc.

Mrs. Wannamaker was predeceased by her husband Walter Stephen Wannamaker, 2 sisters and 9 brothers.

Left to mourn her passing are her sons, Elmer and his wife Irene of Bancroft and Clifford and his wife of Belleville, a sister Mary Loney of Belleville, 16 grandchildren and 12 great grandchildren and a number of nieces and nephews.

The funeral service was held at 1 p.m. November 30 in the

McConnell Funeral Home with Rev. Annette Reinhardt of Trinity United church officiating.

Pallbearers were six grandsons, Robert, Darryl, Scott and David Wannamaker, John Burling and Peter Panabaker.

Interment was Hazzard's cemetery.

## OBITUARY

Arnold Jerry Clarke of 373 Centre St., Prescott, Ontario passed away at St. Vincent De Paul Hospital, Brockville, Ontario on December 10, 1989, at the age of 57.

He was born in Elzevir Township, the son of John Clarke and Alice (Laird) Clarke.

Mr. Clarke is survived by his wife Mona (Wood) Clarke and sons, Gary Arnold Clarke, Gordon David Clarke and Gordon Glen Clarke. Also grandchildren, Arnold, Grant Jr., Jonathan, Georgina, Chris and Dawn Maria. He was the brother of Alex Clarke of Queensboro.

Mr. Clarke was employed by Canada Transport. He received his education in Queensboro and was a member of St. John The Baptist Anglican Church, Madoc where he had been a choir boy. He was a member of Loyal Orange Lodge 437 and a Lodge service was held on December 11 at 8:30 p.m.

The funeral service was held on December 13, 1989 at 1 p.m. at St. John The Baptist Anglican Church, Madoc with Rev. James Clark officiating. Interment was at Greenwood Cemetery, Queensboro, Ont.

Pallbearers were Ron Gregoire, Max Haggarty, Raymond Oxford, Ken Acton, Ritchie Rosenplot, Bill Campbell and Bert Conley.

## OBITUARY

Johanna Maria Bernardina Willemsen of R.R. 3, Madoc, Ontario passed away at Belleville General Hospital on Monday, December 11, 1989, in her 87th year.

Mrs. Willemsen was born in Huissen, Holland, the daughter of Willem and Bernardina Joosten. She was predeceased by her husband Antonius Johannus Willemsen.

Mrs. Willemsen had resided at the Madoc Manor for the last two and half years, prior to that she lived at R.R. 3, Madoc.

She is survived by children Tony of Madoc, Bill of Madoc, Bernardina Mahoney, Madoc, Joanne Bovair, Oakville, Harry, Peterborough and Herman of Stittsville, Ontario also by 22 grandchildren and 13 great grandchildren.

Mrs. Willemsen was the sister of Lies van Gellicum and Father G.M. Joosten S.M.A., both of Holland.

She was educated in Huissen, Holland and was a homemaker.

Mrs. Willemsen was a member of Sacred Heart of Mary Roman Catholic Church. The Funeral Mass was December 14, 1989 at 10:30 a.m. at Sacred Heart of Mary Roman Catholic Church, Madoc. Rev. Father R.J. Chisholm, assisted by Father P. Murphy celebrated mass and Father Robert J. Chisholm said prayers at graveside at Sacred Heart Cemetery, Madoc.

Pallbearers were Harley, Wayne, Brian and Peter Willemsen, Mark and Patrick Mahoney; all grandsons.

Volunteer puppeteers are needed for three new Kids on the Block troupes in Peterborough, Niagara Falls and London.

Kids on the Block is an international organization which uses puppets to teach school children about disabilities. Christine Kontos (diabetes), Brian McDaniels (epilepsy) and Valerie Perkins (spina bifida) are three of the puppeteers.

Puppeteers say it's a fun, rewarding and very worthwhile volunteer opportunity. If you enjoy children, are outgoing and a bit of a "ham" then give them a call. Volunteers perform during school hours, in their hometown, wherever Kids on the Block has a group. If interested please contact Bonnie Charbonneau, Spina Bifida and Hydrocephalus Provincial Office (416) 364-1871.

JOB ACCOMMODATION NETWORK NOW AVAILABLE IN CANADA

## More Abled Than Disabled

by Barbara Bruce-Pealow

### Looking for new kids on the block

The Job Accommodation Network a service based in the United States, helps employers and employees find accommodations that enable people with disabilities to work. Through funding from the federal government, that service is now available in Canada.

The line which can now handle both voice and TTD calls, is staffed 12 hours each day for 8.00 a.m. to 8.00 p.m.

The consultation service and advice are free. The only cost to the employer is the accommodation itself, a cost that is usually paid back by greater employee productivity and integration. The Job Accommodation Network is staffed by trained Human Factors Consultants who analyze the problem and make recommendations, drawing on a computerized database of 10,000 accommodations.

The toll-free number is 1-800-526-2262.

### DISABLED DRIVERS GUIDE UPDATED

The Guide for Disabled Drivers in Ontario, published by the Ministry of Transportation and the Office for Disabled Persons have been updated.

Available in English and French and on tape, call 1-800-387-4456 in Ontario; 965-3165 in Toronto.

SMILE  
Somebody did a golden deed,  
Somebody proved a friend in need.

Somebody sang a beautiful song,  
Somebody smiled the whole day long.

Somebody thought "It's sweet to live",  
Somebody said, "I'm glad to give".

Somebody fought a valiant fight,  
Somebody lived to shield the right.

WAS THAT SOMEBODY YOU!!

HINTS: GETTING UP OR DOWN

If you find you have to get down to floor level to do some cleaning, or climb up a stepping stool to reach a high cupboard, think through the process of completing the job you want to do very carefully before starting. Assemble everything you will need to

complete the job and keep them within easy reach. Be sure you have a sturdy chair nearby to assist in getting to your feet again if the job requires getting down to floor level. Equally necessary, if you intend to climb up to reach a high shelf, make sure there is something sturdy to cling to once up, and remember how you got up so you can reverse the process to get down again.

We have come to the season of joy.

Blessed indeed is he who has a heart and mind attuned to the benign Christmas spirit.

For Christmas, to our people and our time means more than an exchange of gifts, more than well wishes, more even than the religious significance so wonderful, so beautiful and so dear to so many.

Without a thought of whence

or how it comes, we all feel the influence of the Christmas spirit.

Gentle and Jew, Atheist and Pagan, all respond to mysterious promptings and the world is full of joy.

Our loves are greater, our home-ties are stronger, our friendships are firmer, and, for the nonce, our enemies are forgotten.

If there be a period in the cycles of time when love rules the world, it is during the joyous Christmastide.

In wishing you, my readers, a Merry Christmas, I trust this season of joy will bring to you greater and more lasting happiness than you have ever known.

MERRY CHRISTMAS AND HAPPY NEW YEAR.  
LARRY AND BARBARA.

CRANBERRY -PEAR  
PIE.....by Beatrice Buszek

3 cups of cranberries  
1 cup water  
1 1/2 cup sugar  
1/4 cyp cornstarch  
1/4 tsp cinnamon  
2 cups pared sliced pears.  
Combine cranberries and a water. Bring to boil. Simmer for 3 minutes. Mix sugar, cornstarch and cinnamon. Add to hot cranberries. Cook quickly and stir frequently. Remove from heat when thickened. Gently stir in pears. Turn into pastry shell. Add lattice top, seal and crimp, bake 35-40 minutes in 400 oven.

### FUN IS NOT NECESSARILY MEASURED BY THE THICKNESS OF YOUR WALLET.

Polaris believes you shouldn't have to spend a fortune to have fun. Which is why we built the Sprint ES and the Star both full-sized snowmobiles, and the only machines in their class with Polaris' exclusive direct drive.

The Sprint ES is one of the lowest-priced twin-cylinder (340ccs) snowmobiles available, yet it comes with the kind of features the competition charges extra for. Electric key start and a speedometer are standard, for instance.

The Star is the lowest-priced full-sized sled on the market, but it features the same hassle-free Capacitor Discharge Ignition and oil injection you'll find on all our other sleds, and a 244cc single-cylinder engine.

NOTHING BEATS THE WAY WE'RE BUILT.

# Managing your money

by Harry L. Mardon

If you have money invested in Registered Retirement Savings Plans (RRSPs) and you reach age 71 anytime in 1989, there's an important task you have to undertake before the end of this year. You must "collapse your RRSP by year's end.

In the jargon of the financial services business, collapsing an RRSP means that it no longer is registered. Therefore, it loses its tax sheltered status.

However, if you take suitable action before Dec. 31 deadline you can protect the money in your RRSP from taxation. You basically have four options available to you:

1. Collapse your RRSP this year, or let it be automatically collapsed at the start of 1990 by the financial company handling your plan, and accept the tax penalty. There is a withholding tax taken off the top of the RRSP before the rest of the funds in the plan are turned over to you. You may have to pay more taxes on your RRSP funds when you make out your next income tax return.

2. You can switch your RRSP funds into an annuity, or several different annuities. Annuities are mostly issued by life insurance companies and they come in various types. But generally they provide a set amount of income to the annuitant. You don't pay tax on the funds in your annuity plan until you draw income from it in the form of regular payments.

3. You can transfer your RRSP funds into a Registered Retirement Income Fund (RRIF). Professional financial planners generally agree that a RRIF offers better advantages than annuities, in a majority of the cases. Your money is tax sheltered until you receive cash in the form of payments from your plan.

4. You can use a combination of any or all of the other options listed above. In other words, withdraw some cash from your RRSP and pay tax on the amount. Then transfer the balance of the RRSP money into one or more RRIFs and any annuity that suits your circumstances and needs.

One of the big disadvantages of annuities compared with RRIFs is that you usually lose any control over your money once you have turned it over to the company issuing the annuity. In a lot of cases annuity payments do not keep pace with inflation. You receive a guaranteed amount of income from an annuity which is very reassuring. However, if your annuity income's purchasing power declines over the years because it doesn't match the cost of living, then you'll find it harder to make ends meet.

It used to be that the initial maximum annual income limit for an RRIF was low in comparison with annuity payments. Many individuals were forced to buy an annuity, or a blend of RRIF and annuity, simply to meet their income needs.

That's all been changed. Ottawa requires you to take a set minimum amount out of your RRIF every year, but there is no maximum limit. You may also own more than one RRIF.

Particularly if your RRIF is composed of mutual fund investments, your plan will give you protection against

inflation as your payout increases over the term of the RRIF. Over the long term, mutual fund investments will outperform fixed investments such as Guaranteed Investment Certificates (GICs), which also qualify as RRIF vehicles.

It may be advisable, however, to give yourself a mixture of RRIF vehicles. Some composed of mutual funds and some of GICs to give you a balanced portfolio suited to your personal investment risk "comfort zone".

The owner of an RRIF can keep control over the capital in his plan, or plans to age 90 - or a younger spouse's age 90. Under the RRIF legislation, the funds in such a plan should be exhausted by the time the holder reaches age 90. Although the RRIF ends at age 90, it doesn't mean that the funds have been used up.

All that happens is that what was called registered capital is now called non-registered capital after the payment of taxes on receipt of RRIF payments.

## "Diet Center works for working moms like me."

Susan Saint James, actress, mother and Diet Center success story

When you're juggling four kids and a hectic schedule, you need a diet that's flexible and smart. Something that works fast. That's Diet Center.

**Lose fat, not muscle.**  
Research shows 92% of the

weight lost on the Diet Center program is excess fat, not water or lean body mass.

**Eat real food.** No expensive prepackaged meals required. **Get fast results.** Energize your body while pounds and inches melt away.

Patricia Coll lost 43 pounds in 11 short weeks at Diet Center.

# Marmora Senior and Earl Prentice write about Christmas

## Noam and Derek's Christmas adventure

by Derek Meiklejohn

Hi. I'm Chris Nicholas Claus and this is the North Pole, 5086. And I had to help out some heavy dudes, in major trouble! They lived in the year 2078. They were only 17 years old.

You see, I had to help them with this Christmas report, or a history report on Christmas. Now, I'll tell you how it went. I got into my rocket powered time sled and zoomed to the year 2078. I arrived in the front yard of none other than, one of the heavy dudes, Derek B. Meiklejohn, ESQ. The snow was glittering like diamonds as the moon lit sky shawn-on it. Heavy music was blatin' and the other heavy dudes, Noam Jessy Guberman was yelling loudly.

The music stopped and they both popped outside. "Bogus!"

they both exclaimed and I explained why I was here. "Well, I said 'let's get on our way.'" "This reminds me of a movie I once saw," whispered Noam. We got into the sled and we were on our way to the year 0001 in Bethlehem, I said.

"Wow," exclaimed Derek. "Who's the dude in the manger?" "That's the Lord Jesus Christ," I answered. Derek and Noam pulled out their binders and started writing, while I stood there and looked at the happiness and joy the newly born child brought upon everyone, especially his parents, Joseph and Mary.

The star, it glittered and shimmered, as choirs sang in the distance. It was the first Christmas. "Well, gentlemen," I interrupted, "Are you ready?" "We're leaving already!" Noam asked. I could tell he didn't want to

leave, for Noam was born in Israel. "Quickly, we're running out of time," I yelled.

We popped into the sled, and we were off. We landed in an everglade forest and it was covered in snow. It was the year 1871. "Why'd you bring us here, Nick?" Derek asked. "I brought you here to experience Christmas in the 1800s," I snapped.

"With no television," I began, "and no toys, they had to make their own gifts." "Woa dudes, it must've been hard," Noam

exclaimed. "Yes, it was," I murmured.

They looked in the window in the cabin in front of us and saw the family open their presents. The father received a pair of socks, the mother a bonnet, and the children each got two candy apples.

All of a sudden we were back in the sled and off to our next stop. We landed in the year 1969. We looked in the apartment in front of us and saw toys all over the place. "Talk

about prehistoric," Derek said. The streets were filled and you could feel Christmas in the air, and suddenly we were back in 2078.

I dropped them off and replied, "I hope you do good on your Christmas report, gentlemen, until next time," I said, "and don't forget, PARTY ON DUDES."

I was back in my own year and I guess they got an A plus. Remember, until next Christmas, PARTY ON DUDES!

## The Rich Family

by Brandy Pratt

There once was a rich family and a maid. The maid was never aloud out of the kitchen for half of the day. All she was aloud to do is work, work, work. Two days before Christmas she had to wash the cloths, do the dishes, was the floor, make the dinner and some other things along with it.

When it is night and she goes to her room and another list is on her door o what she has to do at night. She is so tired she fell asleep well she was doing the dishes and when she woke ups, she finished the dishes and vacuued the rugs.

Then she started to decorate. She finally finished her chores, so she decided to make more pudding. Now it is Christmas day and the maid is called in the room to eat with the rich family and now she is included in everything with them.

## Granpa's Christmas Story

Told in 1938

by Mandi Madill

"Children, children come to the table, please! It's time for Grandpa's story!" Mama and Papa told the children. "Yes Mama," answered Bethany, Brandy, Bobby, Billy and Brittany.

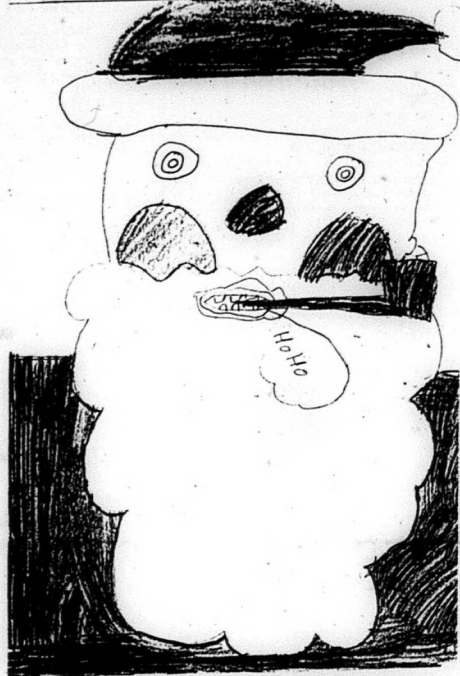

"Okay everyone, quiet please," said Grandpa. He started:

"When I was a kids I had to make my own presents for my parents and we also had to make our own decorations. The decorations we made when I was a kid were more beautiful than ever. They were made of popcorn, apples, and more treasures found at home.

Mama and Papa also had to shoot our own turkey two days before Christmas. Our turkey was so tasty and was smaller than small. The tukeys now a days are much bigger and you don't shoot your own but you pay a lot of money for it.

On our Christmas tree we used candles. The candles looked so beautiful and sparkling, more beautiful than the lightbulbs we use in the 20th century. After all of our work on Christmas, the family would come over and we would listen to my Grandpa's story and then eat." He ended the story.

"Now we may start our Christmas dinner and I would like you to carry on this tradition of telling your grandchildren," Grandpa told everyone. Then the children nodded and agreed to carry on the tradition.

## Not just about toys

Today is Wednesday, Dec. 6, Christmas is not just about toys. It's almost all about Jesus. So remember this on Christmas. The end.

Shawn Cormier  
Frankford Public School

## Santa

Santa has a snowy white beard. Some people may think he's weird. Santa wears a dark red suit. And a long red toque. He comes down the chimney at night. After you turn off the light. Goodnight!

Jamie Dwornik,  
Mr. Butcher's Grade 5,  
Frankford Public School

## Rudolph

Red, red nose  
Un like the other reindeer.  
Dancer is his friend.  
Out in the North Pole is where he lives.  
Loves to play reindeer games.  
Presents, he helps carry.  
Happy living with Santa.

Ian Whitehead  
Grade 5  
Frankford Public School

## Christmas Time

Christmas is coming.  
Santa is coming to town.  
Get in the spirit.  
Families get together...  
Merry Christmas, Ho! Ho! Ho!

Leeann Welling,

## Christmas

Christ was born  
Hang the star at the top of the tree  
Rudolph leads the sleigh  
In Bethlehem is where he was born  
Santa comes to town  
Trees we decorate  
Manger is what Jesus was laid in  
Asleep we will be when he comes  
Santa is here, I think!

Kim Anderson,  
Grade 5,  
Frankford Public School

## Santa Claus

Santa Claus is all dressed in red.  
On Christmas Eve he's out of bed.  
Santa has a pair of black boots.  
And a closet full of ironed suits.  
His best and favourite phrase is,  
"Ho! Ho! Ho!"  
When he wants them to stop,  
He says, "Wo!"  
Santa Claus will be here,  
Let's give him 10 big cheers.

Amanda Hardy,  
Mr. Butcher's Grade 5/6,  
Frankford Public School

## Jesus

Jesus was born in a stable,  
And he could not eat from a table.  
To see him come three Kings,  
That did not travel with wings.  
They all brought a treasure.  
That did not have to measure.  
He brought lots of joy,  
To every girl and boy.

Kimmy McCaw and Jason Cunningham  
Fleming,  
Grade 4,  
Frankford Public School

## Shepherds saw the star

Christ was born on Christmas  
He was born in a stable  
Raised from the dead  
In our hearts he is  
Shepherds saw the star  
Three wise men gave him gifts  
Mary and Joseph are his parents  
Angels loved him  
Sheep gathered around his manger

## Santa's Reindeer

The reindeer's names were Comet, Cupid, Donner, Vixen, Blitz, Dancer, Prancer and Rudolph. They went to the bank for money and the elves had to get presents for the children for Christmas.

Then the elves got a holiday in Florida. They went to Prince Edward Island for 83 days, and then went to Belleville for shopping at Kmart, Loblaw's, Towers and Sears. Then they went back to Prince Edward

Island and back to Florida and then they went home.

They went to Santa's workshop. The reindeer went to the stable for a lunch of hay, sugar cones, carrots and water. The elves went with Santa to Kmart for Christmas shopping. The reindeer asked if they could go back to the North Pole.

The reindeer went back to the North Pole for lunch and then back to Kmart. Santa

Claus and the reindeer went to Florida. Santa Claus went back to 10,000 years ago, and Rudolph, Comet, Donner, Cupid, Blitz, Dancer, Prancer and Vixen went too. They were worried that Mrs. Claus wasn't there. They went to look for her. Then they found her at Kmart and Sears. She was shopping.

Kirsten Dettlor,  
Mrs. Bennett's Grade 4,  
Stirling Jr. School

## Save Christmas!

Two weeks before Christmas Elizabeth and Stephen were helping Mom and Dad.

"Hey, this is fun," said Elizabeth.

"Yea," said Stephen.

One day before Christmas Eve, Elizabeth and Stephen disappeared. They went to the North Pole.

"What happened to Santa?" "He's got the worst cold ever."

"Can Stephen and I be Santa this year?"

"Well, okay."

"Wow - look, Santa got me a Barbie and a '57 Chevy."

"Look, he got me a remote control balmobile."

"Dad got a leather briefcase, Mom got a new computer for work."

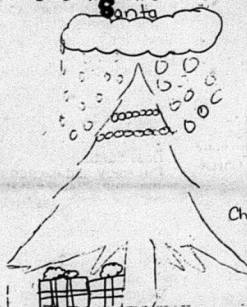

Morning came. The sleigh was gone. They knew Santa took it home.

Stephen told Mom and Dad what had happened. "Are you okay?" said Mom.

"Yea, we had lots of fun."

What Christmas means to me. Santa Claus was getting ready to deliver his toys. When he went out to hook up his reindeer he noticed that Rudolph was missing. He started to call "Rudolph." He ran into the house and told Mrs. Claus what had happened. Mrs. Claus laughed. He's having a bath. When Rudolph was done Santa hooked up all of the reindeer and was off.

I want to go back out for slide  
Winter is all fun, fun fun.  
I hope winter is never done.

What Christmas means to me when Santa gets ready  
by Michael Denny

A Christmas Poem  
by Martina

What Christmas means to me is giving and sharing.  
When we all sit around the Christmas Tree there is a lot of caring.  
Presents is all the love and sharing that parents try to show.  
But at everytime you just always seem to know I like Christmas.

by Denise Rivers

Dear Samantha  
I received your letter.  
I think I might be able to get the doll and the stroller and probably some of the other presents that you asked for. But really don't know about the kitten. I'll see what I can do. Mrs. Claus is doing fine and so are the reindeer. The elves are busy making all the gifts but I'm sure they will get them done in time.  
Love Santa.

Dear Santa  
I'm sorry and excited at the same time. You see last night when you were making your rounds you left your elf here in my house. My name is Tabatha and your elf really wants to go home. I hope you will come and pick him up  
Your friend Tabatha

A CHRISTMAS MOUSE  
Squeaky the mouse lived in a hole in the house. Squeaky wrapped up presents in leaves and bark. He wrapped up cheese and a peanut butter sandwich and put them under a mouse's Christmas tree. On Christmas morning Squeaky's children opened up the

presents and had a feast for breakfast.

- Mrs. Halewood's Grade 1  
Group Story  
Stirling Primary School

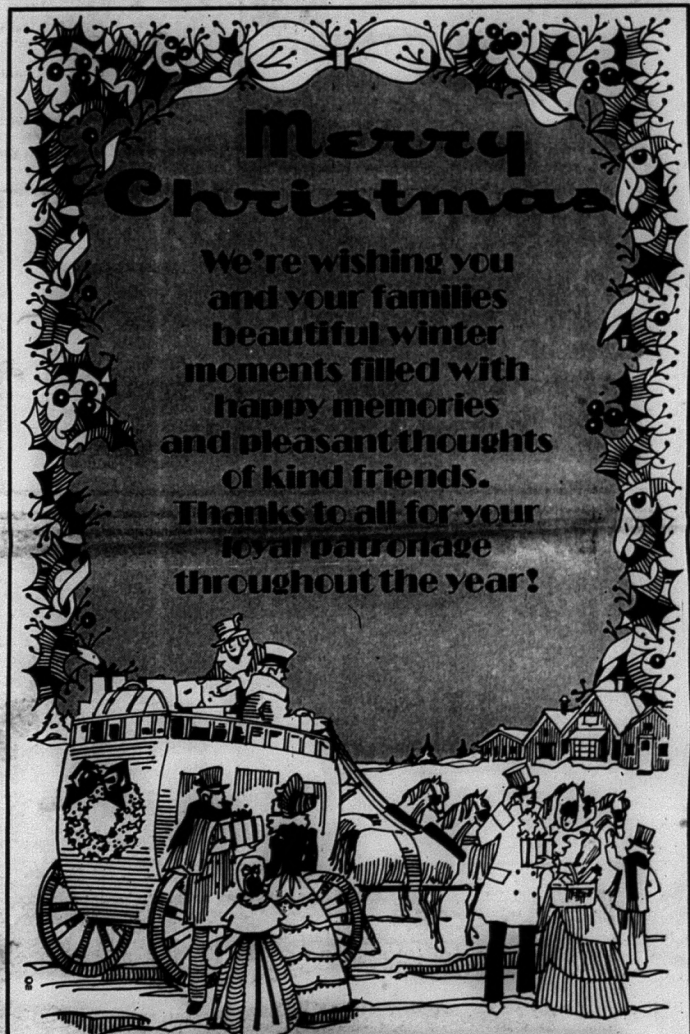

CHRISTMAS TIME  
Christmas is a favourite time of year  
When you see in the air Santa's deer  
In the morning children cheer  
When children come out they have no fear  
The Christmas tree is full of joy  
There is a present for each

girl and boy  
The presents are full of toys  
There is nothing to destroy  
Children open up their presents under the Christmas tree

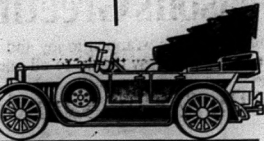

The children open their presents with happiness and glee  
Some children play with their toys and say wee, wee, wee  
And that's the meaning of Christmas to me.

Colin Cheung, grade 8,  
Hillcrest P.S.

## Why Christmas is so special to me

Christmas is real. On Christmas we hang up our stockings. I like Christmas because I get presents and we have a big dinner.  
Chris McLean, grade 2,  
Kent School

**WHY CHRISTMAS IS SO SPECIAL**  
I like to open presents. I have two Christmas dinners.  
Eric Scott, grade 2,  
Kent School

**WHY CHRISTMAS IS SO SPECIAL**  
I like Christmas because I get toys and clothes. I like Christmas because I get lots of food.  
Jason Reid, grade 2,  
Kent School

**WHY CHRISTMAS IS SO SPECIAL**  
On Christmas Eve, the Lord was born. His name is Jesus. At night Santa comes and gives us toys. When it is Christmas at my house, we hang stockings and find candy in them the next day. I get lots of presents. I will have a big tree this year. We will make many cookies. I know we will have fun this year. I believe in Santa and I believe in God.  
Alexandra Lewis, grade 2,  
Kent School

**CHRISTMAS IS SPECIAL**  
I believe in Santa and God and Jesus on Christmas. It is Jesus's birthday. I like Christmas. It is fun. Each year, I get a lot of presents.  
Aaron Bursey, grade 2,  
Kent School

**CHRISTMAS IS SO SPECIAL**  
Christmas is so special because we celebrate Jesus' birthday on Christmas Day. Soon it will be Christmas Day. I can't wait for Christmas for all the presents. It's fun when Santa comes down the chimney and fills our stockings and puts the toys under the tree on Christmas morning. We go to my aunt's and have Christmas dinner there, and then we go to my grandma's place. Have a Happy Christmas.  
Matthew Preston, grade 2,  
Kent School

**CHRISTMAS IS SO SPECIAL**  
Christmas is a special time for me because it is so happy. I get lots of presents. I am

staying home I think. We have a big Christmas tree. I want to hang my stocking up by the pictures on the wall.  
Samantha Vosters, grade 2,  
Kent School

**WHY CHRISTMAS IS SO SPECIAL**  
At Christmas I get lots of presents. My sister and I hang our stockings up and then we go with our Mom and Dad to put up our Christmas tree. When Santa comes down the

**CHRISTMAS**  
One day, me and my brother were playing in the snow. When my Mom called out to us, she said, "Your cousins are coming for Christmas." We said "yay." My cousins names are Corey and Stacey. We had fun. They came a day before Christmas Eve, and stayed for four days. On Christmas Eve, me, my brother, Cory and Stacey were talking about Christmas. We talked about opening our presents and getting lots of toys. We talked about lots of other things too. We had lots of fun talking to each other. On Boxing Day we played with the toys we got for Christmas. It was the best Christmas ever. It was fun.  
Terri-Lynn Reitsma, age 8,  
grade 3, St. Mary's School.

**CHRISTMAS**  
Christmas is Love.  
Christmas is Joy.  
Christmas is in December.  
I love Christmas. It is the best time of the year.  
Merry Christmas!  
Matthew Punter, age 8,  
grade 3, St. Mary's School.

**THE SPIRIT OF CHRISTMAS**  
What is Christmas spirit? It is more than Santa Claus. It is the birth of Christ. On that night we will be celebrating a glorious occasion. Remember, that Christ was born by the Virgin Mary and Joseph for us.  
Jason Vander Veer, age 11,  
grade 6, St. Mary's School.

**CHRISTMAS IS GREAT**  
Christmas is great, I believe in Santa and Jesus too. You'd better be good and you'll get more presents.  
Justin Ferguson, grade 2,  
Kent School

**MY CHRISTMAS**  
At Christmas we open our presents and we eat our candy canes. Then we play with our toys and get our stuff out of our stockings.  
Jason Thompson, grade 2,  
Kent School

chimney, he puts all our presents under the tree. Then he goes up the chimney and is off.  
Reg Vineham, grade 2,  
Kent School

**CHRISTMAS IS SO SPECIAL**  
Christmas is so special because we get presents and we put up our Christmas lights. Jesus is important too. We play with our presents. I want a GT.  
Darrin Chappell, grade 2,  
Kent School

## Christmas Stories

**THE SURPRISE PRESENT**  
One Christmas morning I walked down the stairs and saw a medium sized present. It had a green and red candy cane on it, but I was not allowed to open it until my parents woke up. I opened up my stocking. Soon my Mom woke up and I got to open my present. It was a Nintendo from Santa Claus. I opened all my other presents. I got a Teddy Bear and a computer and a turbo-graphics 16. We had to go to my Grandmother's house.

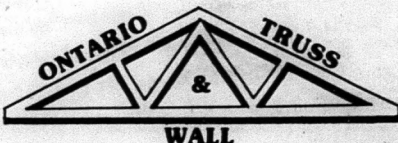

Derek Airhart, grade 3,  
Kent School.

melted. Santa put him back  
together and brought them  
home.

Daniel Gibb, grade 3,  
Kent School.

## THE FIRST CHRISTMAS

One Christmas I told Santa  
that I would like a new-born  
baby and I asked for a Sweedie  
Pup. Then it was bedtime.  
Before I went to bed, I brushed  
my teeth. Then I went to sleep.  
The next morning I found my  
new-born baby. It was cute and  
my sweedie pup was cute too.  
Then I asked my Mom if I  
could play with my doll. My  
Mom said I could. Then I went  
outside to play on my swing set  
with my new doll on my lap.

Melissa Krapels, grade 3,  
Kent School.

## THE FIRST SNOW

One day when I woke up, it  
was snowing out. It was the  
first snow this year. After  
breakfast I went outside to  
play in the snow. First, I put on  
my snowpants, and then I put  
on my boots. And then I put on  
my coat, then my gloves and  
last of all I put on my  
earmuffs. I went out to play. I  
saw Kaidre and Cassandra. I  
asked them if they wanted to  
build a snow fort with me.

They said yes. It took us two  
hours to build it. After we were  
finished we saw Tara. She  
asked if she could play and we  
said yes. For awhile we built a  
snowman and put a scarf on  
him and a hat. After we were  
finished the snowman Tara  
had to go home, but Kaidre and  
Cassandra didn't. Then we  
went inside and had chicken  
noodle soup. When we were  
finished, Kaidre and Cassan-  
dra had to go home. We had fun.  
Sarah Miller, grade 3,  
Kent School.

## THE SPECIAL CHRISTMAS

One afternoon we invited  
Granny and Grampa over for  
Christmas. Before supper me  
and Granny went for a walk in  
the woods. I said, "Granny  
what are you getting me for  
Christmas?" and she said  
"I'm not telling you." Then we  
went home and had supper.  
The next morning I went  
downstairs and opened Gran-  
ny's present. It was a rabbit. I  
said, "Thank you Granny."

Katie Weaver, grade 2,  
Hillcrest P.S.

## THE FIRST CHRISTMAS THE BUNNY HAD

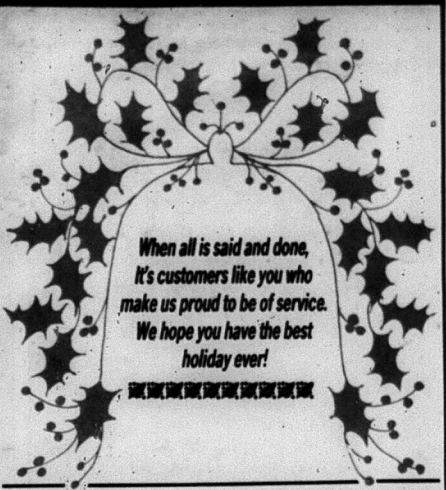

One Christmas night it was  
the first Christmas the bunny  
had. It was special for him  
because he didn't know it was  
Christmas that night. So he  
didn't know to put up a Christ-  
mas tree, but he got presents  
anyway. The next day he said  
to his Mom, "What is all that  
white stuff on the ground." His  
mother told him it was snow. It  
must be Christmas now we  
have snow. "Yes my dear, it is  
snow," said his mother. "Can I  
go out to play," he asked. His  
mother said he could, but he  
did not know to put out the  
Christmas tree, but Mom, the  
bunny did.

Jennifer Foote, grade 2,  
Hillcrest P.S.

## WHAT CHRISTMAS MEANS TO ME

Christmas is so special  
because it is great, very great.  
I want to give Santa a present  
very much. I do think he's real  
too. Did you know that Santa is  
doing this for everyone?

Carrie Anne Vale, grade 2,  
Kent School

# The Magic of Christmas

## Christmas

Some people start their Christmas shopping on December. Mr. I start in June. I am usually the first one finished buying and wrapping presents. Also I am the first one who has my Christmas presents under the tree as soon as the tree is up. This year my Dad has finally finished his Christmas shopping before December. Now all he has to do is wrap them. But aside from the giving and the receiving the thing I like best is the loving.

Rachel Hill

**Dear Santa**  
Dear Santa: How are you? Usually I know what I want for Christmas but this year I don't. Well anyway, how are your reindeers and Mrs. Claus doing. Whatever you get me for Christmas I'll be satisfied.

Love Ernie  
by Shannon Toner

Dear Ernie: I'll get you a good a good present like always.

Love Santa Claus.

## CHRISTMAS WITH MY FAMILY

Christmas is so lovely because it is Jesus' birthday. I have a brother. My Mother's name is Ann and my Father's name is Ron. My brother's name is Kurtis. I love my brother. We all have Christmas together.

Amanda St.Clair, grade 2,  
Kent School

**Dear Santa Claus,**  
I am thankful for Christmas. For Christmas I would like a whole collection of Barbies and some dolls like Little Miss Make-Up and Little Miss Dress-Up and Bouncing Babies. There are lots of other stuff that I would like but I just would like to thank you for bringing all those beautiful presents you gave last year. You give so many presents to so many people.

Jennifer Gaines  
grade 3,  
Madoc Township P.S.

## Christmas Day

"Ha Ha, It's Christmas Day" Everybody would shout and say "Today's the day, today's the day, today is Christmas Day"

The jolly children play mumble today For it is the day that jolly St. Nick has come And given everyone something to say Because today's the day, today's Christmas day.

The children gather around To hear the Christmas story sung About Jesus and his birth and glory sung. This is why it is Christmas day.

The story starts in Bethlehem for that I'm sure to say Joseph and Mary in the manger for that I do pray There he lay in the hay that day. That wonderful day, that day on Christmas day!

by Jeremy Wiley

## THE BIGGEST CHRISTMAS TREE EVER

One day a little squirrel named Chippy was going for a walk. Chippy was very excited because tomorrow was Christmas. Everybody was shopping for Christmas presents and the tree was full of glitter. Then mommy squirrel put on a movie, but Chippy wasn't excited about the tree. The tree was so big and tall, Chippy thought Santa wouldn't be able to get in. Then mommy squirrel said it was bedtime, and Chippy went to bed. When Chippy woke up in the morning she went into the living room and saw the presents under the tree. Chippy never worried about Santa again.

Rochelle Courtney, grade 2,  
Hillcrest P.S.

## WHAT CHRISTMAS IS ABOUT

When we have Christmas it is Jesus' birthday. We celebrate Christmas like we celebrate Jesus' birthday. I like Christmas, don't you? Remember, giving is better than receiving.

Lindsey Thompson, grade 2,  
Hillcrest P.S.

## The Christmas Tree

One day in a woods there was a Christmas tree. It was nice in the woods, but one day someone cut the tree down.  
But when he chopped the tree down he planted another Christmas tree.

- Renee Gaudet,  
Grade 1, Stirling Primary  
School

## Santa's missing a reindeer!

One day when Santa went to feed his reindeer, one was missing. "Oh no," said Santa. "It's a week before Christmas and I need him."

Mrs. Santa came out. "What's the matter," she said. "I'm missing my lead reindeer," he said.  
"Oh no, that's Rudolph,"

said Mrs. Santa. "I know where he is, he's at the lake for a drink," he said.  
And sure enough he was there and everybody had a great Christmas.

THE END  
Scott Whitman,  
Mr. Butcher's Grade 5,  
Frankford Public School

## Chippy's Christmas

One bright December morning, Chippy Chipmunt stirred in his sleep. He had been sleeping since it turned cold in the fall.

His home was under a tree by Davey's house, in Stirling. Some church bells had started ringing to tell us that Christmas was here. It rang real loud and it woke him. He looked out his hole and saw people hurrying to church.

I will invite my friends and by nephews to come to my house for Christmas dinner. I will wrap some nuts and seeds in leaves and bark for presents. I will roast some nuts for Christmas dinner. I will get a branch and put berries on it for decorations. Won't that make a fine Christmas!

- Mrs. Halewood's  
Grade 1  
Stirling Primary School

## The best Christmas

Everybody is rushing to get their presents before Christmas comes. But Joey's Mom and Dad can't because they have no money.

One week before Christmas Joey's Mom and Dad received a letter from their rich cousin Mark. He wrote a letter that said he was going to give them two thousand dollars for

Christmas. And then they had enough money for Christmas. Then Joey's Mom and Dad went Christmas shopping for Joey and Joey's Grandma and Grandpa.

Kurt Turney,  
Mr. Butcher's Grade 5  
Frankford Public School

## Merry Christmas

Merry Christmas to all

fire. I sat by him and asked him to tell me a story.

"This story is about what they did for Christmas 100 years ago," he began. "The family would get all their presents and put them in a sleigh and go to our house. We would all go into the living room. I would run in and get Egg nog. After we talked we would go to the dining room and have supper. We would have salads, corn, meat, potatoes, carrots, jello and for dessert we would have squares, muffins, ice cream and a Yule Log. After we ate, we would put up the Christmas tree and decorate it with Victorian decorations. Then we would gather around the fireplace and sing all our favourite Christmas songs. Then we would go to sleep."

I am glad my grandpa could share his story about when he was a child. Merry Christmas.

mas tree yet.

Katey told John, "If we don't get our Christmas tree, we can't have a Christmas." John said, "Go to bed, Grandma and Katey you go to bed too!" Katey said, "Why?" John said, "Just go." So Katey did.

When he heard nothing but silence he left to go and get the Christmas tree. When Katey woke up the tree was there and it was all decorated with nice pretty lights sparkling and some mistletoe hung over Katey's door.

Then John left again. He went to get his Mom and Dad. They had not seen there Mom and Dad in a long time. When their Mom and Dad got there, they said, "Oh what a pretty tree!"

While Katey was still sleeping, her Mom and Dad said "Where are Katey and Grandma?" "They are in bed," said John. "Oh," said Mom. Dad was still putting up the star, so they ended up having a wonderful Christmas.

newspaper." I ran to get it and I saw my father coming with the Christmas tree. I helped my mother and father put it up.

It was Christmas eve. We had popcorn on the tree and oranges too. I went to bed at 8:30. I woke up and ran down stairs and I opened a pair of shoes, a hat and little things.

All my mother and father's friends came for Christmas with us.

Farmers as with all segments of Canada are concerned with the upcoming general sales tax in January of 1991.

The tax will, it appears now, be charged on all the goods and services used by the farming community. The good news is that you will not have to collect the tax on commodities sold. The bad news is that in order to claim for taxes paid to operate your farm business, a system of extensive book-keeping will have to be developed for regular and efficient claiming. If not you will lose the benefits allowed under the system. It follows that the manufacturers sales tax will be absorbed by the consumer. One estimate places the cost to Ontario farmers at \$50 million to do the book work each year. Another downer is the fact you will have to pay the tax at time of purchase and wait for your money to be returned. It runs in the back of my mind to ask the question, will this actually show up in reality as a lower-

**NEWS AND VIEWS**  
**Intensive pasture management**

by Doug Young,  
Agricultural Representative

It's every cattleman's dream to buy cattle in the spring, put them on pasture during the summer months and sell them at a profit in the fall. For this to work, two things have to happen.

First, cattle have to be bought right. Cattlemen know that it costs more per pound to buy cattle in the spring than the selling price will be on a per pound basis in the fall under normal circumstances. This negative margin has to be made up on pasture gain - if the margin is too wide, there is no opportunity for a profit.

The second condition is that pasture gains be optimized with the least cost gain per pound possible. Pasture gains are a reflection of the kind of cattle and pasture conditions. Gains of 600 - 700 pounds per acre or 300-400 pounds per head are possible under ideal conditions but are seldom achieved. 200 - 300 pounds gain per head is common.

Intensive past management - rotating cattle over number of paddocks - is management technique which maximizes the gains per acre or carrying capacity. Bill Bigford of R.R. 3 Brighton, has been successful in making th

Cont'd on page 17

ing of prices on items that manufacturers tax applied to, or will big business simply soak part of that up as an increased cost and we will still pay the percentage tax on top of it? We probably will never know the answer to that one.

GATT negotiations are still high in the air and at this point in time it is very difficult to get any indication of where it is going. Our Minister of Agriculture has assured us they are working diligently to preserve

supply management systems and have come out with a plan for Canadian agriculture, the title, "Growing To-gether" a vision for Canada's Agri-Food industry. I have not had time to read it yet so cannot comment, maybe later.

Well it looks as though the farming sector will have to be more and more diligent in the next few years. If one takes a realistic look at it, farming has always been a victim of economics, politics and world trade. The trick is to protect and defend as much as possible and when the brick wall is inevitable then farmers will do what they have always done. Ingenuity and, ambition will prevail and farming will go on, even if in a modified form.

If you heard, yes it is true there will be a five dollar fee increase for membership in the O.F.A. in 1990. Again we must look at it realistically, it is less than the cost of inflation. I know there are some who will disagree but it costs a bundle to advocate and negotiate on behalf of farmers in Ontario and if we were not for this informed and dedicated negotiation then I sincerely believe our problems would be bigger than they presently are.

From Eva and I a very Joyous and Merry Christmas to all.

## Examine a career in animal health technology

If you have been to a doctor's office, most likely you know the professional names of the employees there. Likewise, with a dentist, you recognize the receptionist, the dental hygienist, the dental assistant and of course, the dentist. Would you be able to do the same at a veterinarian's office?

Many people will know the receptionist and the veterinarian, but let's take a closer look. There are some other important people on the medical team. They're called Animal Health Technicians/Technologists (A.H.T.s) commonly called veterinarian assistants. These professionals do many tasks in the clinic to help make your visit there a pleasant one for you and your pet.

First, let's establish what an Animal Health Technician is. An A.H.T. is a professional trained in the nursing care and handling of animals, routine laboratory and clinical procedures, and knowledgeable in basic principles of normal and abnormal life processes. An Animal Health Technician's education provides him or her with the theory and practical skills essential to work with the veterinarian as part of a professional veterinary team.

The basic core curriculum of

the A.H.T. Programmes will provide the A.H.T. with the knowledge and training to perform the following functions:

Maintain animal husbandry, collect samples (blood, urine, feces etc.) perform various laboratory procedures (hematology, clinical chemistry, bacteriology, urinalysis, parasitology, etc.), restrain and handle animals, sterile preparation of surgical patient, surgical site and equipment, assist in surgical procedures, administer and monitor anesthetics, perform preventative medical techniques, administer medications and treatments on the prescription of the attending veterinarian, dental prophylaxis, expose and develop radiographs, nutritional management, perform necropsy, public education and perform business procedures.

Various job opportunities available to the Animal Health Technician include, but are not restricted to, large and small animal veterinary practices, research facilities, teaching, governmental establishments, zoological parks, pharmaceutical sales, clinical management, humane societies and livestock health management.

The Animal Health Technology course began in the Fall of

1967 at Ridgetown College of Agricultural Technology. In the summer of 1969, under the direction of the Ontario Ministry of Agriculture and Food, this course was moved to Centralia College of Agricultural Technology, Huron Park.

Since then Animal Health Technician/Technologist Programmes have been offered at the College of Applied Arts and Technology, in Ontario; St. Clair College, Windsor; St. Lawrence College, Kingston; and Seneca College in King City.

However, due to the low number of graduate A.H.T.s many veterinarians have been forced to hire lay staff to fill these positions in their practices. Lay staff are generally haphazardly trained by the veterinarian to perform the practical aspects, however they lack the knowledge of normal and abnormal life processes that an education would provide them with. It is of great concern to many people that their animals be examined and cared for by qualified veterinary medical professionals. After all, you would expect your medical doctor to have qualified registered nurses on staff, so why wouldn't you expect your veterinarian to have an Animal Health Technician on his?

So next time you take your pet to a veterinary clinic, make sure that there is an A.H.T. on staff to ensure that it receives the knowledgeable and qualified care it deserves.

If you have any questions or concerns just ask the A.H.T. at your veterinary clinic. They are most always enthusiastic and willing to answer your questions.

## Intensive

Cont'd from page 6  
intensive pasture management program pay over the summer of 1989.

Bill rotated 56 stocker steer on 65 acres of low, flat pasture land with poor drainage. The permanent type pasture consisted of natural grasses and a white clover base. The white clover was added to the pasture by broadcasting an adding seed to the soil mixture.

The pasture was divided into 13 paddocks of five acres each and cattle were rotated daily. The pasture period was from May 9th to October 17th. Gain per head was 273 pounds with an average daily gain of 1.65 pounds per head. The average purchase price was 90.59 cents per pound with sale price of 89.2 cents per pound. Total cost including sale cost, interest, fertilizer, insurance etc., average \$623.00 per head leaving return to labour and pasture of approximately \$133.00 per head. Bill Bigford owns no feed equipment so has no overhead cost except low-cost electricity to fence the paddocks.

The gain per acre and per animal is in line with other intensive management pasture programs across the province. The intensive management pasture program does add extra gain per animal as maximizes feed per acre but these gains can be lost in the buying and selling if there is a large negative margin.

## PROPERTY ASSESSMENT AND SCHOOL TAXES

### Notice to Business Partnerships and to Publicly Traded Corporations and their Subsidiaries

Starting in 1990, the rules by which business partnerships and publicly traded corporations and their subsidiaries direct their school tax support will change. This will affect the way the property assessment base is allocated among Public, Separate and French-language School Boards.

- Business partnerships will acquire the right to support a Separate School Board, or the French-language School Board in Ottawa-Carleton, up to the proportion that the partnership is held by Separate School supporters or French-language School supporters. Until now, all partners had to be Roman Catholic or Francophone and agree to do so.
- The property assessment of publicly traded corporations and their subsidiaries will be shared between Public and Separate School Boards in the same area, and in Ottawa-Carleton by the Public, Separate and French-language School Boards, in proportion to each board's residential and farm assessment. Until now, a corporation's support for a Separate School Board, or the French-language School Board in Ottawa-Carleton, could not exceed the proportion of shares held by Roman Catholics or Francophones.

In order to implement this initiative, the Ministry of Revenue must amend its records to identify those business partnerships that wish to split their school tax support, and to identify all publicly traded corporations and their subsidiaries.

Information about the new school support rules will be sent to you in the near future, along with a **Notice of Property Valuation**. Please review the new rules, and then check your Notice to verify that the Ministry of Revenue has correctly identified your school support. If it's not right, please tell us. A reply form will be included with the Notice.

Your cooperation will ensure the proper allocation of your school taxes to the School Boards in your area.

## YOUR BUSINESS

### Women in small business

When it comes to small business, more and more women are calling their own shots. Of the 121,000 start-ups in Ontario last year, 30 per cent were headed by women. By comparison, in 1984 fewer than 25 per cent of the new ventures in the province were started by women.

Who's the typical female entrepreneur? Well, she's 30 years-old, with an average household income of \$40,000 and has completed 15 years of schooling. Prior to starting her own firm, she was working for someone else and had little front-line experience in operating a business.

That's a composite drawing compiled by Laventhol & Horvath Management Consultants of Toronto, who recently (August, 1988) conducted an important study on entrepreneurship for the Ontario Ministry of Industry, Trade and Technology.

A major finding from the report is that women are more thorough in planning their start-up than men. "We've found that many women owners sought more advice than their male counterparts. Women weren't afraid to ask questions, nor was it an affront to their egos to ask advice from lawyers, bankers and accountants," says Stanley Brown, Director of Marketing for Laventhol & Horvath.

All entrepreneurs set up shop for the same basic reasons: a desire to be the boss and a passionate belief that the

service product will succeed. But, Brown points out, women have more modest expectations at the beginning. Women owners usually are satisfied with making a living rather than striking it rich.

Female owner-managers tend to concentrate their activities in the retail and service areas rather than in manufacturing or wholesaling domains preferred by men. Indeed, almost half of the surveyed businesses started with women were in the service area.

Franchised operations have a particular appeal to many women embarking on a busi-

ness venture. "More and more are going into franchised concepts that are already proven. With franchises, the business and marketing plans are already developed. So female owners know exactly how much money they have to put into it," says Brown.

All things considered, female entrepreneurs tend to be more cautious in their approach, to business. The average start-up costs for women totalled \$78,000 compared with \$110,000 for men, according to Laventhol and Horvath.

*Heckleworth*

"I've decided to start my own business. Now, if you'll cough up \$78,000 to get me started, you can become a silent partner."
